## **Punching Holes In The Darkness:**

**Punching Holes in the Dark** Robert Benson, 2016-09-06 We do not and cannot by definition know much about the kingdom to come But the One Who Came Among Us not only came to reassure us of the gift of the kingdom that is yet unseen but to proclaim the presence of the kingdom is already among us even when we cannot see it and we cannot hear it Sometimes we cannot see much evidence of the kingdom that is already here How do we find it not lose sight of it and even share its message of hope with others in the darkness In *Punching Holes in the Dark* author Robert Benson helps us discover strength in the gifts of the Spirit and encourages us all to start punching holes as hard as we can as often as we can to let the Light of the world sneak in

worse Archibald's father was warned to guard his words on issues of race to protect his family and he did. He spoke to his flock in the safety of parable and trusted in the goodness of others even when they earned none of it rising through the ranks of the Methodist Church and teaching his family lessons in kindness and humanity and devotion to nature and the Earth. **Being Human** Steve Chalke, 2015-04-09 Your life is precious a precious gift. It is sacred every moment of it. The opportunity to live rather than sleepwalk through our days belongs to us. This book is a call to wake up. It is a call to each one of us to wake up to live before we die. It's easy to sleepwalk through life without ever really considering what we're here for. But life presents us with continual opportunities to wake up and to think about not just what we do with our lives but who we become while living them. Ultimately it is the story that we believe about ourselves our lives and the world around us that will shape us for better or for worse. So where do we find a good story a convincing narrative that makes sense of it all? Steve Chalke suggests that Jesus' good news about the kingdom of God a practical lived out expression of God's plans for the world is the best story for us to find ourselves in. Each one of us is called to be part of the drama of the coming kingdom and it's in this that we find a practical spirituality that helps shape our lives into everything we were meant to be

**Dark Beyond Darkness** James G. Blight, Janet M. Lang, 2017-12-22 In *Dark Beyond Darkness* James Blight and Janet Lang among the world's foremost authorities on the Cuban missile crisis synthesize the findings from their thirty year project on the most dangerous moment in recorded history. Authoritative accessible and written with their usual flair and wit *DBD* is the first book to take readers deeply inside the experience and calculations of Fidel Castro who was willing to martyr Cuba if his new Russian ally would nuke the U.S. and destroy it. Blight and Lang have established that in October 1962 the world was on the brink of Armageddon and that we escaped by luck. Their history is scary but unimpeachably accurate. We just barely escaped the cold and the dark in October 1962. Their history also comes with a warning we are currently at risk not only of Armageddon fast in a war between superpowers but Armageddon in Slow Motion the result a climate catastrophe following a regional nuclear war and from Armageddon. Oops a conflict sparked by an accident which is misinterpreted and ends in nuclear war. Drawing on the insights of poets musicians and novelists as well as climate scientists and agronomists they show the terrible risk we run by refusing to abolish nuclear weapons
