Lucas, 1989 The leading text in public speaking The Art of Public Speaking is successful because it works well for both students and instructors Instructors rely on its careful explanations its reinforcing examples and its attention to the basics that help their tentative students become competent speakers Instructors have also come to rely on the most comprehensive package of support materials available with any text on public speaking For students the book brings the art of public speaking to life by providing a steady stream of vivid and illustrative examples and by patiently teaching the theory and practice of rhetoric by well chosen examples **Effective Public Speaking** Kevin Yakers, 2020-12-13 Do you want to overcome the fear of public speaking Find out how you can end your speech with applause The first time I read a text in public despite being a few people I felt a part of me that would have preferred to sink Arghh What a shame now that I think about it At first I was looking for something to help me and then

instead I kept putting it off In any business knowing how to communicate in public is a crazy advantage In the meantime however if you stop the catastrophe continues Whenever asked in public especially about particular questions something is triggered that triggers you What happens in those cases Become anxious and you are afraid of being misjudged you are afraid of boring and falling asleep feel chills or feel warm And even if you are not afraid you realize that your communication in public is not effective You are always careful not to say anything unseemly to you And I understand you well because I too found myself in the same situation A total disaster We spend years and months of our lives with this discomfort which is a mixture of fear and inability to speak in public as you would like That s why I want to explain how I found the solution and how you can be faster than me to deal with the fear of public speaking and communicating effectively After all all you need is a specialized action plan I emphasize specialized and with selected techniques Designed only for those who want to get rid of fear and develop their natural talent for communicating at work If you are thinking that in your case it is different or difficult know that I understand your mood Even the first few times I found myself in the same condition So if you have the desire to free yourself from this suffocating situation generated by fear and find out how I found the solution Click the buy now button on this page to get started
