

"Yeah... I just... think i'm gonna split" Jason told his friend Connor. Jason was kinda nervous and just wanted to go home, it had been a rough day anyway. "I thought we had a good time" Connor said, sad thinking they had a goodnight and disappointed that his friend just wanted to leave.

The FOSE had hit Jason's town. The FOSE would swap anyone orgasming with the person that they were thinking of at the time. Unlucky for Jason, he was masturbating to his friend's girlfriend Hannah. And when it hit, he found himself in her body on the other side of town.

He jolted up and Hannah's long brunette hair brushed past him. He was smaller now and had long slender legs. What's worse is he now had to explain to his friend Connor that it was him in his girlfriend's body.

The news didn't go down well but he eventually came round with the idea that his best friend was now his girlfriend. To apologise and get used to his new body, Jason took Connor out for an evening meal. It was at nice restaurant and they had fun. Jason forgot for a while he was ever a boy and looked like he was really getting used to his body.

They took a stroll through the park after and Jason realised where the night was going. "I think i'm gonna split" he said to Connor, nervous and just wanting to go home. "Okay dude, thanks anyway" he said shyly, disappointed that the date didn't go anywhere.

Jason felt guilty that he friend was so let down, so he ran back up to him and passionately kissed him. It was a rush and he never felt anything like it before. Maybe a second date wouldn't be out of the question.
