Public Management The New Zealand Model

Tom Christensen, Per Lægreid

Public Management The New Zealand Model:

Public Management Jonathan Boston,1996 This work describes and critically assesses the merits of the new model of public management in New Zealand It examines the model s theoretical origins and identifies the administrative principles and doctrines upon which it is based It also explores how the new model operates in practice how its outcomes compare with those intended and what impact it has had both positive and negative on the governance of New Zealand *New Zealand*

Under MMP Jonathan Boston,1996 Prepared as part of a three year research project begun in mid 1995 based at the Victoria University of Wellington and known as The New Zealand political change project the impact of electoral system change in a small democracy P x **Evaluation in Public-sector Reform** Hellmut Wollmann,2003-09-26 Articles from internationally renowned scholars highlighting the connections between public sector reform and evaluation

The New Public Management Michael Barzelay,2001-02-15 How policymakers should guide manage and oversee public bureaucracies is a question that lies at the heart of contemporary debates about government and public administration In their search for better systems of public management reformers have looked in particular at the United Kingdom Australia and New Zealand These countries are exemplars of the New Public Management a term used to describe distinctive new themes styles and patterns of public service management Calling for public management to become a vibrant field of public policy this valuable book consolidates recent work on the New Public Management and provides a basis for improving research and policy debate on managing public bureaucracies A copublication with the Russell Sage Foundation **The Ashgate Research Companion**

to New Public Management Tom Christensen,Per Lægreid,2016-03-23 This collection provides a comprehensive state of the art review of current research in the field of New Public Management NPM reform Aimed primarily at a readership with a special interest in contemporary public sector reforms The Ashgate Research Companion to New Public Management offers a refreshing and up to date analysis of key issues of modern administrative reforms This volume comprises a general introduction and twenty nine chapters divided into six thematic sessions each with chapters ranging across a variety of crucial topics in the field of New Public Management reforms and beyond The principal themes to be addressed are

Integrating new values into Mongolian public management Badarch, Kherlen,2014-02-18 This dissertation explores the socio cultural and institutional environment of the public sector organizations of Mongolia that have strong influence on current public administration reform results This study applies the Cultural theory and Value theory The strong hierarchy favoring rule bounded behavior and collectivism fatalism accepting an authority as inevitable and uncontrollable and individualism wishing to have control over own actions are the types of culture common in Mongolian public sector organizations Accordingly Mongolian public sector employees transcending their selfish interests emphasize the well being of others protection of order harmony in relations life safety and stability Then self direction values with emphases on independent thought and action and creativity are important for them This socio cultural context has great implication for

work behavior of public employees for their action to implement the reform policies in government organizations Thus the institutional leadership which produces and protects values becomes essential for introducing changes in the existing intuitional environment

Transcending New Public Management Per Laegreid,2017-03-02 Following on from the success of the editors previous book New Public Management The Transformation of Ideas and Practice which examined the public reform process up to the end of the last decade this new volume draws on the previous knowledge both theoretically and empirically It examines and debates the post new public management reform development in Denmark Norway Sweden Australia and New Zealand The ideal follow up to the previous volume this book includes many of the same contributors in addition to some fresh voices and is a must for anyone looking for an integrated framework of analysis Comprehensive and analytical it is an important contribution to the study of public administration and particularly to the reform of public management

International Handbook of Public Management Reform Shaun Goldfinch,Joe Wallis,2009-01-01 This volume presents a compelling package for anyone interested in public sector reform It effectively combines a wide range of well researched reviews of national experiences with state of the art thematic chapters in key reform areas such as IT governance public sector leadership and accountability The result is a robust insightful and sometimes sobering series of accounts of the promises and pitfalls of efforts to reform the institutions and practices of public governance around the world A must read Paul t Hart Australian National University This major Handbook provides a state of the art study of the recent history and future development of international public management reform Through a careful cross country analysis spanning the last three decades this timely volume critically evaluates whether countries are converging towards a single public management model The book goes on to investigate unresolved issues surrounding leadership e government accountability and computer systems failure currently facing reformers Shaun Goldfinch and Joe Wallis have brought together a number of eminent scholars from across Europe Asia North America and Australasia to explore the role of economic ideas human resources and the state of public management reform in twelve countries Providing a broad global overview of public management and facilitating a greater understanding of the difficult issue of reform this book will find widespread appeal amongst academics and postgraduate students of public administration as well as practitioners in the field

Encyclopedia of Public Administration and Public Policy: K-Z Jack Rabin,2003 From the Nuremberg trials to the Civil Service Reform Act of 1978 to recent budget reconciliation bills the Encyclopedia of Public Administration and Public Policy provides detailed coverage of watershed policies and decisions from such fields as privatization biomedical ethics education and diversity This second edition features a wide range of new topics including military administration government procurement social theory and justice administration in developed democracies It also addresses current issues such as the creation of the Department of Homeland Security and covers public administration in the Middle East Africa Southeast Asia the Pacific and Latin America

Public Management: Policy making, ethics and accountability in public

management Stephen P. Osborne, 2002 Since the 1980s the public sector has been undergoing major changes throughout the Western industrialized world the transitional economies of central and Eastern Europe Latin America and South East Asia The main thrust of these changes has been to bring public sector management practices closer to those of the private sector This raises the question of how far public and private sector management are comparable This set examines the relationships between public sector and private sector management in terms of both classical management theory and the new public management that emerged in the 1980s and 1990s While the collection concentrates on articles from the last 20 years some historical pieces are also included The four volumes are arranged along the following lines volume 1 for and against the public sector volume 2 managing the plural state volume 3 broadening the public management perspective and volume 4 from policy to practice in public services The Global Public Management Revolution Donald F. Kettl, 2006-05-24 Over the last quarter century governments around the world have launched ambitious efforts to reform how they manage their programs Citizens have demanded smaller cheaper more effective governments They have also asked for more programs and better services To resolve this paradox governments have experimented with scores of ideas to be more productive improve performance and reduce costs In this new edition of The Global Public Management Revolution Donald F. Kettl charts the basic models of reform that are being employed worldwide Reviewing the standard strategies and tactics behind these reforms Kettl identifies six common core ideas the search for greater productivity more public reliance on private markets a stronger orientation toward service more decentralization from national to subnational governments increased capacity to devise and track public policy and tactics to enhance accountability for results Kettl predicts that reform and reinvention will likely become mantras for governments of all stripes Ultimately this strategy means coupling the reform impulse with governance government's increasingly important relationship with civil society and the institutions that shape modern life Staff Participation and Public Management Reform D. Farnham, A. Hondeghem, S. Horton, 2005-06-07 This book explores the role of civil servants and their trade unions in the public management reform process framing it in its economic social cultural and legal contexts Building on neo institutional and stakeholder theories the book shows how staff and their representative organisations have influenced the formulation and implementation of public management reforms in twelve OECD countries This study challenges top down elite theories that have dominated the existing literature explaining how staff participation practices both direct and indirect have impacted on the implementation of reforms in different ways in different countries The book concludes that variations in staff participation in the reform process depend upon institutional and political factors and the distribution of power in the employment relationship **Public Administration & Public Management** Jan-Erik Lane, 2006-08-21 A perspective on the public sector that presents a concise and comprehensive analysis of exactly what it is and how it operates Governments in any society deliver a large number of services and goods to their populations To get the job done they need public management in order to steer resources employees money and laws

into policy outputs and outcomes In well ordered societies the teams who work for the state work under a rule of law framework known as public administration This book covers the key issues of the principal agent framework and the public sector public principals and their agents the economic reasons of government public organization incentives and rationality in government the essence of public administration legality and the rule of law public policy criteria the Cambridge and Chicago positions public teams and private teams public firms public insurance public management policy Public Administration Public Management is essential reading for those with professional and research interests in public administration and public management

State Management Jan-Erik Lane, 2009-05-15 State Management offers a comprehensive yet concise introduction to the new field of state management systematically examining the key approaches to the study of how government attempts to achieve successful delivery of public services discussing the pros and cons of alternative frameworks of analysis

Public Management Reform Christopher Pollitt, Geert Bouckaert, 2011-09-08 Provides a comparative analytic account of public management thinking and reform in twelve developed countries over a period of thirty years page 1

Public Management and Administration Owen E. Hughes, 2017-11-10 Introducing the scope and scale of government competing approaches to the study of management in the public sector different forms of service delivery and the major topics in the subject such as strategic management leadership and performance management this book continues to be a key point of reference for lecturers and students in the field This leading text has been completely revised and updated throughout It covers the whole field of public management and administration offering discrete chapters on the main topics in the field

The Oxford Handbook of Public Management Ewan Ferlie, Laurence E. Lynn, Christopher Pollitt, 2007 The public sector continues to play a strategic role across the world and in the last thirty years there have been major shifts in approaches to its management This text identifies the trends in public management and the effects these have had as well as providing a broad overview to each topic

Public Management: The plural state Stephen P. Osborne, 2002

Handbook of Public Management Practice and Reform Kuo-Tsai Liou, 2019-09-16 Outlining the origins motivations strategies implementations and effectiveness of reform policies and programs Handbook of Public Management Practice and Reform examines changes and challenges in major areas of public administration including budgeting finance human resources and organizational management reviews the lessons of reform and addresses new ideas and emerging issues Discussing the development and contribution of public administration education research and professional associations the book covers decentralization and deregulation institutional arrangement and support and cooperation between public and nonprofit organizations

Complexity Theory in Public Administration Elizabeth Anne Eppel, Mary Lee Rhodes, 2020-05-21 This book reframes theoretical methodological and practical approaches to public administration by drawing on complexity theory concepts It aims to provide alternative perspectives on the theory research and practice of public administration avoiding assumptions of traditional theory building The contributors explain both how ongoing non

linear interactions result in macro patterns becoming established in a complexity informed world view and the implications of these dynamics Complexity theory explains the way in which many repeated non linear interactions among elements within a whole can result in processes and patterns emerging without design or direction thus necessitating a reconsideration of the predictability and controllability of many aspects of public administration As well as illustrating how complexity theory informs new research methods for studying this field the book also shines a light on the different practices required of public administrators to cope with the complexity encountered in the public policy and public management fields This book was originally published as a special issue of the Public Management Review journal
