Erotic Epigrams

of The Greek Anthology

TRANSLATED BY DARYL HINE

Puerilities Erotic Epigrams Of The Gree

Brian James Baer

Puerilities Erotic Epigrams Of The Gree:

Puerilities Daryl Hine, 2001-05-13 Book XII of The Greek Anthology compiled at the court of Hadrian by the poet Strato contains 258 polished epigrams on the subject of Boy Love The short poems written by such poets as Callimachus Meleager and Strato himself are presented in Greek with facing English translation **Epigrams from the Greek Anthology**, 2020-11-26 Lush Diodorus sets the lads on fire But now another has him in his net Timarion the boy with wanton eyes Meleager AP 12 109 Encompassing four thousand short poems and more the ramshackle classic we call the Greek Anthology gathers up a millennium of snapshots from ancient daily life Its influence echoes not merely in the classic tradition of the English epigram Pope Dryden but in Rudyard Kipling Ezra Pound Virginia Woolf T S Eliot H D and the poets of the First World War Its variety is almost infinite Victorious armies ruined cities and Olympic champions share space with lovers quarrels and laments for the untimely dead but also with jokes and riddles art appreciation potted biographies of authors and scenes from country life and the workplace This selection of more than 600 epigrams in verse is the first major translation from the Greek Anthology in nearly a century Each of the Anthology's books of epigrams is represented here in manuscript order and with extensive notes on the history and myth that lie behind them **Greek Epigram in Reception** Gideon Nisbet, 2013-10 Tracing the evolution and reception history of a collection of ancient Greek epigrams from the early nineteenth to twentieth century the volume analyses the rhetoric which writers and translators brought to the text highlighting the after effects of this cultural war on the interpretations of Ancient Greece in British print culture *Greek Athletics in the Roman World* Zahra Newby, 2005-10-06 Exploring a key area of Greek culture as it developed under Rome and the Second Sophistic this work investigates questions of how identity is constructed through a cultural appropriation of the past Expurgating the Classics Bloomsbury Publishing, 2012-12-20 In the first collection to be devoted to this subject a distinguished cast of contributors explores expurgation in both Greek and Latin authors in ancient and modern times The major focus is on the period from the seventeenth to the twentieth century with chapters ranging from early Greek lyric and Aristophanes through Lucretius Horace Martial and Catullus to the expurgation of schoolboy texts the Loeb Classical Library and the Penguin Classics The contributors draw on evidence from the papers of editors and on material in publishing archives The introduction discusses both the different types of expurgation and how it differs from related phenomena such as censorship

Erôs in Ancient Greece Ed Sanders, Chiara Thumiger, Christopher Carey, N. J. Lowe, 2013-01-31 This volume brings together 18 articles which examine eros as an emotion in ancient Greek culture Taking into account all important thinking about the nature of eros from the 8th century BCE to the 3rd century CE it covers a very broad range of sources and theoretical approaches both in the chronological and the generic sense Greek Epigram from the Hellenistic to the Early Byzantine Era Maria Kanellou, Ivana Petrovic, Chris Carey, 2019-04-25 Greek epigram is a remarkable poetic form The briefest of all ancient Greek genres it is also the most resilient for almost a thousand years it attracted some of the finest Greek

poetic talents as well as exerting a profound influence on Latin literature and it continues to inspire and influence modern translations and imitations After a long period of neglect research on epigram has surged during recent decades and this volume draws on the fruits of that renewed scholarly engagement It is concerned not with the work of individual authors or anthologies but with the complexities of epigram as a genre and provides a selection of in depth treatments of key aspects of Greek literary epigram of the Hellenistic Roman and early Byzantine periods Individual chapters offer insights into a variety of topics from the dynamic interactions between poets and their predecessors and contemporaries and the relationship between epigram and its sociopolitical cultural and literary background from the third century BCE up until the sixth century CE to its interaction with its origins inscribed epigram more generally other literary genres the visual arts and Latin poetry as well as the process of editing and compilation that generated the collections that survived into the modern world Through the medium of individual studies the volume as a whole seeks to offer a sense of this vibrant and dynamic poetic form and its world which will be of value to scholars and students of Greek epigram and classical literature more broadly

Environment and Ecology in the Mediterranean Region II Recep Efe, 2014-03-17 The environment in ecological systems includes both physical parameters and biotic attributes and is a holocoenotic dynamically interlinked system Its investigation requires a dialectical approach which examines the different parts but integrates the organism and the environment into a dynamic whole Environment and ecology place emphasis on the real world Many decisions that directly or indirectly affect the balance of our environment are based on individual community state national and international decisions Given that ecological systems now also involve the economy ecology and its relationship with the environment are taking on an increasingly important role in today s world This book includes 32 chapters dealing with the different aspects cited above It discusses transhumance activities social changes in new life environments dendrohistorical studies recreation and tourism based on natural resources physical and social geographical studies on the riparian borders threats and environmental interactions in mountain forest ecosystems the evolution of the traditional agricultural landscapes the landscapes of Sierra Nevada cork oak forests and climate change the causes of flooding water scarcity and adaptation in agriculture nutrient pollution in rivers ethnobotanical studies and phenological observations of young beech stands The topics discussed in this book will attract the attention of students and researchers from different disciplines and will prove fruitful for all scholars working under the umbrella of environment and ecology studies

The Regulation of Sex-Themed Visual Imagery Lyombe Eko, 2016-04-29 Lyombe Eko carries out an historical and cultural survey of the regulation of visual depictions of explicit human sexual conduct from their earliest appearance on the clay tablets of the valley of the Tigris and Euphrates rivers in ancient Mesopotamia to the tablet computers of Silicon Valley The Regulation of Sex Themed Visual Imagery analyzes the contemporary problem of the applicability of the human right of freedom of expression to explicit imagery in the face of societal interests in the regulation of representations of human sexuality This book will be of interest to scholars students

and broad audiences interested in comparative studies in pornography regulation the history of pornography the law of pornography and obscenity and visual culture and history alike Paul Among the People Sarah Ruden, 2010-02-16 It is a common and fundamental misconception that Paul told people how to live Apart from forbidding certain abusive practices he never gives any precise instructions for living It would have violated his two main social principles human freedom and dignity and the need for people to love one another Paul was a Hellenistic Jew originally named Saul from the tribe of Benjamin who made a living from tent making or leatherworking He called himself the Apostle to the Gentiles and was the most important of the early Christian evangelists Paul is not easy to understand The Greeks and Romans themselves probably misunderstood him or skimmed the surface of his arguments when he used terms such as law referring to the complex system of Jewish religious law in which he himself was trained But they did share a language Greek and a cosmopolitan urban culture that of the Roman Empire Paul considered evangelizing the Greeks and Romans to be his special mission For you were called to freedom brothers and sisters only do not use your freedom as an opportunity for self indulgence but through love become slaves to one another For the whole law is summed up in a single commandment You shall love your neighbor as yourself The idea of love as the only rule was current among Jewish thinkers of his time but the idea of freedom being available to anyone was revolutionary Paul regarded by Christians as the greatest interpreter of Jesus mission was the first person to explain how Christ s life and death fit into the larger scheme of salvation from the creation of Adam to the end of time Preaching spiritual equality and God s infinite love he crusaded for the Jewish Messiah to be accepted as the friend and deliverer of all humankind In Paul Among the People Sarah Ruden explores the meanings of his words and shows how they might have affected readers in his own time and culture She describes as well how his writings represented the new church as an alternative to old ways of thinking feeling and living Ruden translates passages from ancient Greek and Roman literature from Aristophanes to Seneca setting them beside famous and controversial passages of Paul and their key modern interpretations She writes about Augustine about George Bernard Shaw s misguided notion of Paul as the eternal enemy of Women and about the misuse of Paul in the English Puritan Richard Baxter s strictures against flesh pleasing Ruden makes clear that Paul s ethics in contrast to later distortions were humane open and responsible Paul Among the People is a remarkable work of scholarship synthesis and understanding a revelation of the founder of Christianity *Pangs of Love and Longing* Anders Cullhed, Carin Franzén, Anders Hallengren, 2014-10-16 The complex relationship between psychic structures social norms and aesthetic representations is a challenge for every analysis of the historical manifestations of human desire *Pangs of Love and Longing Configurations of Desire in Premodern Literature* sets out to provide a deeper understanding of this relation by an assessment of linguistic and artistic configurations of desire in European literature from Antiquity to the Early Modern period The aim is to explore historic continuities and ruptures in attitudes towards sexuality pleasures and bodies as these are represented in a variety of cultural forms in order to demonstrate the plurality of premodern desire and

ultimately to offer fresh perspectives on our present reality The seventeen scholars participating in the anthology bring together theories and assessments from different areas of the Humanities German French Italian Spanish English and Comparative Literature History of Ideas and of Art Theology Philosophy and Gender Studies They are all engaged in cross disciplinary activities at universities in Sweden Norway and Denmark and they all participate in the Scandinavian network Configurations of Desire in Premodern Literature initiated in 2010 *Secreted Desires* Michael Matthew Kaylor, 2006

Graham R. Linda K. Hughes, 2005 Rosamund Marriott Watson was a gifted poet an erudite literary and art critic and a daring beauty whose life illuminates fin de si cle London In Graham R Linda K Hughes traces the poet s development from accomplished ballads and sonnets to avant garde urban impressionism and New Woman poetry to her anticipation of literary modernism **"When Brothers Dwell in Unity"** Stephen Morris, 2016-03-01 In the world of early Byzantine Christianity monastic rules acknowledged but discouraged the homosexual impulses of adult males What most disturbed monastic leaders was adolescent males being accepted as novices adult men were considered unable to control their sexual desires for these beautiful boys John Chrysostom the Archbishop of Constantinople 397 407 virulently denounced homosexuality but was virtually the only Byzantine cleric to do so Penances traditionally attached to heterosexual sins including remarriage after divorce or widowhood have always been much more severe than those for a variety of homosexual acts or relationships Just as Byzantine churches have found ways to accommodate sequential marriages and other behavior once stridently condemned this book argues it is possible for Byzantine Christianity to make pastoral accommodations for gay relationships and same sex marriage **LGBTQ+ Literature in the West** Robert C. Evans, 2023-05-18 A survey within one volume of the history of critical responses to LGBTQ literature from the beginning to the present day this book explores changes in attitudes literature and criticism over a period of two and a half thousand years For various reasons it focuses on literature of the West trying to give readers a clear sense within a relatively short compass not only of the development of queer literature perhaps the most encompassing of all terms but especially of critical responses to that literature notably during the past century and particularly the past fifty years All in all this book offers a roadmap to much of the excellent scholarship concerning LGBTQ literature that has arisen in the last half century an era of unparalleled interest in the topic and an era that has moved the topic from the distant sidelines of literary study to a place ever closer to the center of things *Queer Theory and Translation Studies* Brian James Baer, 2020-07-21 This groundbreaking book explores the relevance of queer theory to Translation Studies and of translation to Global Sexuality Studies Beginning with a comprehensive overview of the origins and evolution of queer theory this book places queer theory and Translation Studies in a productive and mutually interrogating relationship After framing the discussion of actual and potential interfaces between queer sexuality and queer textuality the chapters trace the transnational circulation of queer texts focusing on the place of translation in gay anthologies the packaging of queer life writing for global audiences and the translation of lyric poetry as a distinct site of

queer performativity Baer analyzes fictional translators in literature and film the treatment of translation in historical and ethnographic studies of sexual and linguistic others the work of queer translators and the reception of queer texts in translation Including a range of case studies to exemplify key ethical issues relevant to all scholars of global sexuality and postcolonial studies this book is essential reading for advanced students scholars and researchers in Translation Studies gender and sexuality studies and related areas Severan Culture Simon Swain,Stephen Harrison,Jaś Elsner,2007-10-04 This book surveys the Severan period s many developments in literature philosophy religion art archaeology and culture

Hadrian and the Triumph of Rome Anthony Everitt,2009-09-01 A fascinating insight into the mind of the Roman emperor Sunday Telegraph London Born in A D 76 Hadrian lived through and ruled during a tempestuous era a time when the Colosseum was opened to the public and Pompeii was buried under a mountain of lava and ash Acclaimed author Anthony Everitt vividly recounts Hadrian s thrilling life in which the emperor brings a century of disorder and costly warfare to a peaceful conclusion while demonstrating how a monarchy can be compatible with good governance What distinguished Hadrian s rule according to Everitt were two insights that inevitably ensured the empire s long and prosperous future He ended Rome s territorial expansion which had become strategically and economically untenable by fortifying her boundaries the many famed Walls of Hadrian and he effectively Hellenized Rome by anointing Athens the empire s cultural center thereby making Greek learning and art vastly more prominent in Roman life By making splendid use of recently discovered archaeological materials and his own exhaustive research Everitt sheds new light on one of the most important figures of the ancient world Ancient Love Letters Anna Tiziana Drago,Owen Hodkinson,2023-01-30 This volume investigates the form of love letters and erotic letters in Greek and Latin up to the 7th Century CE encompassing both literary and documentary letters the latter inscribed and on papyrus and prose and poetry The potential for and utility of treating this large and diverse corpus as a genre is examined To this end approaches from ancient literary criticism and modern theory of genre are made mutual influences between the documentary and the literary form are sought and origins in proto epistolary poetic texts are examined In order to examine the boundaries of a form limit cases which might have less claim to the label love letter are compared with more clear cut examples A series of case studies focuses on individual letters and letter collections Some case studies situate their subjects within the history and literary evolution of the love letter using both intertextuality and comparative approaches others placing them in their cultural and historical contexts particularly uncovering the contribution of epistolarity to erotic discourse and to the history of sexuality and gender in diverse eras and locations within Classical to Late Antiquity Children in the Roman Empire Christian Laes,2011-03-03 This book illuminates the lives of the forgotten children of ancient Rome and draws parallels and contrasts with contemporary society
