How Much Does God Foreknow? Steven C. Roy, 2006-08-23 Steven C Roy provides a comprehensive review of biblical teaching from both Old and New Testaments which provides the basis for critically engaging today's philosophical and theological debates ***River of Delights, Volume 1*** Rick Howe, 2015-02-27 In a day when many see Christian faith primarily as disapproval River of Delights embraces a joyful vision of life from our enjoyment of God to delight in our most important relationships pleasure in our most significant endeavors and the adventurous joy of being an agent of God's Kingdom in the world In a day when many regard Christian faith as irrelevant River of Delights shows how joy connects with our deepest longings and highest aspirations and touches every facet of our lives In a day when many view Christian faith as a set of obscure doctrines and rigid rules River of Delights focuses on the God whose radiant joy eclipses all else whose beauty steals our breath and whose goodness beckons us into a life changing life enriching relationship that will never end River of Delights will not only immerse you in the Scriptures it will introduce you to theologians past and present and initiate you into a growing band of Christians who see following Jesus as a path and portal to flourishing in life ***Axis of Glory*** Dan Liroy, 2010 In Axis of Glory Dan Liroy conducts a biblical and theological analysis of the temple motif as a conceptual and linguistic framework for understanding Scripture His investigation takes a fresh look at the topic assesses a representative group of the Judeo Christian writings through the various prisms of secondary literature and offers a synthesis of what appears in the biblical data The author notes that references and allusions connected with the temple motif crisscross the entire literary landscape of Scripture An additional finding is that the presence of the shrine concept is comparable to a series of rhetorical threads that join the fabric of God's Word and weaves together its seemingly eclectic and esoteric narratives into a richly textured multicolored tapestry The author concludes that the Bible's theocentric and Christocentric emphases are heightened in their intensity and sharpened in their focus due to the temple motif making its way through the pages of the sacred text beginning with the opening chapter of Genesis and ending with the final chapter of Revelation
