 Wheaton,2014-06-11 Since their emergence in the 1960s lifestyle sports also referred to as action sport extreme sports
 adventure sports have experienced unprecedented growth both in terms of participation and in their increased visibility
 across public and private space book seeks to explore the changing representation and consumption of lifestyle sport in the
 twenty first century The essays which cover a range of sports and geographical contexts including Brazil Europe North
 America and Australasia focus on three themes First essays scrutinise aspects of the commercialisation process and impact
 of the media reviewing and reconsidering theoretical frameworks to understand these processes The scholars here
 emphasise the need to move beyond simplistic understandings of commercialisation as co option and resistance to capture
 the complexity and messiness of the process and of the relationships between the cultural industries participants and
 consumers The second theme examines gender identity and representations exploring the potential of lifestyle sport to be a
 politically transformative space in relation to gender sexuality and race The last theme explores new theoretical directions in
 research on lifestyle sport including insights from philosophy sociology and cultural geography The themes the monograph
 addresses are wide reaching and centrally concerned with the changing meaning of sport and sporting identity in the twenty
 first century This book was previously published as a Special Issue of Sport in Society **Edexcel Sport Examined**
Textbook Paul Beashel,Andy Sibson,John Taylor,2004 Clear concise and relevant explanations help develop and reinforce
