KEY THEMES IN ANCIENT HISTORY

# Public Order In Ancient Rome

**Taco T. Terpstra**

## **Public Order In Ancient Rome:**

**Public Order in Ancient Rome** Wilfried Nippel, 1995-09-21 Often identified as a major cause of the Republic's collapse the absence of a professional police force in classical Rome was in fact a characteristic shared with other premodern states The mechanisms of self regulation that operated as a stabilizing force are examined in this study **Kill Caesar!** Rose Mary Sheldon, 2023-06-14 Why were Rome's first emperors the good the bad and the ugly so vulnerable to conspiracies and assassination an expert analysis compelling Adrienne Mayor author of *The Poison King The Life and Legend of Mithradates* and *Rome's Deadliest Enemy Exploring the history of internal security under the first Roman dynasty* this groundbreaking book answers the enduring question If there were 9 000 men guarding the emperor how were three quarters of Rome's leaders assassinated Rose Mary Sheldon traces the evolution of internal security mechanisms under the Julio Claudians evaluating the system that Augustus first developed to protect the imperial family and the stability of his dynasty Yet in spite of the intensive precautions taken there were multiple attempts on his life Like all emperors Augustus had a number of competing constituencies the senate the army his extended family the provincials and the populace of Rome but were they all equally threatening Indeed the biggest threat would come from those closest to the emperor his family and the aristocracy Even Roman imperial women were deeply involved in instigating regime change By the fourth emperor Caligula the Praetorian Guards were already participating in assassinations and the army too was becoming more politicized Sheldon weighs the accuracy of ancient sources Does the image of the emperor presented to us represent reality or what the people who killed him wanted us to think Were Caligula and Nero really crazy or did senatorial historians portray them that way to justify their murder Was Claudius really the fool found drooling behind a curtain and made emperor or was he in on the plot from the beginning These and other fascinating questions are answered as Sheldon concludes that the repeated problem of killing Caesar reflected the empire's larger dynamics and turmoil [The Oxford Handbook of Roman Law and Society](#) Paul J du Plessis, Clifford Ando, Kaius Tuori, 2016-10-20 The Oxford Handbook of Roman Law and Society surveys the landscape of contemporary research and charts principal directions of future inquiry More than a history of doctrine or an account of jurisprudence the Handbook brings to bear upon Roman legal study the full range of intellectual resources of contemporary legal history from comparison to popular constitutionalism from international private law to law and society thereby setting itself apart from other volumes as a unique contribution to scholarship on its subject The Handbook brings the study of Roman law into closer alignment and dialogue with historical sociological and anthropological research into law in other periods It will therefore be of value not only to ancient historians and legal historians already focused on the ancient world but to historians of all periods interested in law and its complex and multifaceted relationship to society **Rome's Sicilian Slave Wars** Natale Barca, 2020-10-19 A study of the two Late Republic slave revolts exploring their social context the nature of slavery at the time and the causes of the conflicts In 136 BC in Sicily which was then a Roman province some four hundred

slaves of Syrian origin rebelled against their masters and seized the city of Henna with much bloodshed Their leader a fortune teller named Eunus was declared king taking the Syrian royal name Antiochus and tens of thousands of runaway slaves as well as poor native Sicilians soon flocked to join his fledgling kingdom Antiochus ambition was to drive the Romans from the whole of Sicily The Romans responded with characteristic unwillingness and relentlessness leading to years of brutal warfare and suppression Antiochus Kingdom of the Western Syrians was extinguished by 132 but his agenda was revived in 105 BC when rebelling slaves proclaimed Salvius as King Tryphon with similarly bitter and bloody results Natale Barca narrates and analyses these events in unprecedented detail with thorough research into the surviving ancient sources The author also reveals the long term legacy of the slaves defiance contributing to the crises that led to the seismic Social War and setting a precedent for the more famous rebellion of Spartacus in 73 71 BC Praise for Rome s Sicilian Slave Wars An interesting read and a good account of these large scale and very significant slave uprisings giving us an idea of what the rebels were attempting to achieve the methods they chose and each revolt managed to survive for so long before being crushed History of War

**Espionage in the Ancient World** R.M. Sheldon,2015-09-03 Intelligence activities have always been an integral part of statecraft Ancient governments like modern ones realized that to keep their borders safe control their populations and keep abreast of political developments abroad they needed a means to collect the intelligence which enabled them to make informed decisions Today we are well aware of the damage spies can do Here for the first time is a comprehensive guide to the literature of ancient intelligence The entries present books and periodical articles in English French German Italian Spanish Polish and Dutch with annotations in English These works address such subjects as intelligence collection and analysis political and military counterintelligence espionage cryptology Greek and Latin tradecraft covert action and similar topics it does not include general battle studies and general discussions of foreign policy Sections are devoted to general espionage intelligence related to road building communication and tradecraft intelligence in Greece during the reign of Alexander the Great and in the Hellenistic Age in the Roman republic the Roman empire the Byzantine empire the Muslim world and in Russia China India and Africa The books can be located in libraries in the United States in cases where volumes are in one library only the author indicates where they may be found

Trading Communities in the Roman World Taco T. Terpstra,2013-01-08 Ancient Roman trade was severely hampered by slow transportation and by the absence of a state that helped traders enforce their contracts In Trading Communities in the Roman World A Micro Economic and Institutional Perspective Taco Terpstra offers a new explanation of how traders in the Roman Empire overcame these difficulties Previous theories have focused heavily on dependent labor arguing that transactions overseas were conducted through slaves and freedmen Taco Terpstra shows that this approach is unsatisfactory Employing economic theory he convincingly argues that the key to understanding long distance trade in the Roman Empire is not patron client or master slave relationships but the social bonds between ethnic groups of foreign traders living overseas and the local communities

they joined *The Economy of Prostitution in the Roman World* Thomas McGinn, 2004-02-18 DIVAn in depth study of the different venues for the sale of sex in the Roman world div Roman Dress and the Fabrics of Roman Culture Jonathan Edmondson, Alison Keith, 2009-11-21 Roman Dress and the Fabrics of Roman Culture investigates the social symbolism and cultural poetics of dress in the ancient Roman world in the period from 200 BCE 400 CE Editors Jonathan Edmondson and Alison Keith and the contributors to this volume explore the diffusion of Roman dress protocols at Rome and in the Roman imperial context by looking at Rome's North African provinces in particular a focus that previous studies have overlooked or dealt with only in passing Another unique aspect of this collection is that it goes beyond the male elite to address a wider spectrum of Roman society Chapters deal with such topics as masculine attire strategies for self expression for Roman women within a dress code prescribed by a patriarchal culture and the complex dynamics of dress in imperial Roman culture both literary and artistic This volume further investigates the literary legal and iconographic evidence to provide anthropologically informed readings of Roman clothing This collection of original essays employs a range of methodological approaches historical literary critical philological art historical sociological and anthropological to offer a thorough discussion of one of the most central issues in Roman culture **Crime, Justice and Public Order in Old Regime France** Julius R. Ruff, 2015-08-27 This title first published in 1984 is a case study of crime and criminal justice in rural southwestern France in the last century of the Old Regime Based on extensive research in criminal court records often the only documentary evidence of the poor and illiterate the study is a valuable addition both to our knowledge of Old Regime society and to our understanding of its judicial institutions Rural Old Regime France seethed with violence Assault homicide and a violence of speech occurred frequently at all levels of society The author's finding that royal fiscal and judicial officials were recurring targets of this violence additionally contributes to our understanding of the revolutionary events ending the Old Regime This system providing in principle for judicial torture and corporal and capital punishments for relatively minor crimes has long epitomized much that was wrong with pre revolutionary France But the law in principle is not the law in practice and the author finds that both local and appeals courts seldom decreed such measures This book will be of interest to students of history and criminology Paul the Jew under Roman Rule Neil Elliott, 2024-09-24 Some of the most heated contests around the apostle Paul today concern the effort to understand him wholly within Judaism and the effort to interpret him over against the culture and ideology of the early Roman Empire In this collection of essays Neil Elliott shows that these two conversations belong together and must be resolved together by understanding Paul as a Jew living out Israel's ancient hopes under the pressures of Roman imperial power An Introduction to the Ancient World Lukas de Blois, R.J. van der Spek, 2008-10-24 Integrating the results of scholarly work from the past decade the authors of An Introduction to the Ancient World Lukas de Blois and R.J. van der Spek have fully updated and revised all sixteen chapters of this best selling introductory textbook Covering the history and culture of the ancient Near East Greece and Rome within the framework of a

short narrative history of events this book offers an easily readable integrated overview for students of history classics archaeology and philosophy whether at college at undergraduate level or among the wider reading public This revised second edition offers a new section on early Christianity and more specific information on the religions economies and societies of the ancient Near East There is extended coverage of Greek Macedonian and Near Eastern history of the fourth to second centuries BC and the history of the Late Roman Republic The consequences of Julius Caesar s violent death are covered in more detail as are the history and society of Imperial Rome This new edition is comprehensive covers 3 000 years of ancient history and provides the basis for a typical one semester course lavishly illustrated contains maps line drawings and plates to support and supplement the text with updated captions clearly and concisely written two established and respected university teachers with thirty years experience in the subject areas well organized traces the broad outline of political history but also concentrates on particular topics user friendly includes chapter menus an extensive and expanded bibliography organized by subject area and three appendices an improved introduction and the addition of an epilogue

**Roman Law in Context** David Johnston, 2022-05-12 This book explains how Roman law worked for those who lived by it by viewing it in the light of the society and economy in which it operated Written in an accessible style with the minimum of legal technicality the book is designed for students and teachers of Roman history as well as interested general readers Topics covered include the family and inheritance property and the use of land business and commercial transactions and litigation In this second edition all chapters have been extensively revised and updated and a new chapter on crime and punishment has been included The book ends with an epilogue covering the fate of Roman law in medieval and modern Europe David Johnston is a lawyer practising in the courts and draws on his experience of law in practice to shape the work and provide new insights for his readers *Political Communication in the Roman World*, 2017-07-31 This volume aims to address the question of political communication in the Roman world It draws upon social sciences and the current trend for the historical study of political communication The book tackles three main problems What constitutes political communication in the Roman world In what ways could information be transmitted and represented What mechanisms made political communication successful or unsuccessful This edited volume covers questions like speech and mechanisms of political communication political communication at a distance bottom up communication failure of communication and representation of political communication It will be of help to specialists in the Roman world but also to students and researchers of political sciences and specialists of political communication in pre industrial times **Jacques Ellul on**

**Violence, Resistance, and War** Jeffrey M. Shaw, Timothy J. Demy, 2016-04-12 The last few decades seem to have ushered in new levels of violence challenging the notion that our globalized interconnected world offers increased prospects for cooperation and peace Many philosophers and theologians have offered various reasons for why this might be so but none has come so close as the French philosopher Jacques Ellul to providing a comprehensive explanation for many of the pitfalls

inherent in increasing levels of technological advance The chapters in this book explore the phenomena of violence terrorism and war through the lens of Ellul s thought Readers unfamiliar with Ellul will find as much to consider in these chapters as those who have studied Ellul extensively and for both the novice and the expert this book offers an opportunity to both evaluate and reevaluate Ellul s extensive thought on matters of importance to contemporary society     **A Companion to Greek Democracy and the Roman Republic** Dean Hammer,2014-11-17 A Companion to Greek Democracy and the Roman Republic offers a comparative approach to examining ancient Greek and Roman participatory communities Explores various aspects of participatory communities through pairs of chapters one Greek one Roman to highlight comparisons between cultures Examines the types of relationships that sustained participatory communities the challenges they faced and how they responded Sheds new light on participatory contexts using diverse methodological approaches Brings an international array of scholars into dialogue with each other     *All Things Julius Caesar* Michael Lovano,2014-12-02 Julius Caesar s life and example have fascinated and motivated generations of people for nearly 2 000 years This book explores the people places events and institutions that helped define arguably the most famous individual in the history of Rome Far from being ancient history Roman history and culture from the time of Julius Caesar and the Roman Empire have surprising parallels with the political strife and societal issues in 21st century life Interest and awareness have also been bolstered by recent successful Hollywood films as well as television series that depict Roman history *All Things Julius Caesar* An Encyclopedia of Caesar s World and Legacy provides a unique reference on topics and themes related to the life and times of Julius Caesar It offers historically accurate information about what he did and did not do and examines his impact on later eras via images and idealized depictions of him popularized in literature and other media up to the present The approximately 200 entries in this two volume set are organized alphabetically according to topic or theme for example individuals such as Marc Antony places such as the province of Gaul events such as Roman elections or battles in the Civil War and institutions such as Roman classes slavery patrons and clients The entries cover all the territories of the Roman Empire during Caesar s time from Britain to Egypt The set includes primary documents such as excerpts from ancient letters essays and biographies and supplements the text with images and maps The bibliography provides print and electronic resources suitable for high school and college student research as well as further reading for general audiences     *A Companion to the Political Culture of the Roman Republic* Valentina Arena,Jonathan R. W. Prag,Andrew Stiles,2022-01-25 An insightful and original exploration of Roman Republic politics In *A Companion to the Political Culture of the Roman Republic* editors Valentina Arena and Jonathan Prag deliver an incisive and original collection of forty contributions from leading academics representing various intellectual and academic traditions The collected works represent some of the best scholarship in recent decades and adopt a variety of approaches each of which confronts major problems in the field and contributes to ongoing research The book represents a new updated and comprehensive view of the political world of Republican Rome and some of the included essays are

available in English for the first time Divided into six parts the discussions consider the institutionalized loci political actors and values rituals and discourse that characterized Republican Rome The Companion also offers several case studies and sections on the history of the interpretation of political life in the Roman Republic Key features include A thorough introduction to the Roman political world as seen through the wider lenses of Roman political culture Comprehensive explorations of the fundamental components of Roman political culture including ideas and values civic and religious rituals myths and communicative strategies Practical discussions of Roman Republic institutions both with reference to their formal rules and prescriptions and as patterns of social organization In depth examinations of the afterlife of the Roman Republic both in ancient authors and in early modern and modern times Perfect for students of all levels of the ancient world A Companion to the Political Culture of the Roman Republic will also earn a place in the libraries of scholars and students of politics political history and the history of ideas

*The Historiography of Late Republican Civil War*, 2019-07-29 The Historiography of Late Republican Civil War is part of a burgeoning new trend that focuses on the great impact of stasis and civil war on Roman society This volume specifically concentrates on the Late Republic a transformative period marked by social and political violence stasis factional strife and civil war Its constitutive chapters closely study developments and discussions concerning the concept of civil war in the late republican and early imperial historiography of the late Republic from L Cornelius Sulla Felix to the Severan dynasty

*A Companion to Catullus* Marilyn B. Skinner, 2010-12-13 In this companion international scholars provide a comprehensive overview that reflects the most recent trends in Catullan studies Explores the work of Catullus one of the best Roman lyric poets Provides discussions about production genre style and reception as well as interpretive essays on key poems and groups of poems Grounds Catullus in the socio historical world around him Chapters challenge received wisdom present original readings and suggest new interpretations of biographical evidence

**Aspects of Roman History AD 14-117** Richard Alston, 2002-01-04 Aspects of Roman History AD14 117 charts the history of the Roman Imperial period from the establishment of the Augustan principate to the reign of Trajan providing a basic chronological framework of the main events and introductory outlines of the major issues of the period The first half of the book outlines the linear development of the Roman Empire emperor by emperor accenting the military and political events The second half of the book concentrates on important themes which apply to the period as a whole such as the religious economic and social functioning of the Roman Empire It includes a discussion of the primary sources of Roman Imperial history clearly laid out chapters on different themes of the Roman Empire such as patronage religion the role of the senate the army and the position of women and slaves designed for easy cross referencing with the chronological outline of events maps and illustrations a guide to further reading Richard Alston s highly accessible book is designed specifically for students with little previous experience of studying ancient Roman history Aspects of Roman History provides an invaluable introduction to Roman Imperial history which will allow students to gain an overview of the period and will be an

indispensable aid to note taking essay preparation and examination revision
