

OLD Covenant

RIGHTEOUSNESS of LAW

1. Blood of animals
2. Written on stone
3. Shadow
4. Glorious
5. Had an end
6. Law of Moses
7. Law of works
8. Law of sin and death
9. Many sacrifices
10. Powerless to save
11. Annual atonement
12. Earthly tabernacle
13. Ministry of death
14. Outer form - flesh
15. Ministry of condemnation

1st Covenant

NEW Covenant

RIGHTEOUSNESS of CHRIST

1. Blood of Christ
2. Written on hearts
3. Substance
4. More Glorious
5. Has no end
6. Law of Messiah
7. Law of faith
8. Law of Sprit of Life
9. One Sacrifices
10. Powerful to save
11. Eternal atonement
12. Heavenly tabernacle
13. Ministry of life
14. Inner reality - spirit
15. Ministry of reconciliation

2nd Covenant

**For
if the first
covenant had
been faultless
then should
no place have
been sought
for the second.**

Hebrews 8:7

New Covenant In The Old Testament

Robin Routledge

New Covenant In The Old Testament:

Returning Home William Webb, 1993-06-01 The text of 2 Cor 6 14 7 1 commonly called the fragment has been the focus of much debate due largely to its enigmatic presence within the context of 2 14 7 4 This work forges a new line of research on the problem of contextual disruption through an examination of the Old Testament traditions used within the fragment their source redactional focus and theology Next a similar traditions study is pursued in the current literary context of 2 14 7 4 A surprising degree of continuity between the fragment and its context is discovered in the use of Old Testament traditions particularly those relating to new covenant and second exodus exilic return traditions From this investigation a contextual hypothesis is proposed along with a critique of competing contextual theories The book concludes with two appendices which apply the contextual hypothesis to the crucial interpretative issue in 6 14a Although the author's contextual hypothesis is not dependent upon any one interpretative solution in 6 14a it nonetheless offers some fresh insight into the questions of who the unbelievers are and what the unequal yoke is

The Old Testament Between Theology and History Niels Peter Lemche, 2008-01-01 From its inception at the time of the Enlightenment until the mid twentieth century the historical critical method constituted the dominant paradigm in Old Testament studies In this magisterial overview Niels Peter Lemche surveys the development of the historical critical method and the way it changed the scholarly perception of the Old Testament In part 1 he describes the rise and influence of historical critical approaches while in part 2 he traces their decline and fall Then in part 3 he discusses the identity of the authors of the Old Testament based on the content of the literature they wrote demonstrating that the collapse of history does not preclude critical study Part 4 investigates the theological consequences of this collapse and surveys Old Testament and biblical theology in its various manifestations in the twentieth century An appendix includes a history of Palestine from the Stone Age to modern times constructed without recourse to the Old Testament

The New Covenant in the Old Testament David H. Roper, 1976-07 *Mercer Dictionary of the Bible* Watson E. Mills, Roger Aubrey Bullard, 1990 Jesus Christ in History and Scripture highlights two related bases for the current revolution in Jesus studies 1 a critically chastened world view that is satisfied with provisional results and 2 a creative or poetic use of the sources of study of Jesus

Old Testament Law for Christians Roy E. Gane, 2017-08-22 The Old Testament law is foundational for our understanding of the Bible but for many it remains some of the Old Testament's most foreign and exotic material This book by a leading evangelical expert in biblical law helps readers understand Old Testament law how it functioned in the Old Testament and how it is and is not instructive for contemporary Christians The author explicates the often confusing legal system of ancient Israel differentiates between time bound cultural aspects of Israelite law and universally applicable aspects of the divine value system and shows the ethical relevance of Old Testament law for Christians today

Preaching Christ from the Old Testament Sidney Greidanus, 1999-07-13 Arguing for the need both to preach Christ in every sermon and to preach regularly from the Old Testament Sidney Greidanus develops a christocentric method that will

help preachers do both simultaneously Greidanus challenges Old Testament scholars to broaden their focus and to understand the Old Testament not only in its own historical context but also in the context of the New Testament Suggesting specific steps and providing concrete examples this volume provides a practical guide for preaching Christ from the Old Testament Bible Covenants Randy Colver,2009-09-03 *Old Testament Theology* Robin Routledge,2020-05-21

Numerous useful books on Old Testament theology are now available However they often give too much information or too little Some can seem large and daunting to the ordinary student or pastor and because of their layout information may be hard to access Others take a more introductory approach and do not deal with many of the theological issues and questions that the Old Testament raises Robin Routledge s aim is to bridge this gap He provides a substantial overview of the central issues and themes in Old Testament theology in the main body of the text with more detailed discussion and references for further reading in the footnotes His purpose is to examine the theological significance of the various texts in their wider canonical context noting unity and coherence within the Old Testament and to some extent between the Old and New Testaments whilst also being aware of diversity A brief outline of the relationship between exegesis and biblical theology within the overall task of interpreting and applying biblical material is given in the first chapter His hope as a Christian minister is that while this volume has grown out of a teaching context and is intended for students it will also be of benefit to others who want to take the theological content of the Old Testament seriously and to apply its message to the life and ministry of the church today *New Covenant Truths* Nick Bitakis,2019-01-03 As believers under the New Covenant we should understand the truths and principles of this new covenant We should know that it is a much better covenant than the Old Covenant Too many believers are mixing the Old Covenant with the New Covenant which Jesus warned us not to do In *New Covenant Truths* the New Covenant is contrasted with the Old Covenant as far as doctrine Christian living and even future things Hopefully after reading *New Covenant Truths* the believer will be helped to live a free and full life in Christ

Eschatology in the Old Testament Donald Gowan,1998-08-01 Using a canonical approach in which he explores the Old Testament as a whole rather than the teachings of individual Old Testament authors Professor Gowan traces the hopes of the people of Israel for a better future He concludes that for God to make things right a three fold transformation of the world must take place God must transform the human person human society and nature itself This is a modern comprehensive introduction to eschatology in the Old Testament and includes a new introduction

New Covenant In The Old Testament Book Review: Unveiling the Magic of Language
