

PUBLIC ORDER AND PRIVATE LIVES

THE POLITICS OF LAW AND ORDER

MICHAEL BRAKE AND CHRIS HALE

Public Order And Private Lives A Critique Of Conservative Criminology

**Alison Liebling, Shadd Maruna, Lesley
McAra**

Public Order And Private Lives A Critique Of Conservative Criminology:

Public Order and Private Lives (Routledge Revivals) Michael Brake,Chris Hale,2013-10-08 First published in 1992 Public Order and Private Lives is a radical examination of the political forces which shaped the law and order debate in Britain at that time The authors offer a significant and provoking analysis of Conservative policies on crime showing that ironically they created the very social conditions in which crime flourished The book argues that the Conservative government undermined basic civil liberties by its increased use of legislation as a means of control and coercion and as a result of this crime increased under their governance

Public Order and Private Lives Mike Brake,Chris Hale,1992 An examination of the political forces which shape the law and order debate in Britain providing an analysis of the Conservative agenda on crime and legislation as a means of control and coercion

Moral Rhetoric and the Criminalisation of Squatting Lorna Fox O'Mahony,David O'Mahony,Robin Hickey,2014-10-24 This collection of critical essays considers the criminalisation of squatting from a range of different theoretical policy and practice perspectives While the practice of squatting has long been criminalised in some jurisdictions the last few years have witnessed the emergence of a newly constituted political concern with unlawful occupation of land With initiatives to address the threat of squatting sweeping across Europe the offence of squatting in a residential building was created in England in 2012 This development which has attracted a large measure of media attention has been widely regarded as a controversial policy departure with many commentators Parliamentarians and professional organisations arguing that its support is premised on misunderstandings of the current law and a precarious evidence base concerning the nature and prevalence of squatting Moral Rhetoric and the Criminalisation of Squatting explores the significance of measures to criminalise squatting for squatters owners and communities The book also interrogates wider themes that draw on political philosophy social policy criminal justice and the nature of ownership to consider how the assimilation of squatting to a contemporary punitive turn is shaping the political social legal and moral landscapes of property housing and crime

Great Debates in Land Law David Cowan,Lorna Fox O'Mahony,Neil Cobb,2023-04-20 While there are plenty of land law textbooks on the market there is in general an absence of critical texts designed for law students to deepen their understanding of the subject Great Debates in Land Law provides students with the contextual and critical aspects of this exciting topic Each chapter introduces topics for debate such as Is tenancy a property or a personal right and goes on to include features such as boxed discursive notes from the authors important cases and suggestions for further reading The Great Debates series provides engaging and accessible analysis of the more advanced legal concepts For books in the major taught subjects such as land law the series is designed for use by ambitious students alongside a main course textbook For books addressing subjects that are less often taught such as family law the series provides a clear and critical exposition of the key areas of debate By focussing on particular questions and tensions underlying a subject Great Debates titles encourage students to think critically analyse a topic and gain additional

insights These skills and the discursive nature of the series with an emphasis on contentious topics are also useful for students when preparing their dissertations *Squatting and the State* Lorna Fox O'Mahony, Marc L. Roark, 2022-08-25 This book offers a fresh theoretical approach and methodology for tackling the most pressing property problems of our time

Criminology Chris Hale, Keith Hayward, Azrini Wahidin, Emma Wincup, 2013-06-13 Criminology is a broad ranging and stimulating introduction that is ideal for undergraduates approaching the subject for the first time Each chapter is written by an expert in their field and includes a range of learning features designed to help students engage with the material covered

Crime, Risk and

Insecurity Tim Hope, Richard Sparks, 2012-11-12 This book presents new empirical and conceptual work on the questions of fear anxiety risk and trust both as problems of everyday living and as key themes in the culture and politics of contemporary Western societies The volume includes contributions from distinguished social researchers from Britain the United States

Germany and Italy and will be of interest to academics and students in the areas of criminology and sociology **Managing**

Modernity Matt Matravers, 2013-09-13 In the last thirty years the USA and the UK have witnessed a profound change in the

way in which we think about and respond to crime and social control Crime has become part of everyday life as for many

citizens has imprisonment Managing Modernity brings together criminologists social theorists and philosophers to consider

what explains these changes and what they tell us about ourselves and the way in which we live The authors consider the

pervasive the obvious and the covert ways in which crime and social order have come to structure social discourses and

social life from mass imprisonment to zero tolerance to on the spot fines This volume was previously published as a special

issue of the Critical Review of International Social and Political Philosophy CRISPP

Teaching the American Civil

Rights Movement Julie Buckner Armstrong, Susan Hult Edwards, Houston Bryan Roberson, Rhonda Y. Williams, 2012-11-12

The past fifteen years have seen renewed interest in the civil rights movement Television documentaries films and books

have brought the struggles into our homes and classrooms once again New evidence in older criminal cases demands that

the judicial system reconsider the accuracy of investigations and legal decisions Racial profiling affirmative action voting

districting and school voucher programs keep civil rights on the front burner in the political arena In light of this there are

very few resources for teaching the civil rights at the university level This timely and invaluable book fills this gap This book

offers perspectives on presenting the movement in different classroom contexts strategies to make the movement come alive

for students and issues highlighting topics that students will find appealing Including sample syllabi and detailed descriptions

from courses that prove effective this work will be useful for all instructors both college and upper level high school for

courses in history education race sociology literature and political science

Subject Guide to Children's Books in Print

1997 Bowker Editorial Staff, R R Bowker Publishing, 1996-09

Theoretical Criminology from Modernity to

Post-Modernism Wayne Morrison, 2014-12-18 This book incorporates many of the exciting debates in the social sciences

and philosophy of knowledge concerning the issues of modernity and post modernism It sets out a new project for criminology a criminology of modernity and offers a sustained critique of theorizing without a concern for social totalities This book is designed to place criminological theory at the cutting edge of contemporary debates Wayne Morrison reviews the history and present state of criminology and identifies a range of social problems and large scale social processes which must be addressed if the subject is to attain intellectual commitment This book marks a new development in criminological texts and will serve a valuable function not only for students and academics but for all those interested in the project of understanding crime in contemporary conditions The Irish Student Law Review ,2006 **Paperbound Books in Print 1995** Reed Reference Publishing,R5ference Reed,1995-12 *The Oxford Handbook of Criminology* Alison Liebling,Shadd Maruna,Lesley McAra,2017 Beginning with the history of criminology this updated and revised edition deals with topics as diverse as policing substance abuse juvenile crime statistics prisons victims and organised crime in Britain **Forthcoming Books** Rose Arny,2004 Books in Print ,1991 *Books in Print Supplement* ,2002 **The New Law Journal** ,1992
