Dignity and Duties of the Priest Or Selva St Alphonsus Liguori, 2009-06 460 pages Dignity and Duties of the Priest or Selva A Collection of Materials for Ecclesiastical Retreats Rule of Life and Spiritual Rules by a Doctor of the Church St Alphonsus Liguori An excellent book to assist the priest to live a virtuous and holy life As a layman I have benefited greatly from reading this wonderful book and applying it to my life Publisher Dignity and Duties of the Priest Saint Alphonsus de Liguori, Aeterna Press, The dignity of the priest is also estimated from the power that he has over the real and the mystic body of Jesus Christ With regard to the power of priests over the real body of Jesus Christ it is of faith that when they pronounce the words of consecration the Incarnate Word has obliged himself to obey and to come into their hands under the sacramental species We are struck with wonder when we hear that God obeyed the voice of Josue The Lord obeying the voice of man and made the sun stand when he said move not O sun towards Gabaon and the sun stood still Ministers and People under Special Obligation to Sanctity, Humility & Gratitude; for the great grace given them in the preached Gospel. A sermon on a day of prayer, kept by the North Church in Boston ... to implore the divine direction in their election of another pastor Benjamin COLMAN, 1732 *The American Ecclesiastical Review* Herman Joseph Heuser, 1961 The Eternal Priesthood Henry Edward Manning, 1884 **The Holy Priest** William Edward McLaren (bp. of Chicago.), 1899 **Fathers, Pastors and Kings** Alison Forrester, 2013-07-19 This electronic version has been made available under a Creative Commons BY-NC-ND open access license This book explores how conceptions of episcopacy government of a church by bishops shaped the identity of the bishops of France in the wake of the reforming Council of Trent 1545-63 It demonstrates how the episcopate initially demoralised by the Wars of Religion developed a powerful ideology of privilege leadership and pastorate that enabled it to become a flourishing participant in the religious political and social life of the ancien regime The book analyses the attitudes of Tridentine bishops towards their office by considering the French episcopate as a recognisable caste possessing a variety of theological and political principles that allowed it to dominate the French church **Priestly Identity** Thomas J. McGovern, 2010-04-01 It is generally accepted that since the end of Vatican II there has been a crisis in the Catholic priesthood This is reflected in two areas in particular defections from the priesthood and a serious decline in vocations primarily in the developed countries of the West John Paul II has addressed this situation many times during his pontificate especially in *Pastores dabo vobis* where he offers a clear theological vision and a program of formation to overcome the current crisis of priestly identity In his new book McGovern offers a deep analysis of the Pope's theology of priesthood

drawing not only from Pastores dabo vobis but also from his Holy Thursday Letters and other important writings on this topic In this study the author deals with core aspects of priestly identity under three main headings theological spiritual and pastoral in the context of service to the lay faithful and the evangelization required of the Church in the new millennium

Treatise on the Love of God: Treatise on the Priesthood Saint John of Avila, 2014-10-24 I invite everyone to look to Saint John of Avila hoping that the word and the example of this outstanding pastor will enlighten all priests and those who look forward to the day of their priestly ordination With these words Pope Benedict XVI at the 2011 World Youth Day celebration in Madrid announced his intention to declare Saint John of Avila a Doctor of the Universal Church This small book is in some sense an answer to the Pope's desire to look to this great saint by introducing us to two of his most important treatises On the Love of God and On the Priesthood This present volume wants to bring this still unknown saint closer to the English speaking world thus helping the people of God especially their priests inflame their spiritual lives *An Exposition of the Bible* Marcus Dods, Robert Alexander Watson, 1907 *Sermons for Every Sunday in the Year, and for the Leading Holidays of Obligation* William Gahan, 2024-01-29 Reprint of the original first published in 1875 **A Law Book for the Diaspora** John Van Seters, 2003 The foundation for all scholarly study in biblical law is the shared assumption that the Covenant Code as contained in Exodus 20 23 22 33 is the oldest code of laws in the Hebrew Bible and that all other laws are later revisions of that code The author of this text strikes that foundation **Priestly Presence** John C. Nugent, 2024-05-21 The Western church is in a state of decline chaos and confusion while the wider world remains divided on how to heal its broken societies Too many Christian approaches to engaging that wider world put believers at odds with one another and compromise their witness We need a fresh approach that pinpoints the problems fosters church unity and strengthens Christian witness Priestly Presence frames church world relations in terms of the fourfold office of Christ prophet priest king and servant This framework enables a new approach that integrates the strengths of existing efforts while overcoming their liabilities It centers its reflections on the priestly witness Scripture identifies God's people as a priestly community We should relate to unbelievers as Israel's priests did to wider Israel Too often we reduce the priestly image to that of a narrow caste of temple servants yet the majority of Israel's priestly line served broader functions Developing a priestly model rooted in this wider view provides the church with a compelling vision for carrying out its priestly vocation to the world Priestly Presence explores five dimensions of holistic priestly service These include priestly residence hospitality stewardship witness and praise Nugent explores the meaning of each dimension for church world relations and fleshes out several practical implications for local congregations In so doing he provides a compelling approach to church world relations that today's fractured church desperately needs *The Expositor's Bible: The Book of Leviticus* Dr. Samuel Henry Kellogg, 2020-09-28

Gospel Doctrine Joseph Fielding Smith, 1919 **Living Church Quarterly**, 1899 Wholeness and Holiness Michael Glasby, 2019-01-07 In this ground breaking book distinguished consultant clinical neurophysiologist Michael Glasby turns to

the Bible to ask whether the practices of the Levitical priesthood might in any way have shared features of what we now commonly call public healthcare contributing to the well being of individuals and society Is it the case that the priesthood understood some rudimentary elements of healthcare or is this commonly held view merely the result of modern opinion formed perhaps inappropriately through an accumulation of later redaction and exegesis
