Made-in-Canada Humour Beverly J. Rasporich, 2015-09-15 Made in Canada Humour is an interdisciplinary survey and analysis of Canadian humour and humorists in the nineteenth and twentieth centuries The book focuses on a variety of genres It includes celebrated Canadian writers and poets with ironic and satiric perspectives oral storytellers of tall tales in the country and the city newspaper print humorists representative national and regional cartoonists and comedians of stage radio and television The humour gives voice to Canadian values and experiences and consequently techniques and styles of humour particular to the country While a persistent comic theme has been joking at the expense of the United States both countries have influenced one another's humour Canada's unique humorous tradition also reflects its emergence from a colonial country to a postcolonial and postmodern nation with contemporary humour that addresses gender and racial issues

The Primer of Humor Research Victor Raskin, 2008-11-06 The book is intended to provide a definitive view of the field of humor research for both beginning and established scholars in a variety of fields who are developing an interest in humor and need to familiarize themselves with the available body of knowledge Each chapter of the book is devoted to an important aspect of humor research or to a disciplinary approach to the field and each is written by the leading expert or emerging scholar in that area There are two primary motivations for the book The positive one is to collect and summarize the impressive body of knowledge accumulated in humor research in and around Humor The International Journal of Humor Research The negative motivation is to prevent the embarrassment to and from the first timers often established experts in their own field who

venture into humor research without any notion that there already exists a body of knowledge they need to acquire before publishing anything on the subject unless they are in the business of reinventing the wheel and have serious doubts about its being round The organization of the book reflects the main groups of scholars participating in the increasingly popular and high powered humor research movement throughout the world an 800 to 1 000 strong contingent and growing The chapters are organized along the same lines History Research Issues Main Directions Current Situation Possible Future Bibliography and use the authors definitive credentials not to promote an individual view but rather to give the reader a good comprehensive and condensed view of the area
