Seen and Heard in Mexico Elena Jackson Albarran,2015 During the first two decades following the Mexican Revolution children in the country gained unprecedented consideration as viable cultural critics social actors and subjects of reform Not only did they become central to the reform agenda of the revolutionary nationalist government they were also the beneficiaries of the largest percentage of the national budget While most historical accounts of postrevolutionary Mexico omit discussion of how children themselves experienced and perceived the sudden onslaught of resources and attention Elena Jackson Albarran in *Seen and Heard in Mexico* places children's voices at the center of her analysis Albarran draws on archived records of children's experiences in the form of letters stories scripts drawings interviews presentations and homework assignments to explore how Mexican childhood despite the hopeful visions of revolutionary ideologues was not a uniform experience set

against the monolithic backdrop of cultural nationalism but rather was varied and uneven Moving children from the aesthetic to the political realm Albarr n situates them in their rightful place at the center of Mexico s revolutionary narrative by examining the avenues through which children contributed to ideas about citizenship and nation *Spanish Comics* Anne Magnussen,2020-11-01 Spanish comics represent an exciting and diverse field yet one that is often overlooked outside of Spain Spanish Comics offers an overview on contemporary scholarship on Spanish comics focusing on a wide range of comics dating from the Francoist dictatorship 1939 1975 the Political Transition 1970 1985 and Democratic Spain since the early 1980s including the emergence of the graphic novel in 2000 Touching on themes of memory gender regional identities and history the chapters in this collection demonstrate the historical and cultural significance of Spanish comics **El Salvador** Al J. Venter,2017-10-30 When the world held its breath It is more than 25 years since the end of the Cold War It began over 75 years ago in 1944 long before the last shots of the Second World War had echoed across the wastelands of Eastern Europe with the brutal Greek Civil War The battle lines are no longer drawn but they linger on unwittingly or not in conflict zones such as Syria Somalia and Ukraine In an era of mass produced AK 47s and ICBMs one such flashpoint was El Salvador The twelve year guerrilla war in El Salvador the smallest country in Central America after Belize was one of the most intense insurgencies fought in the Central and South American region since the end of the Second World War Backed by the Soviet Union and Cuba the struggle was initiated on 15 October 1979 largely from Nicaraguan soil by the radical Farabundo Mart National Liberation Front FMLN a coalition or umbrella organization of five socialist and communist guerrilla groups Fearful of supporting an oppressive regime in San Salvador and media reports of death squads this drew a quick but muted response from a United States headed by Jimmy Carter and a Democratic majority in Congress However once Ronald Reagan was elected into office through various US intelligence bodies the CIA especially significant amounts of military hardware including a variety of the same aircraft and helicopters originally deployed in Vietnam were pumped into the country to counter Soviet efforts to support the rebels The Salvadorian security forces were eventually molded into an effective counter guerrilla force that was to force the rebels to the negotiating table *American International Pictures* Rob Craig,2019-02-15 American International Pictures was in many ways the missing link between big budget Hollywood studios poverty row B movie factories and low rent exploitation movie distributors AIP first targeted teen audiences with science fiction horror and fantasy but soon grew to encompass many genres and demographics at times it was indistinguishable from many of the major studios From Abby to Zontar this filmography lists more than 800 feature films television series and TV specials by AIP and its partners and subsidiaries Special attention is given to American International Television the TV arm of AIP and an appendix lists the complete AITV catalog The author also discusses films produced by founders James H Nicholson and Samuel Z Arkoff after they left the company 26 Seconds Rossana D'Antonio,2025-05-13 Much as Eric Schollsberg s Fast Food Nation made people think about the way we eat this provocative memoir and expos challenges readers to question why
