Schlosser, Leonardo Morlino**

## **Public Opinion And The Political Future Of The Nations Capital:**

*Public Opinion and the Political Future of the Nation's Capital* Edward M. Meyers, 1996-06-01 Despite widespread agreement that the District of Columbia's political system has collapsed there is a serious lack of thoughtful proposals addressing the political future of the nation's capital In this book Edward M Meyers examines the opinions of average Americans about Washington D C in order to understand how many Americans are likely to approach the question of what reforms are needed Meyers first explores the political economic and social conditions of the District providing an informed context for understanding and evaluating its political options Presenting the results of in depth qualitative research with focus groups held across the country Meyers reveals that regardless of the participants knowledge about the District their beliefs in six basic concepts or schemata such as respect for democratic rights attitudes about race and aversion to an intrusive federal government molded their opinions about various options for District self governance The book concludes with insights into the District by local and national political leaders including OMB Director Alice Rivlin Jesse Jackson Representatives Eleanor Holmes Norton Thomas Davis and James Walsh and Marion Barry

**The Politics of the Black Nation** Georgia A. Persons, 2017-07-12 This volume of the National Political Science Review the official publication of the National Political Science Association is anchored by a major symposium on The Politics of the Black Nation the book authored by Matthew Holden in 1973 which is now considered one of the most influential books in the field of black politics Twenty five years provide a sufficient timespan on which to base a retrospective of the book and simultaneously to reflect upon the evolution of the black liberation struggle more formally called African American politics In the present age there is not much talk about a black nation certainly not as was heard during the 1960s and mid 1970s Yet there is a persistent sense of separateness in that there is constant thought and talk of Black America as a significantly separate communal entity Black Americans are seen as a racially and culturally distinct community holding to social political economic interests which have special significance and poignancy for them Holden's perception of the nature of the times in the early seventies stands in sharp contrast to how contemporary analysts of African American politics tend to perceive the nature of African Americans role in political life and their position in American society in the present age In this retrospective readers have the opportunity to get a sense of what Holden argued of the seven essays that make up his seminal volume and to consider how well Holden's observations have stood the tests of time In addition to the essays presented at the symposium which pointedly discuss Holden's work there are essays dealing with African American Politics in Constancy and Change by contributors including Charles Henry David Covin Robert C Smith Clyde Lusane Cheryl Miller D Linell Finley and Sekou Franklin among others Other features are a highly informative discussion of the Literary Digest magazine's Straw Vote Presidential Polls 1916 1936 and a *Home Rule Or House Rule* Michael K. Fauntroy, 2003 This book presents a political analysis of the relationship between Congress and the local government of Washington D C It examines the influence of suburban members

of Congress on District affairs the fiscal crisis of the 1980s and 1990s governmental inefficiency and the Control Board  
*District of Columbia Appropriations for 1998* United States. Congress. House. Committee on Appropriations. Subcommittee on District of Columbia Appropriations,1998      *The Last of the Black Emperors* Jonetta Rose Barras,1998  
 Offering a gripping informative and balanced assessment of Mayor Marion Barry this book reveals how a crafty first generation civil rights era politician pulled off his amazing return to power 24 photos      *The Legacy of Mayor Anthony Williams* Ray Crawford Jr.,2020-01-22 The Legacy of Mayor Anthony Williams Economic Development in the Federal City examines the leadership of former Washington D C Mayor Anthony Williams during his tenure in the office from 1998 to 2006  
 The first purpose of this book is to provide an analytical tool for effective mayoral leadership that will be appropriate for the unique characteristics of Washington DC which may also be applicable to other jurisdictions that have similar issues The second purpose is to address the gap in academic analysis with a specific focus on political leadership at the mayoral level This book therefore proffers the hypothesis that the performance of a scientific study with a specific focus on the issue of mayoral leadership within Washington DC will increase the probability of effective mayoral leadership in the future

**Guide to Congress** CQ Press,2012-08-10 The new edition of this comprehensive two volume reference has been thoroughly revised and expanded by expert CQ Press writers with years of experience covering Congress to offer a complete institutional history of Congress along with updated insight and analysis on the 2008 and 2010 shifts in power of the U S Senate and House of Representatives The 35 chapters of Guide to Congress Seventh Edition are divided into eight subject areas that cover all aspects of the U S Congress Origins and Development of Congress from the constitutional beginnings of the legislative branch to the histories of the House and Senate and their power shifts eras of partisanship and unity influential leaders and working relationships with presidents New coverage includes analysis of the tug of war between House Democrats and the George W Bush administration on Iraq war withdrawal timetables updates on criminal investigations of House members including William J Jefferson of Louisiana and Charles Rangel of New York and analysis of the Tea Party Movement and new Republican majority Powers of Congress including powers to tax spend and borrow to conduct foreign policy and investigations to confirm and impeach to regulate commerce to amend the Constitution and to select the president Updated material includes analysis of the George W Bush administration s use of immunity from questioning by congressional committees analysis of the signing of the new START treaty with Russia marking a cornerstone of U S relations with the country coverage of the War on Terror including the killing of bin Laden in a U S raid in Pakistan and perspective on the negotiations to raise the federal debt ceiling in 2011 Congressional Procedures detailing the party and leadership structures rules and the legislative process the committee system assignment and procedures and congressional staff Revised coverage profiles the methods styles and legislative successes and defeats of House Speakers Pelosi and Boehner and Senate majority leader Reid The Guide also analyzes the new hyperpartisanship emerging in

Congress and provides updates on congressional travel reforms and aide statistics and trends Pressures on Congress including influence from constituents political parties the president the Supreme Court lobbyists and the media New material explores the use of social media to communicate with constituents examines the role of the new Consumer Financial Protection Bureau and analyzes the Obama administration's relationship with Congress Housing and Support covering the U S Capitol House and Senate office buildings the Library of Congress and organizations such as the Government Accountability Office and the Congressional Research Service Updates are provided on new initiatives by the Library of Congress and reforms to the General Accounting Office Pay and Perquisites including honoraria and allowances franking and travel privileges and other benefits Updates include revised figures for congressional pay and benefits and analysis of efforts to control privately sponsored foreign travel Congress and the Electorate covering the right to vote the demographic composition of congress the role of parties in elections campaign financing and redistricting New information discusses elections statistics in recent elections the impact of third parties Tea Party gains and the creation of super PACs and 527 groups Qualifications and conduct detailing congressional ethics investigations and procedures for disciplining members Updated coverage reviews ethics investigations including the creation of the Office of Congressional Ethics Specific investigations and outcomes are discussed including the censure of Charles Rangel and disapproval of Joe Wilson's outburst during a speech by President Obama Volume 2 concludes with a selected bibliography and key reference materials a list of all members of congress who have served since 1789 congressional election results floor leaders and committee chairs dates for sessions of congress women black Asian and Hispanic members and many more Boxed features tables and figures and a generous number of photos enhance the topical coverage of this definitive resource on Congress [The Cumulative Book Index](#) ,1997 A world list of books in the English language **National Political Science Review** ,2001 **Constitutional Courts, Media and Public Opinion** Angioletta Sperti,2023-11-16 This book explores how constitutional courts have transformed communication and overcome their reluctance to engage in direct dialogue with citizens How has the information revolution affected the relationship of constitutional courts with the public and the media The book looks in detail at the communication strategies of the US Supreme Court the Supreme Court of Canada and in Europe the German Federal Constitutional Tribunal the French Conseil Constitutionnel and the Italian Constitutional Court arguing that when it comes to the relationship between courts and the media different jurisdictions share many similarities It focuses on the consequences of the communication revolution of courts both in terms of their relationship with public opinion and of the legitimacy of judicial review of legislation Some constitutional courts have attracted criticism by engaging in proactive communication and therefore arguably yielding to the temptation of public support The book argues that objections to the developing institutional communications employed by courts come from a preconceived notion of public opinion It considers the burden the communication revolution has placed on constitutional courts to achieve a balance between transparency and

seclusion proximity and distance from public opinion It puts forward important arguments for how this balance can be achieved The book will interest scholars in constitutional law and public comparative law sociologists historians political scientists and scholars of media law and communication studies      Comparative Public Opinion Cameron D. Anderson, Mathieu Turgeon, 2022-07-22 This book presents a comprehensive examination of public opinion in the democratic world Built around chapters that highlight key explanatory frameworks used in understanding public opinion the book presents a coherent study of the subject in a comparative perspective emphasizing and interrogating immigration as a key issue of high concern to most mass publics in the democratic world Key features of the book include Covers several theoretical issues and determinants of opinion such as the effects of personality age and life cycle ideology social class partisanship gender religion ethnicity language and media highlighting over time the effects of political social and economic contexts Each chapter explores the theoretical rationale mechanisms of effect and use in the scholarly literature on public opinion before applying these to the issue of immigration comparatively and in specific places or regions Widely comparative using a nine country sample Australia Canada France Germany Italy Portugal Switzerland the United Kingdom and the United States of America in the analysis of individual level determinants of public opinion about immigration and extending to other countries like Belgium Brazil and Japan when evaluating contextual factors This edited volume will be essential reading for students scholars and practitioners interested in public opinion political behaviour voting behaviour politics of the media immigration political communication and more generally democracy and comparative politics      **Political Science Abstracts** ,1997      The State Debt and the National Capital State Debt, 1920      *The Future Of Brazil* William H. Overholt, 2019-09-05 This book analyzes Brazil s foreign relations politics domestic economy international economic relations and relations with multinational corporations It identifies the balance of payments crisis in the late 1970s as the key to Brazil s economic and political future      *Public Opinion* ,1898      *International Encyclopedia of Political Science* Bertrand Badie, Dirk Berg-Schlosser, Leonardo Morlino, 2011-09-07 Developed in partnership with the International Political Science Association this must have authoritative political science resource in eight volumes provides a definitive picture of all aspects of political life      *Public Opinion, Campaign Politics & Media Audiences* Bridget Griffen-Foley, Sean Scalmer, 2017-01-30 This timely book investigates the fascinating landscape of media driven politics through the prisms of public opinion political campaigning and audiences From Indigenous voting rights and climate change to talkback radio and right wing populism Public Opinion Campaign Politics Media Audiences showcases new research in political science history and media studies Contributors scrutinise the relationship between polls party policy and voting behaviour and evaluate the roles of oratory and the media in electioneering and political communication across Australia Britain and the United States The eight chapters are based on papers delivered at a symposium to honour Murray Goot FASSA Emeritus Professor of Politics and International Relations on his retirement from Macquarie University      **The Future of Darkness: 30+ Dystopias in One Edition** Edgar

Allan Poe, William Hope Hodgson, Jack London, Ernest Bramah, Jonathan Swift, Cleveland Moffett, Anthony Trollope, Richard Jefferies, William Dean Howells, Ayn Rand, Samuel Butler, Milo Hastings, Edward Bellamy, Fritz Leiber, Irving E.
