## **Public Opinion And The Palestine Question:**

Public Opinion and the Palestine Question Elia Zureik, Fouad Moughrabi, 2023-03-08 Public Opinion and the Palestine Question 1987 analyses public opinion on the Palestinian Israeli conflict It studies attitudes in various Western democratic countries and Israel and examines whether the governments of those countries reflect the general positions on the issue of their people It shows important changes taking place in the orientations of Western public opinion on the Palestinian Public Opinion and the Palestine Question Elia Zureik, Fouad Moughrabi, 2023 Public Opinion and the Palestine Question 1987 analyses public opinion on the Palestinian Israeli conflict It studies attitudes in various Western democratic countries and Israel and examines whether the governments of those countries reflect the general positions on the issue of their people It shows important changes taking place in the orientations of Western public opinion on the American Public Opinion and the Palestine Question Fouad Moughrabi, 1986 Palestinian question Americans and the Palestinian Ouestion Marianne van Leeuwen, 2024-09-02 American Public Opinion and the Palestine Question The Palestine Question Henry Cattan, 2022-10-10 First published in 1988 The Palestine Fouad Moughrabi, 1986 Question presents the highlights of the Palestine issue in a succinct objective and well documented manner The author reveals a fundamental fact which has apparently been overlooked namely that the conflict is not restricted to the territories seized by Israel in 1967 that is the West bank and the Gaza Strip which represent 20% of Palestine but concerns an area five times greater that is the whole territory of Palestine as well as the fate of more than 5 million Palestinians The author has done what has not been done before he offers judicious peace plan based on right and justice for the intractable Arab Israeli conflict and its root cause the Palestine problem This book constitutes an indispensable reference work and essential reading for all who are concerned with Middle East and world peace Our Palestine Question Geoffrey Levin, 2023-11-28 A new history of the American Jewish relationship with Israel focused on its most urgent and sensitive issue the question of Palestinian rights American Jews began debating Palestinian rights issues even before Israel's founding in 1948 Geoffrey Levin recovers the voices of American Jews who in the early decades of Israel's existence called for an honest reckoning with the moral and political plight of Palestinians These now forgotten voices which include an aid worker turned academic with Palestinian Sephardic roots a former Yiddish journalist anti Zionist Reform rabbis and young left wing Zionist activists felt drawn to support Palestinian rights by their understanding of Jewish history identity and ethics They sometimes worked with mainstream American Jewish leaders who feared that ignoring Palestinian rights could foster antisemitism leading them to press Israeli officials for reform But Israeli diplomats viewed any American Jewish interest in Palestinian affairs with deep suspicion provoking a series of quiet confrontations that ultimately kept Palestinian rights off the American Jewish agenda up to the present era In reconstructing this hidden history Levin lays the groundwork for more forthright debates over Palestinian rights issues American Jewish identity and the U S Israel relationship more broadly Yearbook of the United

Nations 1991 Department of Public Information United Nations, 2023-12-28 Fully indexed the 1991 edition of the Yearbook is the single most current comprehensive and authoritative reference publication about the work of the United Nations other international organizations and related bodies The book is designed not just for use by diplomats officials and scholars but also by other researchers writers journalists teachers and students The year 1991 was a remarkably eventful one for the United Nations and in the conduct of international relations This volume of the Yearbook details the activities of the United Nations its many organs agencies and programmes working together to rekindle a new form of multilateral cooperation for a better world It records the diverse and globe encompassing activities of the United Nations and its enduring efforts to deal with the world's pressing concerns particularly matters of international peace and security disarmament human rights the settlement of regional conflicts economic and social development the preservation of the environment control of drugs and narcotic substance abuse crime prevention adequate shelter youth and the ageing and humanitarian assistance for refugees as well as disaster relief The Yearbook of the United Nations is now up to date The Yearbooks for the years 1988 1989 and Palestine and the Palestinians Samih K. Farsoun, 2018-05-04 Palestine and the 1990 will be published simultaneously Palestinians is a sweeping social economic ideological and political history of the Palestinian people from antiquity to the Road Map to Peace This second edition is thoroughly revised and updated including entirely new chapters on the most current issues confronting Palestine today including Palestinians in Israel the Oslo Accords and the Second Intifada Palestinian refugees and the right to return Jerusalem the diplomatic peace process and two state single state solutions

Perceptions of Palestine Kathleen Christison, 2023-04-28 For most of the twentieth century considered opinion in the United States regarding Palestine has favored the inherent right of Jews to exist in the Holy Land That Palestinians as a native population could claim the same right has been largely ignored Kathleen Christison's controversial new book shows how the endurance of such assumptions along with America's singular focus on Israel and general ignorance of the Palestinian point of view has impeded a resolution to the Arab Israeli conflict Christison begins with the derogatory images of Arabs purveyed by Western travelers to the Middle East in the nineteenth century including Mark Twain who wrote that Palestine's inhabitants were abject beggars by nature instinct and education She demonstrates other elements that have influenced U S policymakers American religious attitudes toward the Holy Land that legitimize the Jewish presence sympathy for Jews derived from the Holocaust a sense of cultural identity wherein Israelis are like us and Arabs distant aliens She makes a forceful case that decades of negative portrayals of Palestinians have distorted U S policy making it virtually impossible to promote resolutions based on equality and reciprocity between Palestinians and Israelis Christison also challenges prevalent media images and emphasizes the importance of terminology Two examples are the designation of who is a terrorist and the imposition of place names which can pass judgment on ownership Christison's thoughtful book raises a final disturbing question If a broader frame of reference on the Palestinian Israeli conflict had been employed allowing a less

warped public discourse might not years of warfare have been avoided and steps toward peace achieved much earlier For most of the twentieth century considered opinion in the United States regarding Palestine has favored the inherent right of Jews to exist in the Holy Land That Palestinians as a native population could claim the same right has been largely ignored

Yearbook of the United Nations, Volume 48 (1994) United Nations, 2023-09-29 Fully indexed the 1994 edition of the Yearbook is the single most current comprehensive and authoritative reference publication about the work of the United Nations other international organizations and related bodies The book is designed not just for use by diplomats officials and scholars but also by other researchers writers journalists teachers and students The year 1994 was a remarkably eventful one for the United Nations and in the conduct of international relations This volume of the Yearbook details the activities of the United Nations its many organs agencies and programmes working together to rekindle a new form of multilateral cooperation for a better world It records the diverse and globe encompassing activities of the United Nations and its enduring efforts to deal with the world's pressing concerns particularly matters of international peace and security disarmament human rights the settlement of regional conflicts economic and social development the preservation of the environment control of drugs and narcotic substance abuse crime prevention adequate shelter youth and the ageing and humanitarian assistance for refugees as well as disaster relief **Palestine and Israel** David McDowall,1989-01-01 In this thoroughly researched and highly topical book David McDowall considers the Palestinian uprising from a historical social and political perspective and carefully reassesses the prospects for a settlement of the Arab Israeli conflict The Jewish Agency and Syria during the Arab Revolt in Palestine Mahmoud Muhareb, 2022-12-29 Founded in 1929 the Jewish Agency played a central role in the founding of the State of Israel Throughout the 1920s 30s and 40s many secret meetings took place between the JA and Arab leaders and elites The dominant narrative claims that Syrian leaders and elites were not involved in any such meetings However this book reveals for the first time that a multitude of secret meetings and negotiations took place including with the Syrian National Block the official Syrian leadership at the time and the Shahbandari opposition and leaders of Jabal al Druze Based mainly on primary sources from Israeli archives including documentation of discussions reports and decisions taken by the JA leadership the book tells a new story of a critical period of history the Arab Revolt of 1936 1939 in Palestine Mahmoud Muhareb argues that the main historic objective of the JA was to reach agreements with Arab leaders and Arab states behind the back of the Palestinians and at their expense and to normalize its relations with the Arab states while it continued to deny the national rights of the Palestinians The book challenges Israeli and Syrian official narratives and substantiates the Palestinian narrative as well as some Israeli new historians who asserted Israel refusal to recognize the national rights of the Palestinians and affirmed its attempts to reach a comprehensive settlement with the Arab states at the expense of the Palestinians The book includes Arabic and Hebrew sources translated into English for readers Egypt and the Palestine question (1936-1945) Thomas Mayer, 2021-10-11 No detailed description available for Egypt and

the Palestine question 1936 1945 Continental Philosophy and the Palestinian Question Zahi Zalloua, 2017-02-23 From Sartre to Levinas continental philosophers have looked to the example of the Jew as the paradigmatic object of and model for ethical inquiry Levinas for example powerfully dedicates his 1974 book Otherwise than Being to the victims of the Holocaust and turns attention to the state of philosophy after Auschwitz Such an ethics radically challenges prior notions of autonomy and comprehension two key ideas for traditional ethical theory and more generally the Greek tradition It seeks to respect the opacity of the other and avoid the dangers of hermeneutic violence But how does such an ethics of the other translate into real everyday life What is at stake in thinking the other as Jew Is the alterity of the Jew simply a counter to Greek universalism Is a rhetoric of exceptionalism with its unavoidable ontological residue at odds with shifting political realities Within this paradigm what then becomes of the Arab or Muslim the other of the Jew the other of the other so to speak This line of ethical thought in its desire to bear witness to past suffering and come to terms with subjectivity after Auschwitz arguably brackets from analysis present operations of power Would then a more sensitive historical approach expose the Palestinian as the other of the Israeli Here Zahi Zalloua offers a challenging intervention into how we configure the contemporary The United Nations Seminar on the Question of Palestine ,1987 Jimmy Carter and the Middle East Daniel Strieff, 2015-08-05 Based on newly declassified documents this book offers a provocative new analysis of President Jimmy Carter's political role in Arab Israeli diplomacy It analyzes the reflexive relationship between domestic politics and foreign policy especially the roles played by the media public opinion and pro Israel lobby groups Israel Yehoshafat Harkabi, 2017-09-08 Because of recent changes in the explicitly declared goals of Arabs in the Palestinian conflict this book is of singular importance and no scholar or expert on Middle East affairs can afford to ignore it This work by a scholar described as the doven of Israeli Arabists is the result of vast research into the attitude of the Arabs toward Israel manifested both in their declared explicit aims and in ideological exegeses on the roots of the Palestinian problem Approximately one hundred twenty books written by Arabs and the Arab press and radio are herein analyzed Harkabi s searching examination is objective His detection of consistent patterns in what at first seems amorphous is convincing If there is such a thing as a science of political psychology Harkabi is its master **Rethinking Arab Democratization** Larbi Sadiki, 2009-02-12 Rethinking Arab Democratization unpacks and historicizes the rise of Arab electoralism narrating the story of stalled democratic transition in the Arab Middle East It provides a balance sheet of the state of Arab democratization from the mid 1970s into the 21st century In seeking to answer the question of how Arab countries democratize and whether they are democratizing at all the book pays attention to specificity highlighting the peculiarities of democratic transitions in the Arab Middle East To this end it situates the discussion of such transitions firmly within their local contexts but without losing sight of the global picture namely the US drive to control and democratize the Arab World The book rejects exceptionalism foundationalism and Orientalism by showing that the Arab World is not immured from the global trend towards political

liberalization But by identifying new trends in Arab democratic transitions highlighting their peculiarities and drawing on Arab neglected discourses and voices the book pinpoints the contingency of some of the arguments underlying Western theories of democratic transition when applied to the Arab setting Oxford Studies in Democratization is a series for scholars and students of comparative politics and related disciplines Volumes concentrate on the comparative study of the democratization process that accompanied the decline and termination of the cold war The geographical focus of the series is primarily Latin America the Caribbean Southern and Eastern Europe and relevant experiences in Africa and Asia The series editor is Laurence Whitehead Official Fellow Nuffield College University of Oxford Yearbook of the United Nations, **Volume 49 (1995)** United Nations, 2023-12-18 Fully indexed the 1995 edition of the Yearbook is the single most current comprehensive and authoritative reference publication about the work of the United Nations other international organizations and related bodies The book is designed not just for use by diplomats officials and scholars but also by other researchers writers journalists teachers and students The year 1995 was a remarkably eventful one for the United Nations and in the conduct of international relations This volume of the Yearbook details the activities of the United Nations its many organs agencies and programmes working together to rekindle a new form of multilateral cooperation for a better world It records the diverse and globe encompassing activities of the United Nations and its enduring efforts to deal with the world s pressing concerns particularly matters of international peace and security disarmament human rights the settlement of regional conflicts economic and social development the preservation of the environment control of drugs and narcotic substance abuse crime prevention adequate shelter youth and the ageing and humanitarian assistance for refugees as well as disaster relief

## **Public Opinion And The Palestine Question Introduction**

In the digital age, access to information has become easier than ever before. The ability to download Public Opinion And The Palestine Question has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Public Opinion And The Palestine Question has opened up a world of possibilities. Downloading Public Opinion And The Palestine Question provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Public Opinion And The Palestine Question has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Public Opinion And The Palestine Ouestion. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Public Opinion And The Palestine Question. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Public Opinion And The Palestine Question, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Public Opinion And The Palestine Question has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so,

individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

## **FAQs About Public Opinion And The Palestine Question Books**
