# Publishing Unwins

**John B. Hench**

## **Publishing Unwins:**

**The Publishing Unwins** Philip Unwin, 1972 This autobiography reflects the author's personal reminiscence of his years in the publishing business. He relates his memories of his working relationship with two famous publishers, his uncles T. Fisher Unwin and Stan Unwin. **A History of British Publishing**, **The Printing Unwins: A Short History of Unwin**

**Brothers** Philip Unwin, 2023-10-13 First published in 1976. The Printing Unwins is the story of the firm of Unwin Brothers, the saga that began with the enterprise of Jacob Unwin who started the business which grew over the years into the Gresham Steam Press and under his sons George and Edward into Unwin Brothers of London and Woking. The social and economic changes of the years are not overlooked and the book shows vividly the ebb and flow of fortune in a family firm with its strong strain of Nonconformity. With sympathy and humour the character and foibles of the various partners are described alongside their constant striving to satisfy customers, achieve technical advance and adequate financial return. The book will be of interest to students of literature and history as well to any professional in the world of printing. *Books As Weapons* John B. Hench, 2016-10-15 Only weeks after the D-Day invasion of June 6, 1944, a surprising cargo of books joined the flood of troop reinforcements, weapons and ammunition, food and medicine onto Normandy beaches. The books were destined for French bookshops to be followed by millions more American books in translation but also in English ultimately distributed throughout Europe and the rest of the world. The British were doing similar work which was uneasily coordinated with that of the Americans within the Psychological Warfare Division of General Eisenhower's Supreme Headquarters Allied Expeditionary Force under General Eisenhower's command. *Books As Weapons* tells the little-known story of the vital partnership between American book publishers and the U.S. government to put carefully selected recent books highlighting American history and values into the hands of civilians liberated from Axis forces. The government desired to use books to help disintoxicate the minds of these people from the Nazi and Japanese propaganda and censorship machines and to win their friendship. This objective dovetailed perfectly with U.S. publishers' ambitions to find new profits in international markets which had been dominated by Britain, France and Germany before their book trades were devastated by the war. Key figures on both the trade and government sides of the program considered books the most enduring propaganda of all and thus effective weapons in the war of ideas both during the war and afterward when the Soviet Union flexed its military might and demonstrated its propaganda savvy. Seldom have books been charged with greater responsibility or imbued with more significance. John B. Hench leavens this fully international account of the programs with fascinating vignettes set in the war rooms of Washington and London, publishers' offices throughout the world and the jeeps in which information officers drove over bomb-rutted roads to bring the books to people who were hungering for them. *Books as Weapons* provides context for continuing debates about the relationship between government and private enterprise and the image of the United States abroad. New Perspectives in Book History Dr. H. van den Braber, drs. M. van Delft, dr. N. van Dijk, dr. F. de Glas, dr. M.

Keblusek,2006-07-01 New Perspectives in Book History verschijnt ter gelegenheid van het 14de SHARP congres dat in juli 2006 in Leiden en Den Haag plaatsvindt De Society for the History of Authorship Reading and Publishing SHARP is een internationale organisatie met wereldwijd zo'n 1200 leden Het boek bevat 13 artikelen van zowel jonge als gevestigde boekhistorici uit Nederland en België De onderwerpen lopen uiteen van de Leuvense Universiteit in de vroegmoderne tijd 17de eeuwse marskramers en 20ste eeuwse uitgeverijen tot de toepassing van modellen uit de bedrijfsgeschiedenis of uit de netwerkanalyse in het moderne boekhistorische onderzoek In het boek is aandacht voor nieuwe ontdekkingen zoals boekenloterijen en voor de internationale positie van Nederland in het boekenvak Tezamen vormen deze artikelen een staalkaart van het moderne boekhistorische onderzoek in de Lage Landen Bedford's Victorian Pilgrim Michael Brealey,2014-07-08 A close reading of the life and letters of William Hale White shows that some misunderstandings have arisen in the interpretation of this important figure The book offers such significant issues as doubt loss of faith and crises over vocation and church This work represents a revisionist approach to William Hale White It corrects previous studies at some important points questions existing interpretations and employs new theoretical strategies alongside fresh research in primary sources **Paper Empires** Craig Munro,2006 This book tells the inside story of Australian publishing over the past half century **Publishing in the First World War** M. Hammond,S. Towheed,2007-05-16 This book explores the publishing and reading practices formed and changed by the First World War From an exploration of British and Australian trench journals to the impact of war on the literary figures of the home front the essays provide new information about the production circulation and reception of reading matter during this time Encyclopedia of Literature and Criticism Martin Coyle,Peter Garside,Malcolm Kelsall,John Peck,2002-09-11 This Encyclopedia is the most comprehensive guide yet both to the nature and content of literature and to literary criticism In ninety essays by leading international critics and scholars the volume covers both traditional topics such as literature and history poetry drama and the novel and also newer topics such as the production and reception of literature Current critical ideas are clearly and provocatively discussed while the volume's arrangement reflects in a dynamic way the rich diversity of contemporary thinking about literature Each essay seeks to provide the reader with a clear sense of the full significance of its subject as well as guidance on further reading An essential work of reference The Encyclopedia of Literature and Criticism is a stimulating guide to the central preoccupations of contemporary critical thinking about literature Special Features Clearly written by scholars and critics of international standing for readers at all levels in many disciplines In depth essays covering all aspects traditional and new of literary studies past and present Useful cross references within the text with full bibliographical references and suggestions for further reading Single index of authors terms topics *From Swan Sonnenschein to George Allen & Unwin Ltd* F. A. Mumby,Frances H. S. Stallybrass,2025-09-24 Originally published in 1955 From Swan Sonnenschein to George Allen the first English edition of Marx's Capital J M Barrie's first novel Better Dead Edwards Carpenter's Towards Democracy and besides

an immense list of books on Social Science which were far ahead of their time he launched with Professor J H Muirhead the famous Library of Philosophy George Allen s business was founded exclusively upon Ruskin s works but later he published for Augustus Hare Maurice Maeterlinck and Hillaire Belloc Such was the foundation upon which Stanley Unwin was able to build in 1914 when he acquired the assets of the combined firms of Sonnenschein and Allen **A Bibliography of Bertrand**

**Russell: Separate publications, 1896-1990** Kenneth Blackwell, Harry Ruja, 1994 Provides for the first time a full descriptive bibliography of Russell s writings Textually orientated it will guide the scholar collector and the general reader to the authoritative editions of Russell s works *Translation as Actor-Networking* Wenyan Luo, 2020-02-07 This book employs actor network theory ANT to explore the making of the English translation of a work of Chinese canonical fiction Journey to the West demonstrating how ANT as applied to Translation Studies can contribute to a richer understanding of the translation process The volume builds on previous research to apply ANT theory to translation studies by looking in depth at a single work highlighting the unique factors underpinning the making of Monkey Arthur Waley s English translation of the Chinese classic Journey to the West which make the work an ideal candidate for showing ANT theory in practice in translation Luo uses an in depth exploration of the work to examine the ways in which both human and nonhuman translation actors and agents interact in different ways in the publication of this translation showcasing them as dynamic changing and active participants whose roles shifted over the course of the translation process rather than as fixed entities as traditionally categorized in existing research The book moves beyond a descriptive account of an ANT based case study toward offering a systematic theoretical and methodological framework of ANT based translation studies using the conclusions drawn from its application to a single work to suggest a way forward for applying ANT in translation production on a wider scale This book will be of interest to scholars in translation studies sociology and comparative literature particularly those interested in actor network theory or network studies and their application to related disciplinary fields **Theory of Knowledge** Bertrand

Russell, 2013-04-15 Theory of Knowledge gives us a picture of one of the great minds of the twentieth century at work It is possible to see the unsolved problems left without disguise or evasion Historically it is invaluable to our understanding of both Russell s own thought and his relationship with Wittgenstein The Publisher , 1901 *Select Books Published by Mr. T. Fisher Unwin* T. Fisher Unwin, 2019-12-23 T Fisher Unwin s Select Books Published by Mr T Fisher Unwin serves as a fascinating compilation that showcases the diverse range of literary works curated by one of the notable publishers of the late 19th century This collection highlights Unwin s keen eye for quality literature and reflects an era where publishing was undergoing significant transformation The book s literary style intricately weaves together analytical commentary and insightful annotations making it accessible to both casual readers and scholars of Victorian literature It also captures the essence of the literary context of the time where themes of modernity social change and artistic innovation were at the forefront T Fisher Unwin a visionary publisher and influential figure in the literary landscape of his day founded his

publishing house in 1880 and was instrumental in bringing forth works that challenged conventional norms His dedication to literature extended beyond mere commerce he aimed to elevate the visibility of underrepresented voices in society Unwin's background in bookselling and his deep appreciation for literary quality undoubtedly shaped the meticulous selection of titles represented in this volume This book is recommended for readers and scholars alike who seek to understand the dynamics of late 19th century literature through the lens of a publisher who not only understood the market but also valued true artistic merit Delve into this compilation to discover a world of thought provoking narratives and gain insights into the pivotal role that T Fisher Unwin played in shaping Victorian literary discourse

*A Bibliography of British History, 1914-1989* Keith Robbins, American Historical Association, Royal Historical Society (Great Britain), 1996 Containing over 25 000 entries this unique volume will be absolutely indispensable for all those with an interest in Britain in the twentieth century Accessibly arranged by theme with helpful introductions to each chapter a huge range of topics is covered There is a comprehensive index

*Antisemitism and Philosemitism in the Twentieth and Twenty-first Centuries* Phyllis Lassner, Lara Trubowitz, 2008 This book of essays provides a significant reappraisal of discussions of antisemitism and philosemitism The contributors demonstrate that analysis of philosemitic attitudes is as crucial to the history of representations of Jews and Jewish culture as are investigations of antisemitism

**All Authors Are Equal** Fredric Warburg, 2019-08-17 Fredric Warburg partner in the London firm of Secker Warburg from 1936 until 1971 considered publishing an attractive occupation and a way of life In this personal often humorous memoir of his life until his retirement Warburg picks up where he left off in 1939 in *An Occupation for Gentlemen* Warburg's discussion of George Orwell's *Animal Farm* and 1984 is an important contribution to literary history Other chapters include Warburg's landmark 1954 trial for publishing an obscene book his edition of Kafka the translation of Robert Musil's *The Man Without Qualities* his visit to the aged Colette a sketch of Thomas Mann the strange tale of *The Bridge on the River Kwai* the rise of Angus Wilson to stardom In perhaps the funniest chapter Warburg describes how he was duped by a plumber from Devonshire who pretended to be a Tibetan lama A 1952 business deal by Secker Warburg with Heinemann anticipates more recent consolidations in the publishing industry Throughout Warburg's memoir of literary and publishing history the passionate personality of his wife Pamela de Bayou stands out commenting on criticizing and sometimes transforming a situation or a policy *All Authors Are Equal* is for anyone who enjoys good books and the making of good books and for all students of publishing In the author's own words The book as a whole may be seen as the story of my publishing life the chapters and sections of chapters are in the main stories within the story So it is that the book is a hybrid not an autobiography not a history of a publishing house not a philosophy of publishing not a series of critical studies but a bit of all these The deeper feelings of publishers are not often revealed to their authors while the publishing relationship exists The publisher tends to be wary diplomatic reserved rather hopeful slightly pessimistic laudatory jolly critical or so diverse a mixture of all these as to end up more or less blank Praise is dangerous it might give an author ideas

Blame is perilous the author may stop writing or even seek another publisher To tell an author the unvarnished truth as the publisher sees it is no doubt hazardous but it is a policy I have always tried to follow as far as possible and with that policy I have had more successes than failures Praise for An Occupation for Gentlemen An engaging autobiography Mr Warburg writes with a nice light touch and with considerable charm and humor His remarks about publishing are interesting and pointed Orville Prescott The New York Times An entertaining and instructive book about two deep and ancient mysteries human character and the trade of publishing Jacques Barzun Fredric Warburg s autobiography is wonderfully engaging Mr Warburg is that rarity among publishers He writes extremely well Moss Hart      **Book Publishing in India** Kartar Singh Duggal,1980 Monograph on publishing in India covers weakness in the distribution network various types of books paperbacks comic and textbooks library services book clubs role of multinational enterprises copyright obligations etc Bibliography pp 257 to 259      *The Culture of the Publisher's Series, Volume One* J. Spiers,2011-02-18 This volume focuses on the publisher s series as a cultural formation a material artefact and component of cultural hierarchies Contributors engage with archival research cultural theory literary and bibliometric analysis amongst a range of other approaches to contextualize the publisher s series in terms of its cultural and economic work
