New Jersey Volume 1:

Documents of the ... Legislature of the State of New Jersey New Jersey. Legislature,1872 **Annual Report of the State Librarian of New Jersey** New Jersey State Library,1863 *The Pennsylvania Railroad, Volume 1* Albert J. Churella,2012-10-29 Do not think of the Pennsylvania Railroad as a business enterprise Forbes magazine informed its readers in May 1936 Think of it as a nation At the end of the nineteenth century the Pennsylvania Railroad was the largest privately owned business corporation in the world In 1914 the PRR employed more than two hundred thousand people more than double the number of soldiers in the United States Army As the self proclaimed Standard Railroad of the World this colossal corporate body underwrote American industrial expansion and shaped the economic political and social environment of the United States In turn the PRR was fundamentally shaped by the American landscape adapting to geography as well as shifts in competitive economics and public policy Albert J Churella s masterful account certain to become the authoritative history of the Pennsylvania Railroad illuminates broad themes in American history from the development of managerial practices and labor relations to the relationship between business and government to advances in technology and transportation Churella situates exhaustive archival research on the Pennsylvania Railroad within the social economic and technological changes of nineteenth and twentieth century America chronicling the epic history of the PRR intertwined with that of a developing nation This first volume opens with the development of the Main Line of Public Works devised by Pennsylvanians in the 1820s to compete with the Erie Canal Though a public rather than a private enterprise the Main Line foreshadowed the establishment of the Pennsylvania Railroad in 1846 Over the next decades as the nation weathered the Civil War industrial expansion and labor unrest the PRR expanded despite competition with rival railroads and disputes with such figures as Andrew Carnegie and John D Rockefeller The dawn of the twentieth century brought a measure of stability to the railroad industry enabling the creation of such architectural monuments as Pennsylvania Station in New York City The volume closes at the threshold of American involvement in World War I as the strategies that PRR executives had perfected in previous decades proved less effective at guiding the company through increasingly tumultuous economic and political waters *Income Tax in Common Law Jurisdictions: Volume 1, From the Origins to 1820* Peter Harris,2006-11-16 Publisher Description Compiled Statutes of New Jersey: abatement - civil service New Jersey,1911 New Jersey Index of Wills, Inventories, Etc New Jersey. Department of State,2004 **Water Resources Data for New Jersey** ,1985 *Publications Catalog of the U.S. Department of Commerce* United States. Department of Commerce. Office of Publications,1980 Proceedings of the New Jersey Historical Society New Jersey Historical Society,1906 Monthly Catalog of United States Government Publications ,2004
