Puente Entre Siglos Venustiano Carranza

Torcuato Di Tella

Puente Entre Siglos Venustiano Carranza:

Venustiano Carranza, puente entre siglos Enrique Krauze, 1987 Ilustrado con abundantes fotografías de la época este libro recorre la vida del presidente Venustiano Carranza Este recorrido se inicia con la historia familiar y termina con el asesinato del jefe constitucionalista en Tlaxcalantongo Puebla la obra contiene un comentario de su controvertida muerte y una selecta bibliografía a Puente entre siglos Enrique Krauze, Aurelio de los Angeles Reyes, Margarita de los Angeles Orellana, 1987

Lenguaje, arte y revoluciones ayer y hoy Alejandro Cortazar, Rafael Orozco, 2011-05-25 This book depicts new paradigms in Hispanic linguistic literary and cultural studies Part I Literary and Cultural Studies includes eight essays focusing on a new trend of cultural representation attempting to find new meanings They explore a series of reflections on some of those moments from the period that begins with the cry for independence in 1810 and that spans beyond 2010 textually translated as new approaches of analysis on the recollections of things to come The contexts examined evince critical occurrences related to periods of change toward democracy and social justice that eventually lead to revolutionary or emancipating ends by way of artistic textual manifestations Part II Linguistic and Cultural Studies contains nine articles representative of the most current ground breaking research on Hispanic linguistics It focuses on important linguistic and cultural issues pertaining geographically to various corners of the Hispanic world spanning from central Florida and New York City to Bolivia and on to the Prince Islands in Turkey The issues explored include the sociolinguistic and cultural identity of Puerto Ricans in the United States the pragmatics of humor in Mexican film the effects of language evolution on modern Spanish and the acquisition of Spanish by English speakers **History of Political Parties in Twentieth-century**

Latin America Torcuato Di Tella, 2017-07-05 The general perception of modern Latin American political institutions emphasizes a continuing and random process of disorder and crisis continually out of step with other regions in their progress toward democracy and prosperity In History of Political Parties in Twentieth Century Latin America Torcuato S Di Tella demonstrates that this common view lacks context and comparative nuance and is deeply misleading Looking behind the scenes of modern Latin American history he discerns its broad patterns through close analysis of actual events and comparative sociological perspectives that explain the apparent chaos of the past and point toward the more democratic polity now developing Di Tella argues that although Latin America has peculiarities of its own they must be understood in their contrasts and similarities with both the developed centers and undeveloped peripheries of the world Latin American societies have been prone to mass rebellions from very early on more so than in other regions of the world He analyzes as well such significant exceptions to this pattern as Chile Colombia and to a large extent Brazil Turning to the other side of the social spectrum he shows how the underprivileged classes have tended to support strongman populist movements which have the double character of being aggressive toward the established order but at the same time repressive of public liberties and of more radical groups Di Tella provides here a necessary examination of the concept of populism and divides it

into several variants Populism he maintains is by no means disappearing but its variants are instead undergoing important changes with significant bearing on the region's near term future History of Political Parties in Twentieth Century Latin America is rich in historical description but also in its broad review of social structures and of the strengths and weaknesses of political institutions Choice commented that this heavily documented volume with an extensive bibliography would prove valuable to researchers and advanced students of Latin America

The Life and Times of Pancho Villa Friedrich Katz, 1998-10-01 Alongside Moctezuma and Benito Juárez Pancho Villa is probably the best known figure in Mexican history Villa legends pervade not only Mexico but the United States and beyond existing not only in the popular mind and tradition but in ballads and movies There are legends of Villa the Robin Hood Villa the womanizer and Villa as the only foreigner who has attacked the mainland of the United States since the War of 1812 and gotten away with it Whether exaggerated or true to life these legends have resulted in Pancho Villa the leader obscuring his revolutionary movement and the myth in turn obscuring the leader Based on decades of research in the archives of seven countries this definitive study of Villa aims to separate myth from history So much attention has focused on Villa himself that the characteristics of his movement which is unique in Latin American history and in some ways unique among twentieth century revolutions have been forgotten or neglected Villa's División del Norte was probably the largest revolutionary army that Latin America ever produced Moreover this was one of the few revolutionary movements with which a U.S. administration attempted not only to come to terms but even to forge an alliance In contrast to Lenin Mao Zedong Ho Chi Minh and Fidel Castro Villa came from the lower classes of society had little education and organized no political party The first part of the book deals with Villa's early life as an outlaw and his emergence as a secondary leader of the Mexican Revolution and also discusses the special conditions that transformed the state of Chihuahua into a leading center of revolution In the second part beginning in 1913 Villa emerges as a national leader The author analyzes the nature of his revolutionary movement and the impact of Villismo as an ideology and as a social movement The third part of the book deals with the years 1915 to 1920 Villa's guerrilla warfare his attack on Columbus New Mexico and his subsequent decline The last part describes Villa's surrender his brief life as a hacendado his assassination and its aftermath and the evolution of the Villa legend The book concludes with an assessment of Villa's personality and the character and impact of his movement

Bound in Twine Sterling D. Evans, 2013-01-14 Before the invention of the combine the binder was an essential harvesting implement that cut grain and bound the stalks in bundles tied with twine that could then be hand gathered into shocks for threshing Hundreds of thousands of farmers across the United States and Canada relied on binders and the twine required for the machine's operation Implement manufacturers discovered that the best binder twine was made from henequen and sisal spiny fibrous plants native to the Yucatán Peninsula of Mexico The double dependency that subsequently developed between Mexico and the Great Plains of the United States and Canada affected the agriculture ecology and economy of all three nations in ways that have historically been little

understood These interlocking dependencies identified by author Sterling Evans as the henequen wheat complex initiated or furthered major ecological social and political changes in each of these agricultural regions Drawing on extensive archival work as well as the existing secondary literature Evans has woven an intricate story that will change our understanding of the complex transnational history of the North American continent **El Palacio de Hierro** Patricia Martínez Gutiérrez,2005 El ensayo hispanoamericano del siglo XX John Skirius,2004-01-01 En este libro antológico de excepcional importancia en el horizonte cultural de nuestro continente John Skirius ha reunido algunos de los mejores ensayos hispanoamericanos Son textos fundamentalmente literarios testimonio del abundante y generoso talento de los escritores de Hispanoamérica en estas páginas nos es dado el brillante panorama de un patrimonio intelectual artístico y expresivo a través de sus más notables representantes **Nuevo León** Francisco Javier Gutiérrez Villarreal,2011 **Los constituyentes de 1917** Eber Betanzos Torres,Jaime Chávez Alor,2017-08-01 Este libro es un análisis sobre el complejo y determinante proceso político que dio a luz a la Constitución de 1917 Por ello se aboca a estudiar a cada uno de los miembros del Congreso Constituyente y su participación en la elaboración de la Carta Magna El minucioso estudio que contiene este texto permite situar a cada uno de los participantes en su preciso contexto político y social As el libro es un testimonio sobre el surgimiento de la democracia mexicana y de paso se convierte en un vistazo fresco a la historia constitucionalista de México **El galope del caballo en México** Mónica Patiño Pineda,Arturo Olmedo Díaz,2012-11-23 Una obra que comparte la historia del caballo pero con énfasis en el vínculo que ha tenido en la historia de México y el deporte nacional El caballo ha sido uno de los protagonistas de los grandes momentos que han forjado al país Este libro presenta un cabalgar de varios siglos desde el origen de las culturas milenarias prehispánicas hasta la Independencia la Revolución el deporte y el arte **Historia de México Vol. II** Gloria Delgado,2007 This book permits one to evaluate the role of History as an integrated science and to know the most important accomplishments in Mexican history since the pre Spanish period through 1821 It is a consolidated work for it adhering to scientific research in History and for the simplicity of the explanations It addresses the historical facts with roots with political economic social ideological scientific and artistic aspects *Historia de México* Gloria M. Delgado de Cantú,2002 *Apostle of Progress* Joseph Justin Castro,2019-01-01 From the late nineteenth century to the middle of the twentieth century Mexico experienced major transformations influenced by a global progressive movement that thrived during the Mexican Revolution and influenced Mexico's development during subsequent governments Engineers and other revolutionary technocrats were the system builders who drew up the blueprints printed newspapers implemented reforms and constructed complexity people who built modern Mexico with an eye on remedying long standing problems through social material and infrastructural development during a period of revolutionary change In *Apostle of Progress* J Justin Castro examines the life of Modesto C Rolland a revolutionary propagandist and a prominent figure in the development of Mexico to gain a better understanding of the role engineers played in creating revolution era policies and the reconstruction of the

Mexican nation Rolland influenced Mexican land reform petroleum development stadium construction port advancements radio broadcasting and experiments in political economy In the telling of Rolland s story Castro offers a captivating account of the Mexican Revolution and the influence of global progressivism on the development of twentieth century Mexico

Revoluciones latinoamericanas del siglo XX Alejo Maldonado Gallardo, Sergio Guerra, Roberto González Arana, 2006

Content-Based Instruction in Foreign Language Education Stephen B. Stryker, Betty Lou Leaver, 1997-09-01 This book offers concrete and practical ideas for implementing content based instruction using subject matter rather than grammar through eleven case studies of cutting edge models in a broad variety of languages academic settings and levels of proficiency The highly innovative models illustrate content based instruction programs for both commonly and less commonly taught languages Arabic Croatian French German Indonesian Italian Russian Serbian and Spanish and for proficiency levels ranging from beginners to fluent speakers They include single teacher and multi teacher contexts and such settings as typical language department classrooms specialty schools intensive language programs and university programs in foreign languages across the curriculum All of the contributors are pioneers and practitioners of content based instruction and the methods they present are based on actual classroom experiences Each describes the rationale curriculum design materials and evaluation procedures used in an actual curriculum and discusses the implications of the approach for adult language acquisition

From the Republic of the Rio Grande Beatriz de la Garza, 2013-03-15 The Republic of the Rio Grande had a brief and tenuous existence 1838 1840 before most of it was reabsorbed by Mexico and the remainder annexed by the United States yet this region that straddles the Rio Grande has retained its distinctive cultural identity to the present day Born on one side of the Rio Grande and raised on the other Beatriz de la Garza is a product of this region Her birthplace and its people are the subjects of this work which fuses family memoir and borderlands history From the Republic of the Rio Grande brings new insights and information to the study of transnational cultures by drawing from family papers supplemented by other original sources local chronicles and scholarly works De la Garza has fashioned a history of this area from the perspective of individuals involved in the events recounted The book is composed of nine sections spanning some two hundred years beginning in the mid 1700s Each section covers not only a chronological period but also a particular theme relating to the history of the region De la Garza takes a personal approach opening most sections with an individual observation or experience that leads to the central motif whether this is the shared identity of the inhabitants their pride in their biculturalism and bilingualism or their deep attachment to the land of their ancestors
