early life on the bridge he keeps a journal Joining Morgan aboard ship Lucien befriends him to devastating effect The shops and houses on the bridge survive both the Great Plague and Great Fire believed to be God's wrath upon sinful London Fearing that God may next destroy the bridge and its eight hundred denizens seven of its merchant leaders revert to a pagan appeasement ritual by selecting one of their virgin daughters for sacrifice To enact their plan they hire Lucien who has returned to the bridge to burn it out of pure meanness But as Lucien discovers the chosen victim may be more Lucifer's favorite than he is Like his creation Daryl Braintree David Madden employs diverse innovative ways to tell this complex often shocking but also lyrical story The author of ten novels including *The Suicide's Wife* *Bijou* and most recently *Abducted by Circumstance* and *Sharpshooter* Madden has with *London Bridge in Plague and Fire* given us the most ambitious and imaginative work of his distinguished career
