A love story.* Christian Filostrat,2024-02-07 Sister Immanuel recounts her life and the life of her great love Sister Maria from their childhood in Belgium to their service as Catholic nuns in colonial Belgian Congo in this mesmerizing psychological drama

With my head on the Wembo Nyama made pillows I smile at the ceiling I love the sound of the rain on the roof My smile is also to deride all the efforts to reject nature Neither bound breasts nor convents ramparts kept desire at bay Rules cannot invalidate lust meanness or all the other traits we are saddled with Blessed however is she who is saddled with love The Bantus resented our attempt at being parents to them more than they did Leopold s brutality toward their fathers Brutality you see is forthright It leaves no doubt as to where the brutalized stand It is predictable Paternalism was something else It had the Bantus wondering what we would subject them to next They became restless and guarded The Mbulamatadis responded with disjointed colonial policies But by then they had about as much credibility as the dunce who challenges reason The post war policies became exercises in contortion as the Mbulamatadis didn t know which way to turn as they groped to maintain control of the colony Violence was easy to abide by as was dehumanization which had set in long ago The Mbulamatadis wanted to punish the Bantus for daring to question their authority over them and they drove themselves to frenzies in the rush to dehumanize the Bantus better to curse accuse them of all evils and maintain control Practicality should have inhibited these behaviors but it did not The Second World War had brought water to the mill of revolution in colonies everywhere From Asia to Africa the colonial world was abuzz with change Before the war Belgian colonists the Mbulamatadis concerned themselves with the climate their club which cut of meat was most appropriate at what reception and of course how best to protect themselves against Bantu diseases Life in the colony was simple then Subsequently I watched the unraveling take place the blissful illusion dissipate the specific time when it all changed and the end coming on the galloping pale horse During this time those who believed that ruling over the center of the Dark Continent gave life meaning were particularly hard hit Before the war they had their way with the Bantus Afterwards they recited verses from the Bible especially the one from Genesis Perhaps they will hate us and return to us the evil that we have done unto them I heard with my own ears the wife of a colonial officer relay that message to her husband in our chapel No bad conscience ever haunted dreams the way Belgian dreams were haunted in the Congo In order to exorcise the spirit of wrongs from their colonial past they initiated campaigns of praise for all that the Mbulamatadis had brought to the Congolese The Bantus however would have none of it and as the decade of the 60s approached even the volu s felt shame for what had been inflicted on them They grieved like rape victims Colonialism would forever stain their souls When disenchantment set in there was no way to recapture the moment They were told they would have to start over again The Mbulamatadis however did not care to start over They dug in insisting that the old master servant ways be maintained at all costs with a measure of paternalism for those so inclined To be sure most of the colonialists were God forgive me lowbrow petit bourgeois at best Petit bourgeois are loath to accept their inferior position in society so they search for others to place beneath them An African colony was the perfect venue for the petit bourgeois to elevate themselves Colonialism is a genre unto itself a grim model of presumption and the practice of dehumanization Starting Over Becca Jameson,2022-02-22 Amelia This is my

dream job Head chef at a mountain resort Sure it s a resort for a very specific group of patrons I belong to Surrender so I know the owners and I m familiar with the lifestyle I m not little myself Or at least I don t think so And then I meet Foster and he makes me doubt everything I know to be true Foster I ve worked alone at Blossom Ridge for five years Now Roman has turned it into a resort and I m good with that Until Amelia shows up with her excitement and adorableness It s been a long time since I ve had a little but I m drawn to her I just have to convince her it s the life for her and that she s mine While You're Away Part VI Jessa Holbrook,2013-11-19 Once a cheater always a cheater From the moment Will and Sarah first set eyes upon each other they know that what they have is special There s just one little problem each of them already has a significant other After flirting with danger it becomes clear their passion is too strong to be denied But even if they make their relationship official there are plenty of challenges in store Will leaves for college at the end of the summer while Sarah faces her senior year of high school in their small suburban town Long distance relationships always come with their fair share of troubles mismatched schedules jealousy and temptation are only the beginning Can cheaters ever change WHILE YOU RE AWAY is a steamy story about a love triangle a long distance relationship and learning the true meaning of commitment
