## **Pulp Fictions Hardboiled Stories:**

Pulp Fictions Peter Haining,1997      **Hard-Boiled** Erin Ann Smith,2000-05-15 In the 1920s a distinctively American detective fiction emerged from the pages of pulp magazines The hard boiled stories published in Black Mask Dime Detective Detective Fiction Weekly and Clues featured a new kind of hero and soon challenged the popularity of the British mysteries that held readers in thrall on both sides of the Atlantic In *Hard Boiled* Erin A Smith examines the culture that produced and supported this form of detective story through the 1940s Relying on pulp magazine advertising the memoirs of writers and publishers Depression era studies of adult reading habits social and labor history Smith offers an innovative account of how these popular stories were generated and read She shows that although the work of pulp fiction authors like Dashiell Hammett Raymond Chandler and Erle Stanley Gardner have become classics of popular culture the hard boiled genre was dominated by hack writers paid by the word not self styled artists Pulp magazine editors and writers emphasized a gritty realism in the new genre Unlike the highly rational and respectable British protagonists Miss Marple and Hercule Poirot for instance tough talking American private eyes relied as much on their fists as their brains as they made their way through tangled plotlines Casting working class readers of pulp fiction as poachers Smith argues that they understood these stories as parables about Taylorism work and manhood as guides to navigating consumer culture as sites for managing anxieties about working women Engaged in re creating white male privilege for the modern heterosocial world pulp detective fiction shaped readers into consumers by selling them what they wanted to hear stories about manly artisan heroes who resisted encroaching commodity culture and the female consumers who came with it Commenting on the genre s staying power Smith considers contemporary detective fiction by women minority and gay and lesbian writers      *Existentialism, Film Noir, and Hard-Boiled Fiction* ,      Hard-Boiled Erin Smith,2010-07-07 An examination of the culture that produced and supported pulp fiction      *Encyclopedia of Pulp Fiction Writers* Lee Server,2014-05-14 Provides an introduction to American pulp fiction during the twentieth century with brief author biographies and lists of their works      Western and Hard-Boiled Detective Fiction in America Cynthia S. Hamilton,1987-06-18      *Creatures of Darkness* Gene D. Phillips,2021-03-17 An exhaustively researched survey of Raymond Chandler s thorny relationship with Hollywood during the classic period of film noir Alain Silver film producer and author Raymond Chandler s seven novels including *The Big Sleep* 1939 and *The Long Goodbye* 1953 with their pessimism and grim realism had a direct influence on the emergence of film noir Chandler worked to give his crime novels the flavor of his adopted city Los Angeles which was still something of a frontier town rife with corruption and lawlessness In addition to novels Chandler wrote short stories and penned the screenplays for several films including *Double Indemnity* 1944 and *Strangers on a Train* 1951 His work with Billy Wilder and Alfred Hitchcock on these projects was fraught with the difficulties of collaboration between established directors and an author who disliked having to edit his writing on demand *Creatures of Darkness* is the first major biocritical study of Chandler in twenty years Gene Phillips explores Chandler

s unpublished script for *Lady in the Lake* examines the process of adaptation of the novel *Strangers on a Train* discusses the merits of the unproduced screenplay for *Playback* and compares Howard Hawks's director's cut of *The Big Sleep* with the version shown in theaters Through interviews he conducted with Wilder Hitchcock Hawks and Edward Dmytryk over the past several decades Phillips provides deeper insight into Chandler's sometimes difficult personality Chandler's wisecracking private eye Philip Marlowe has spawned a thousand imitations *Creatures of Darkness* lucidly explains the author's dramatic impact on both the literary and cinematic worlds demonstrating the immeasurable debt that both detective fiction and the neo noir films of today owe to Chandler's stark vision

#### Hard-boiled Masculinities

Christopher Breu,2005 The persona of the American male in the period between the two world wars was characterized by physical strength emotional detachment aggressive behavior and an amoral worldview This ideal of a hard boiled masculinity can be seen in the pages and even more vividly on the covers of magazines such as *Black Mask* which shifted from Victorian influenced depictions of men in top hats and mustaches in the early 1920s to the portrayal of much more overtly violent and muscular men Looking closely at this transformation Christopher Breu offers a complex account of how and why hard boiled masculinity emerged during an unsettled time of increased urbanization and tenuous peace and traces the changes in its cultural conception as it moved back and forth across the divide between high and low culture as well as the color line that bifurcated American society Examining the work of Ernest Hemingway Dashiell Hammett Chester Himes and William Faulkner as well as many lesser known writers for the hypermasculine pulp magazines of the 1920s and 1930s Breu illustrates how the tough male was a product of cultural fantasy one that shored up gender and racial stereotypes as a way of lashing out at the destabilizing effects of capitalism and social transformation Christopher Breu is assistant professor of English at Illinois State University

#### **Sports in the Pulp Magazines**

John Dinan,2015-06-14 From the late 1800s through the first half of the 1900s pulp magazines costing a dime and filled with both fiction and nonfiction were a staple of American life Though often overlooked by popular culturalists sports were one of the staples of the pulp scene such standards as the *National Police Gazette* and *All Story* carried some sports stories and several publications such as *Sport Story Magazine* were entirely devoted to them An overview of the pulps is followed by an examination of those devoted to sports how they came into being the development of the genre the popularity of its heroes and coverage of real life events The roles of editors

writers artists and publishers are then fully covered A chapter on Street Smith the foremost publisher of sports pulps follows while a concluding chapter discusses the reasons for the demise of the pulps in the early 1950s      **Calling All Cars**

Kathleen Battles, *Calling All Cars* shows how radio played a key role in an emerging form of policing during the turbulent years of the Depression Until this time popular culture had characterized the gangster as hero but radio crime dramas worked against this attitude and were ultimately successful in making heroes out of law enforcement officers Through close analysis of radio programming of the era and the production of true crime docudramas Kathleen Battles argues that radio was a significant site for overhauling the dismal public image of policing However it was not simply the elevation of the perception of police that was at stake Using radio reformers sought to control the symbolic terrain through which citizens encountered the police and it became a medium to promote a positive meaning and purpose for policing For example Battles connects the apprehension of criminals by a dragnet with the idea of using the radio network to both publicize this activity and make it popular with citizens The first book to systematically address the development of crime dramas during the golden age of radio *Calling All Cars* explores an important irony the intimacy of the newest technology of the time helped create an intimate authority the police as the appropriate force for control over the citizenry      *In Search of the Paper Tiger*

*Pulp Fictions* describes two improbably imbricated worlds and the piece of cultural history their intersections provoked One of these worlds comprises a clutch of noisy garish pulp movies *Kiss Me Deadly Shock Corridor Fixed Bayonets I Walked with a Zombie The Lineup Terror in a Texas Town Ride Lonesome* pumped out for the grind houses at the end of the urban

exhibition chain by the studios B divisions and fly by night independents The other is occupied by critics intellectuals cinephiles and filmmakers such as Jean Luc Godard Manny Farber and Lawrence Alloway who championed the cause of these movies and incited the cultural guardians of the day by attacking a rigorously policed canon of tasteful rarified and ossified art objects Against the legitimate and in defense of the illegitimate in an insolent and unruly manner they agitated for the recognition of lurid sensational crime stories war pictures fast paced Westerns thrillers and gangster melodramas were claimed as examples of the true the real and the authentic in contemporary culture the foundation upon which modern film studies sits
