

PUBLIC PERSONNEL MANAGEMENT—

A Contingency Approach

Perry Moore

Public Personnel Management A Contingency Approach

**Jay M. Shafritz, E. W.
Russell, Christopher P. Borick, Albert C.
Hyde**

Public Personnel Management A Contingency Approach:

Public Personnel Management Perry Moore, 1985 The Fundamentals of Public Personnel Management J. Cheminais, G. Van der Walddt, M. S. Bayat, W. Fox, 1998 Government and those executing its policies face the daunting task of delivering essential services to a dispossessed and hugely disadvantaged electorate The authors of *The Fundamentals of Public Personnel Management* argue that although the state controls a wide range of limited resources only the effective management and judicious administration of its primary asset its personnel will allow it to translate physical financial material and technological resources into synergistic founts of national well being Trained and motivated public employees schooled in the ethics of their profession are essential to transforming inanimate structures and resources into people oriented dispensers of sustainable service delivery **Handbook of Public Personnel Administration** Jack Rabin, 1994-09-29 Offers in depth analyses spanning the entire field of public personnel administration from a history of the American civil service as characterized by competing perspectives to the contemporary application of total quality management by human resources practitioners Addresses the major laws that regulate worker compensation *Public Personnel Management* Norma M. Riccucci, 2023-08-28 Public Personnel Management has served as an essential concise reader for public personnel and human resource management courses in the fields of public administration political science and public policy for more than 30 years Since the first edition published in 1991 the book has provided professors and students alike with an in depth look at cutting edge developments beyond standard textbook coverage to cultivate a broad understanding of the key management and policy issues facing public and nonprofit HRM today Original chapters are written expressly for the text by leading public administration scholars each focusing on specific and sometimes controversial concerns for public personnel management such as social equity labor relations public employee rights and the operation of nonprofits Now in an extensively revised seventh edition Public Personnel Management presents new original chapters to examine developments of interest to researchers and practitioners alike including new ways of working NWW remote work the effects of the COVID 19 pandemic on public service workforces work life balance patterns of discrimination and employees perceptions of fairness affirmative action generational differences in the workforce and as the field of public personnel management becomes more internationalized chapters addressing human resource management across Europe and a chapter on NWW practices in Switzerland These together with other chapters ensure that Public Personnel Management will remain a field defining book for the next 30 years *South African Human Resource Management for the Public Sector* Barney Erasmus, 2005 This report discusses important themes in the field of human resource management for the public sector including managing employee relations strategizing and planning human resources departments and selecting employees within the equal employment opportunity guidelines Current legislation of the field is discussed and new theories on local and international applied research are explored *Handbook on Human Service Administration* Jack

Rabin, 1988-05-27 Introducing theories and concepts essential for human services administration this book covers organization theory and management budgeting and financial management personnel administration and labor relations laws and regulations innovation and change and data administration and information systems The author explores bioethics and managing Babies Doe legal right to refuse treatment nursing home payments and more He applies important general concepts to specific concerns such as organizational structure and service delivery arrangements internal financial planning innovations in drug services delivery and implementing medical information systems **Public Productivity Handbook** Marc Holzer, Mark Holzer, Seok-Hwan Lee, 2004-02 Presented by Holzer public administration Rutgers U US and Lee public administration Catholic U of Korea 38 papers address public administration professionals who are seeking insights into improving productivity and performance in the context of efficiency effectiveness quality and out **The Personnel Management Function** United States Civil Service Commission. Library, 1977 **Handbook on Asian Public Administration** M. S. Haque, Wilson Wong, Kilkon Ko, 2023-01-19 Providing context specific regional and national perspectives this novel Handbook sets out to disentangle the considerable intellectual ambiguities that surround Asian public administration and Asia's diverse applications of Western administrative models **Personnel Management in Government** Katherine C. Naff, Norma M. Riccucci, Jay Shafritz, David H. Rosenbloom, Albert C. Hyde, 2001-05-15 A comprehensive guide this book covers employee relations and the legacy of quality and reengineering and discussions on the growth of public personnel management in state and local sectors The authors discuss affirmative action and equal opportunity case law work and family issues the Volcker Commission findings an analysis of federal pay reform and innovative classification and compensation systems currently implemented by federal agencies a discussion of constitutional and legal issues facing public personnel administration in areas such as AIDS and drug testing figures and tables on collective bargaining laws and trends and more

Global Encyclopedia of Public Administration, Public Policy, and Governance Ali Farazmand, 2023-04-05 This global encyclopedic work serves as a comprehensive collection of global scholarship regarding the vast fields of public administration public policy governance and management Written and edited by leading international scholars and practitioners this exhaustive resource covers all areas of the above fields and their numerous subfields of study In keeping with the multidisciplinary spirit of these fields and subfields the entries make use of various theoretical empirical analytical practical and methodological bases of knowledge Expanded and updated the second edition includes over a thousand of new entries representing the most current research in public administration public policy governance nonprofit and nongovernmental organizations and management covering such important sub areas as 1 organization theory behavior change and development 2 administrative theory and practice 3 Bureaucracy 4 public budgeting and financial management 5 public economy and public management 6 public personnel administration and labor management relations 7 crisis and emergency management 8 institutional theory and public administration 9 law and regulations 10 ethics and accountability

11 public governance and private governance 12 Nonprofit management and nongovernmental organizations 13 Social health and environmental policy areas 14 pandemic and crisis management 15 administrative and governance reforms 16 comparative public administration and governance 17 globalization and international issues 18 performance management 19 geographical areas of the world with country focused entries like Japan China Latin America Europe Asia Africa the Middle East Russia and Eastern Europe North America and 20 a lot more Relevant to professionals experts scholars general readers researchers policy makers and manger and students worldwide this work will serve as the most viable global reference source for those looking for an introduction and advance knowledge to the field **Review of Public Personnel**

Administration ,1998 **Public Administration and Public Affairs** Nicholas Henry,2015-07-14 Updated in its 12th edition Public Administration and Public Affairs shows readers how to govern efficiently effectively and responsibly in an age of political corruption and crises in public finance With a continuing and corroding crisis occurring as well as greater governance by nonprofit organizations and private contractors it is vital that readers are given the skills and tools to lead in such an environment Using easy to understand metaphors and an accessible writing style Public Administration and Public Affairs shows its readers how to govern better preparing them for a career in public administration Personnel Literature ,1981 *Employee Relations in the Public Services* Susan Corby,Geoff White,2002-01-22 Public sector students form a large proportion of business students The subject is also taught in public administration and social policy courses This book is thematic rather than sector specific This reflects the way it is taught in a range of courses including employee relations HRM public administration and will complement alternative texts in this area which are more descriptive and focused on individual services Public sector management is a growing area **Research Handbook on HRM in the Public Sector** Steijn, Bram,Knies, Eva,2021-12-10 Bringing together over fifty leading global experts this Research Handbook provides a state of the art overview of research findings regarding Human Resource Management HRM in the public sector Original chapters provide useful insights from two different disciplines public administration and HRM They illustrate that the public context of organisations matters and discuss research findings detailing how this plays out in practice Adapted City , This work considers how and why cities change their governing arrangements and the implications for cities of the future It provides case studies that show how actual cities have changed and adapted their structure to fit changing times and citizen demands

Introducing Public Administration Jay M. Shafritz,E. W. Russell,Christopher P. Borick,Albert C. Hyde,2016-09-13 Now in an extensively revised 9th edition Introducing Public Administration provides students with the conceptual foundation they need while introducing them to important trends in the discipline Known for its lively and witty writing style this beloved textbook examines the most important issues in the field of public administration through the use of examples from various disciplines and modern culture This unique approach captivates students and encourages them to think critically about the nature of public administration today Refreshed and revised throughout the 9th edition contains a number of imporant

updates An examination of the effect of the Barack Obama administration on the discipline especially economic and financial management and budgetary policy allowing students to apply the theories and concepts in the text to recent US government practice An exploration of the 2008 economic meltdown and its consequences for the regulation of financial markets cut back management and social equity providing students with a critical look at the recent changes in the global economy All new images international examples keynotes and case studies have been incorporated to reflect the diversity of public servants throughout history Case studies correspond to those in optional companion book Cases in Public Policy and Administration to offer clear discussion points and seamless learning with the two books side by side New sections on careers in public service whistleblowing and public employee dissent networks and collaboration across organizations social innovation managerialism and productivity improvement Big Data and cloud computing collaboration and civic engagement and evidence based policy and management Complete with a companion website containing instructor slides for each chapter a chapter by chapter instructor s manual and sample syllabus student learning objectives and self test questions Introducing Public Administration is the ideal introduction to the discipline for first year masters students as well as for the growing number of undergraduate public administration courses and programs Organizational Behavior 4 John B. Miner, 2015-03-26 This unique work bridges the gap between theory and practice in organizational behavior It provides a practical guide to real life applications of the 35 most significant theories in the field The author describes each theory and then analyzes its usefulness and importance to the successful practice of management His analysis covers key managerial topics such as goal setting training and development assessment job enrichment influence processes decision making group processes organizational development organizational structuring and effective organizational operation Journal of Collective Negotiations in the Public Sector ,1996
