Public Relations For School Leaders:

School Public Relations for Student Success Edward H. Moore, 2009-08-11 succeed the communications expectations placed on school leaders at all levels continue to soar Now this field based reference offers educational leaders practical advice and specific tips for meeting the tough new communication demands they face daily Ideal for both long range planning and day to day basics this guide helps leaders define and organize their school s PR plan The book offers step by step guidance on creating and applying communication tactics that work from how to generate community support to managing crises stopping rumors handling media inquiries dealing with critics and much more Emphasizing the PR responsibilities of all school employees

The Communicating Principal Trinette Marquis, Natalie A. Nash, 2021-12-08 The demand for effective communication and marketing at the campus level has never been more urgent and yet most administrators come into the role with little public relations expertise or background Schools must navigate incredibly complex societal issues while they compete for students engage families and inspire staff and community members to give their best efforts and support The Communicating Principal Practical Strategies for School Leaders provides real world stories best practice guidelines and practical communication checklists designed to help school leaders better understand their community and bring them in to co create a vision for positive transformation From social media and websites to crisis and internal messaging this book shares systems and supports that make communicating easier and more effective Every topic is covered from the lens of a principal what you need how it can be done quickly and inexpensively and how to measure success so that it can be shared and replicated Not every school or district can afford a communication professional The Communicating Principal is the next best thing

Public Relations for School Leaders Larry W. Hughes, Don W. Hooper, 2000 This book is a departure from the traditional school public relations text It not only provides a solid conceptual and research base in public relations for school leaders it also demonstrates how these concepts can be practically implemented and put to good effect in the school systems Exercises and concepts are drawn from school life Concepts are presented developed and applied Case studies that conclude most chapters are based on actual experiences For anyone interested in public relations and the politics of education

Public Relations in Schools Theodore J. Kowalski, 2011 For educational administration and leadership students studying school and community relations A contemporary and practice based school public relations text that centers on the importance of communication relationships and technology Outfitting students with a wealth of practical practice based knowledge that they can take directly into the halls of their school the new fifth edition of Public Relations in Schools has a fresh contemporary focus on both how administrators can effectively communicate with the community and how building strong relationships with stakeholders can ultimately lead to overall school improvement Through a blend of theoretical and tacit knowledge this text offers students an in depth guide to 1 how to successfully communicate with both internal and external school entities 2 how to build and maintain positive and active

relationships via social and political capital and 3 how to translate the value of these relationships into positive change within the school While exploring these three central themes the book emphasizes how new technologies can aid school success At the same time real world case studies at the beginning of each chapter introduce readers to actual public relations issues and bring the material to life The revised fifth edition of Public Relations in Schools is updated with new materials and references throughout the text including two new chapters one on harnessing technology for your public relations needs and one on collecting assessing and applying public opinion In addition the new fifth edition text contains a matrix at the front of the book showing how content relates to ELCC NCATE Standards the widely used criteria for administrator preparation and licensing
