New Epigraphic Evidence From The Biblical Period:

New Epigraphic Evidence from the Biblical Period Robert Deutsch, Michael Heltzer, 1995 **Ancient Hebrew Inscriptions** Graham I. Davies, 2004 *Reflections on the Silence of God* Bob E.J.H. Becking, 2013-10-02 In their recent book *The Silent God* Marjo Korpel and Johannes de Moor presented a provocative view on the concept of divine silence in ancient Israel In their view divine silence can be explained as an answer to a variety of circumstances Additionally they opt for the view that divine silence needs to be answered by appropriate human conduct The essays in this volume applaud and challenge their views from different perspectives exegetical ancient Near Eastern semantic philosophical etc Some authors hint at the view that divine silence should be construed as an indication of divine absence Korpel and De Moor give a learned response to their critics Contributors include Bob Becking Joel Burnett Meindert Dijkstra Walter Dietrich Matthijs de Jong Paul Sanders Marcel Sarot Anne Mareike Wetter Marjo Korpel and Johannes C de Moor **Family and Household Religion in Ancient Israel and the Levant** Rainer Albertz, Rüdiger Schmitt, 2012-04-12 During the past several decades family and household religion has become a topic of Old Testament scholarship in its own right fed by what were initially three distinct approaches the religious historical approach the gender oriented approach and the archaeological approach The first pursues answers to questions of the commonality and difference between varieties of family religion and describes the household and family religions of Mesopotamia Syria Ugarit Israel Philistia Egypt Greece and Rome Gender oriented approaches also contribute uniquely important insights to family and household religion Pioneers of this sort of investigation show that although women in ancient Israelite societies were very restricted in their participation in the official cult there were familial rituals performed in domestic environments in which women played prominent roles especially as related to fertility childbirth and food preparation Archaeologists have worked to illuminate many aspects of this family religion as enacted by and related to the nuclear family unit and have found evidence that domestic cults were more important in Israel than has previously been understood One might even conceive of every family as having actively partaken in ritual activities within its domestic environment Family and Household Religion in Ancient Israel and the Levant analyzes the appropriateness of the combined term family and household religion and identifies the types of family that existed in ancient Israel on the basis of both literary and archaeological evidence Comparative evidence from Iron Age Philistia Transjordan Syria and Phoenicia is presented This monumental book presents a typology of cult places that extends from domestic cults to local sanctuaries and state temples It details family religious beliefs as expressed in the almost 3 000 individual Hebrew personal names that have so far been recorded in epigraphic and biblical material The Hebrew onomasticon is further compared with 1 400 Ammonite Moabite Aramean and Phoenician names These data encompass the vast majority of known Hebrew personal names and a substantial sample of the names from surrounding cultures In this impressive compilation of evidence the authors describe the variety of rites performed by families at home at a neighborhood shrine or at work Burial

rituals and the ritual care for the dead are examined A comprehensive bibliography extensive appendixes and several helpful indexes round out the masterful textual material to form a one volume compendium that no scholar of ancient Israelite religion and archaeology can afford not to own Israel Daniel Isaac Block,2008 Israel Ancient Kingdom or Late Invention is a collection of essays responding to the radical claims that Israel and its history actually began following the Babylonian exile and that the history of Israel we read about in the Bible is a fictionalized account Contributors are leading Bible and archaeology scholars who bring extra biblical evidence to bear for the historicity of the Old Testament and provide case studies of new work being done in the field of archaeology and Old Testament studies Age of Empires Oded Lipschits,2021-07-28 Storage jars of many shapes and sizes were in widespread use in the ancient world transporting and storing agricultural products such as wine and oil crucial to agriculture economy trade and subsistence From the late 8th to the 2nd century BCE the oval storage jars typical of Judah were often stamped or otherwise marked in the late 8th and early 7th century BCE with lmlk stamp impressions later in the 7th century with concentric circle incisions or rosette stamp impressions in the 6th century after the fall of Jerusalem with lion stamp impressions and in the Persian Ptolemaic and Seleucid periods late 6th late 2nd centuries BCE with yhwd stamp impressions At the same time several ad hoc systems of stamp impressions appeared private stamp impressions were used on the eve of Sennacherib s campaign mw h stamp impressions after the destruction of Jerusalem and yr lm impressions after the establishment of the Hasmonean state While administrative systems that stamped storage jars are known elsewhere in the ancient Near East the phenomenon in Judah is unparalleled in its scale variety and continuity spanning a period of some 600 years without interruption This is the first attempt to consider the phenomenon as a whole and to develop a unified theory that would explain the function of these stamp impressions and shed new light on the history of Judah during six centuries of subjugation to the empires that ruled the region as a vassal kingdom in the age of the Assyrian Egyptian and Babylonian empires and as a province under successive Babylonian Persian Ptolemaic and Seleucid rule A Corpus of Ammonite Inscriptions Walter E. Aufrecht,2019-05-22 This second edition of A Corpus of Ammonite Inscriptions presents all of the published inscriptions that have been identified as Ammonite in one volume Each entry is accompanied by a complete bibliography a physical description and details about its location a photograph and or drawing relevant linguistic information and a history of the inscription s interpretation The discovery of the Amman Theater Inscription Amman Citadel Inscription Tall S r n Bottle isb n Ostraca and Tall al Mazar Ostraca opened a new chapter in the study of ancient Northwest Semitic inscriptions with the recognition and analysis of the language and script of ancient Ammon These new discoveries prompted a reclassification of a number of epigraphs previously identified as Hebrew Phoenician or Aramaic Since the first edition of this corpus the discussion of the criteria used to classify inscriptions as Ammonite including provenance language onomastics paleography and iconography has advanced considerably In addition the number of known inscriptions has increased This updated edition

includes 254 additional inscriptions four new appendixes and in many cases new and improved images From David to Gedaliah Bob Becking, 2007 The ten essays in this volume all deal with various aspects of the interpretation of the Book of Kings Bob Becking tries to set a course between Scylla and Charibdis Both minimalism and maximalism are avoided by trying to apply a variety of methods narratology historical criticism and theological analysis This implies that extra biblical evidence the Tell Dan inscription Assyrian royal inscriptions West Semitic seal inscriptions are taken into account Selected texts from this biblical book are read on the basis of a three dimensional matrix 1 the narrative character of the story stories 2 the value and function of extra biblical material be it of an epigraphical or an archaeological character 3 the art of history writing both ancient and modern The essays are arranged according to the order in which the relevant texts or their main characters figure in the Book of Kings Originally published between 1987 and 2005 they have been updated for publication in the present collection **The Biblical World** Katharine J.
