Public Vows A History Of Marriage And The Nation:

Public Vows Nancy F. Cott, 2002-03-08 We commonly think of marriage as a private matter between two people a personal expression of love and commitment In this pioneering history Nancy F Cott demonstrates that marriage is and always has been a public institution *Marriage, Violence and the Nation in the American Literary West* William R. Handley, 2002-08-15 In *Marriage Violence and the Nation in the American Literary West* William R Handley examines literary interpretations of the Western American past Handley argues that although scholarship provides a narrative of western history that counters optimistic story of frontier individualism by focusing on the victims of conquest twentieth century American fiction tells a different story of intra ethnic violence surrounding marriages and families He examines works of historiography as well as writing by Zane Grey Willa Cather Wallace Stegner and Joan Didion among others to argue that these works highlight white Americans anxiety about what happens to American character when domestic enemies such as Indians and Mormon polygamists against whom the nation had defined itself in the nineteenth century no longer threaten its homes Handley explains that once its enemies are gone imperialism brings violence home in retrospective narratives that allegorise national pasts and futures through intimate relationships *A Cultural History of Marriage in the Modern Age* Christina Simmons, 2021-11-04 Spanning cultures across the 20th century this volume explores how marriage especially in the West was disestablished as the primary institution organizing social life In the developing world the economic social and legal foundations of traditional marriage are stronger but also weakening Marriage changed because an industrial wage economy reduced familial patriarchal control of youth and women and spurred demands and possibilities for greater autonomy and choice in love After the Second World War when more married women pursued education and employment and gays and lesbians gained visibility feminism and gay liberation also challenged patriarchal and restrictive gender roles and helped to reshape marriage In 1920 most people married for life in the twenty first century fewer marry and serial monogamy prevails Marriage is more diverse and flexible in form but also more fragile and optional than it once was Over the century control of courtship shifted from parents to youth and friends as opposed to kin became more important in sustaining marriages Dual wage earner families replaced the male breadwinner Social and political liberalism assailed conservative laws and religious regimes expanding access to divorce and birth control Although norms of masculinity and femininity retain huge power in most cultures visions of more egalitarian and romantic love as the basis of marriage have gained traction made appealing by the global spread of capitalist social relations and also broadcast by culture industries in the developed world The legalization of same sex marriage in over twenty five nations by 2020 epitomizes a century of change toward a less gender defined ideal that includes a continued desire for social recognition and permanence *A Cultural History of Marriage in the Modern Age* presents an overview of the period with essays on Courtship and Ritual Religion State and Law Kinship and Social Networks the Family Economy Love and Sex the Breaking of Vows and Representations of

Marriage *Family Economics and Public Policy, 1800s-Present* Megan McDonald Way, 2018-08-29 This book explores family economic decision making in the United States from the nineteenth century through present day specifically looking at the relationship between family resource allocation decisions and government policy It examines how families have responded to incentives and constraints established by diverse federal and state policies and laws including the regulation of marriage and of female labor force participation child labor and education policies including segregation social welfare programs and more The goal of this book is to present family economic decisions throughout US history in a way that contextualizes where the US economy and the families that drive it have been It goes on to discuss the role public policies have played in that journey where we need to go from here and how public policies can help us get there At a time when American families are more complex than ever before this volume will educate readers on the often unrecognized role that government policies have on our family lives and the uncelebrated role that family economic decision making has on the future of the US economy *The Family and the Nation* Sarah van Walsum, 2008-12-18 Until recently migration policies primarily targeted labour migrants and asylum seekers Family migration was taken for granted But now many nations are restricting family migration particularly from poorer countries The Netherlands have even gone so far as to require family migrants to pass an integration test before being allowed to enter the country How can this shift in policies be explained Does it as some suggest indicate a new trend towards racist exclusion This book places family migration policies in the broader perspective of changing family norms In doing so it shows the added value of studying immigration law not as an isolated field but in connection with other fields of law and policy Taking the Netherlands as an example it shows how family migration policies have evolved from a system premised on the male breadwinner citizen s right to domicile to one granting and restricting freedom of movement according to individual merit Although grounded in a different ethos the techniques of power now being used to enforce the emerging distinctions of a globalising world are in fact reminiscent of those once used to enforce the racial and gendered distinctions of the colonial past *A Nation Among Nations* Thomas Bender, 2006-12-12 A provocative book that shows us why we must put American history firmly in a global context from 1492 to today Immerse yourself in an insightful exploration of American history in *A Nation Among Nations* This compelling book by renowned author Thomas Bender paints a different picture of the nation s history by placing it within the broader canvas of global events and developments Events like the American Revolution the Civil War and subsequent imperialism are examined in a new light revealing fundamental correlations with simultaneous global rebellions national redefinitions and competitive imperial ambitions Intricacies of industrialization urbanization laissez faire economics capitalism socialism and technological advancements become globally interconnected phenomena altering the solitary perception of these being unique American experiences *A Nation Among Nations* isn t just a history book it s a thought provoking journey that transcends geographical boundaries encouraging us to delve deeper into the globally intertwined series of events that spun the American historical

narrative *Domestic Tensions, National Anxieties* Kristin Celello, Hanan Kholoussy, 2016 Since the late nineteenth century fears that marriage is in crisis have reverberated around the world Each chapter in *Domestic Tensions National Anxieties* considers a moment in which proclamations of marriage crisis have erupted revealing how people deployed the institution to debate relationships the nation and the problems of both **The Constitution** Gloria J. Browne-Marshall, 2020-09-30 The Constitution Major Cases and Conflicts provides students with a road map through the evolution of the Supreme Court giving clarity to complex issues This book has chosen pivotal cases based on the importance of the decisions in law history and American society The Constitution has full decisions not mere excerpts allowing students to read for themselves and fully understand the logic of the Supreme Court majority and dissenters These cases involve criminal justice civil liberties State s rights gender and racial justice as these issues correspond with the balance of powers between the three branches of government The cases are placed in a historical context with thoughtful questions for discussion Readers will follow the Supreme Court as it grapples with slavery in early colonial America to 21st century concerns regarding same sex marriage and technology *All in the Family* Patricia Strach, 2007 All in the Family demonstrates how policymakers employ family across a host of policy areas to achieve their non family goals and the consequences this has for policy stability over time *River of Hope* Omar S. Valerio-Jiménez, 2013-01-16 In *River of Hope* Omar S Valerio Jim nez examines state formation cultural change and the construction of identity in the lower Rio Grande region during the eighteenth and nineteenth centuries He chronicles a history of violence resulting from multiple conquests of resistance and accommodation to state power and of changing ethnic and political identities The redrawing of borders neither began nor ended the region s long history of unequal power relations Nor did it lead residents to adopt singular colonial or national identities Instead their regionalism transnational cultural practices and kinship ties subverted state attempts to control and divide the population Diverse influences transformed the borderlands as Spain Mexico and the United States competed for control of the region Indian slaves joined Spanish society Mexicans allied with Indians to defend river communities Anglo Americans and Mexicans intermarried and collaborated and women sued to confront spousal abuse and to secure divorces Drawn into multiple conflicts along the border Mexican nationals and Mexican Texans tejanos took advantage of their transnational social relations and ambiguous citizenship to escape criminal prosecution secure political refuge and obtain economic opportunities To confront the racialization of their cultural practices and their increasing criminalization tejanos claimed citizenship rights within the United States and in the process created a new identity Published in cooperation with the William P Clements Center for Southwest Studies Southern Methodist University **American Culture in Peril** Charles W. Dunn, 2012-03-21 Thirty years ago Ronald Reagan rode a wave of patriotism to the White House by calling for a return to what he considered to be traditional American values personal liberty free markets and limited government After the cultural struggles and generational clashes of the 1960s and 70s it appeared that many Americans were eager to abide by Reagan s set of core

American principles Yet despite Reagan s continuing popularity modern America remains widely perceived as a nation weakened by its divisions While debates over cultural values have been common throughout the country s history they seem particularly vitriolic today Some argue that these differences have resulted in a perpetually gridlocked government caught between left and right red states and blue Since the American Founding commonly shared cultural values have been considered to be the glue that would bind the nation s citizens together However how do we identify define and interpret the foundations of American culture in a profoundly divided pluralistic country In *American Culture in Peril* Charles W Dunn assembles top scholars and public intellectuals to examine Reagan s impact on American culture in the twenty first century The contributors assess topics vital to our conversations about American culture and society including changing views of the family the impact of popular culture and the evolving relationship between religion communities and the state Others investigate modern liberalism and the possibilities of reclaiming a renewed conservatism today *American Culture in Peril* illuminates Reagan s powerful legacy and investigates whether his traditional view of American culture can successfully compete in postmodern America Contributors Hadley Arkes Paul A Cantor Allan Carlson Jean Bethke Elshtain Charles R Kesler Wilfred M McClay Ken Myers

[Sibling Romance in American Fiction, 1835-1900](#) E. VanDette,2013-02-06 This study posits that the narrative of sibling love as a culturally significant tradition in nineteenth century American fiction Ultimately Emily E VanDette suggests that these novels contribute to historical conversations about affiliation in such tumultuous contexts as sectional divisions slavery debates the Civil War and Reconstruction

Ties That Bind Tiya Miles,2005-02-11 This beautifully written book tells the haunting saga of a quintessentially American family It is the story of Shoe Boots a famed Cherokee warrior and successful farmer and Doll an African slave he acquired in the late 1790s Over the next thirty years Shoe Boots and Doll lived together as master and slave and also as lifelong partners who with their children and grandchildren experienced key events in American history including slavery the Creek War the founding of the Cherokee Nation and subsequent removal of Native Americans along the Trail of Tears and the Civil War This is the gripping story of their lives in slavery and in freedom Meticulously crafted from historical and literary sources *Ties That Bind* vividly portrays the members of the Shoeboots family Doll emerges as an especially poignant character whose life is mostly known through the records of things done to her her purchase her marriage the loss of her children but also through her moving petition to the federal government for the pension owed to her as Shoe Boots s widow A sensitive rendition of the hard realities of black slavery within Native American nations the book provides the fullest picture we have of the myriad complexities ironies and tensions among African Americans Native Americans and whites in the first half of the nineteenth century

[Coyote Nation](#) Pablo Mitchell,2008-08-04 With the arrival of the transcontinental railroad in the 1880s came the emergence of a modern and profoundly multicultural New Mexico Native Americans working class Mexicans elite Hispanos and black and white newcomers all commingled and interacted in the territory in ways that had not been previously possible But what did it mean

to be white in this multiethnic milieu And how did ideas of sexuality and racial supremacy shape ideas of citizenry and determine who would govern the region Coyote Nation considers these questions as it explores how New Mexicans evaluated and categorized racial identities through bodily practices Where ethnic groups were numerous and in the wake of miscegenation often difficult to discern the ways one dressed bathed spoke gestured or even stood were largely instrumental in conveying one's race Even such practices as cutting one's hair shopping drinking alcohol or embalming a deceased loved one could inextricably link a person to a very specific racial identity A fascinating history of an extraordinarily plural and polyglot region Coyote Nation will be of value to historians of race and ethnicity in American culture

Families with Futures Meg Wilkes Karraker, Janet R. Grochowski, 2012-04-23 Noted for its interdisciplinary approach to family studies Families with Futures provides an engaging contemporary look at the discipline's theories methods essential topics and career opportunities Featuring strong coverage of theories and methods readers explore family concepts and processes through a positive prism Concepts are brought to life through striking examples from everyday family life and cutting edge scholarship Throughout families are viewed as challenged but resilient Each chapter opens with a preview of the chapter content and concludes with key terms and varied learning activities that promote critical thinking The activities include provocative questions and exercises projects and interactive web activities Boxes feature authentic voices from scholars and practitioners including CFLEs from a variety of disciplines including family studies sociology psychology and more These boxes provide a firsthand look at what it is like to work in the field The book concludes with a glossary defining each chapter's boldfaced key terms Updated throughout the new edition features new coverage of The latest family theories including feminist theory and postmodernism Immigrant and transnational families in the 21st century Physiology psychology and sociology of intimacy and sexuality Effects of recent health and other policy decisions on families Care giving in families especially in later life Family finances with an emphasis on the recent economic downturns Career opportunities in family studies The new Instructor's Resource website features test questions PowerPoint slides chapter outlines news bulletins of current events hotlinks to helpful tools such as the NCFR's Ethical Principles and Guidelines and more This is an ideal text for upper level undergraduate and lower level graduate courses in family studies family ecology and family science offered in departments of family and consumer sciences human development psychology and sociology

Wives, Widows, and Concubines Mytheli Sreenivas, 2008 Debates about family property and nation in Tamil India *Everybody Else* Sarah Potter, 2014 A comparative analysis of diverse postwar families and examines the lives and case records of those who applied to adopt or provide foster care in the 1940s and 1950s It considers an array of individuals both black and white middle and working class who found themselves on the margins of a social world that privileged family membership

The Reactionary Mind Corey Robin, 2018 Late in life William F Buckley made a confession to Corey Robin Capitalism is boring said the founding father of the American right Devoting your life to it as conservatives do is horrifying if only because it's so

repetitious It s like sex With this unlikely conversation began Robin s decade long foray into the conservative mind What is conservatism and what s truly at stake for its proponents If capitalism bores them what excites them In *The Reactionary Mind* Robin traces conservatism back to its roots in the reaction against the French Revolution He argues that the right was inspired and is still united by its hostility to emancipating the lower orders Some conservatives endorse the free market others oppose it Some criticize the state others celebrate it Underlying these differences is the impulse to defend power and privilege against movements demanding freedom and equality while simultaneously making populist appeals to the masses Despite their opposition to these movements conservatives favor a dynamic conception of politics and society one that involves self transformation violence and war They are also highly adaptive to new challenges and circumstances This partiality to violence and capacity for reinvention have been critical to their success Written by a highly regarded keen observer of the contemporary political scene *The Reactionary Mind* ranges widely from Edmund Burke to Antonin Scalia and Donald Trump and from John C Calhoun to Ayn Rand It advances the notion that all right wing ideologies from the eighteenth century through today are improvisations on a theme the felt experience of having power seeing it threatened and trying to win it back When its first edition appeared in 2011 *The Reactionary Mind* set off a fierce debate It has since been acclaimed as the book that predicted Trump *New Yorker* and one of the more influential political works of the last decade *Washington Monthly* Now updated to include Trump s election and his first one hundred days in office *The Reactionary Mind* is more relevant than ever

Love and Empire Felicity Amaya Schaeffer,2023-11-21 The spread of the Internet is remaking marriage markets altering the process of courtship and the geographic trajectory of intimacy in the 21st century For some Latin American women and U S men the advent of the cybermarriage industry offers new opportunities for re making themselves and their futures overthrowing the common narrative of trafficking and exploitation In this engaging stimulating virtual ethnography Felicity Amaya Schaeffer follows couples romantic interludes at Vacation Romance Tours in chat rooms and interviews married couples in the United States in order to understand the commercialization of intimacy While attending to the interplay between the everyday and the virtual *Love and Empire* contextualizes personal desires within the changing global economic and political shifts across the Americas By examining current immigration policies and the use of Mexican and Colombian women as erotic icons of the nation in the global marketplace she forges new relations between intimate imaginaries and state policy in the making of new markets finding that women s erotic self fashioning is the form through which women become ideal citizens of both their home countries and in the United States Through these little explored highly mediated romantic exchanges *Love and Empire* unveils a fresh perspective on the continually evolving relationship between the U S and Latin America

Gender, Sexuality, and Power in Latin America Since Independence William E. French,Katherine Elaine Bliss,2007 Integrates gender and sexuality into the main currents of historical interpretation concerning Latin America

Public Vows A History Of Marriage And The Nation Introduction

In today's digital age, the availability of Public Vows A History Of Marriage And The Nation books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Public Vows A History Of Marriage And The Nation books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Public Vows A History Of Marriage And The Nation books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Public Vows A History Of Marriage And The Nation versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Public Vows A History Of Marriage And The Nation books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Public Vows A History Of Marriage And The Nation books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Public Vows A History Of Marriage And The Nation books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them

accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Public Vows A History Of Marriage And The Nation books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Public Vows A History Of Marriage And The Nation books and manuals for download and embark on your journey of knowledge?

FAQs About Public Vows A History Of Marriage And The Nation Books

1. Where can I buy Public Vows A History Of Marriage And The Nation books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
