Kahn it's a bittersweet day of transition Little do they realize the trials they will face and how severely this one day will test their relationship In fact closing day seems to be a catalyst for many Punktown residents drawing them in stirring them up and letting them loose on each other This roller coaster tale builds to a peak of expectation then plummets twisting and turning a breathtaking juggernaut to the final pages with plenty of screams and giggles along the way Nothing Is Inflammable Simon Logan,2006-04-01 Nothing Is Inflammable is the second collection of industrial fiction following up on I O and released alongside Rohypnol Brides by Prime Books Inside are stories of paranoid pseudo scientists guerilla journalists ghosts that roam the static and punk riots amongst others **The Best of Him+chim+her** Mike Philbin,2005-09 Chim Her and Chim Him were two separate titles originally published through Cyber Pulp Press of Houston They showed how much fun one can have in collaboration with another writer of either sex Where there were three collabs with each of the writers in the original books here I've chosen the very best collaborations from each book Collaborations with Destiny West Queenie Tirone Dawn Andrews Brutal Dreamer Charlee Jacob Amy Grech Christina Sng Alex Severin Simon Logan Mark McLaughlin Vincent Sakowski Greg Wharton John Edward Lawson D F Lewis and M F Korn *Deadstock* Jeffrey Thomas,2007-02-27 At an abandoned apartment complex with a dark history in Punktown a crime ridden metropolis on the colony world Oasis a tough street gang and a band of mutant squatters have been trapped inside by bioengineered life forms mindlessly bent on destroying them like vermin *Blue War* Jeffrey Thomas,2008-02-26 Private detective Jeremy Stake a man possessing mysterious chameleon like abilities is assigned to investigate an empty city filled with the remains of cloned humans and a bizarre organic facsimile of Punktown growing out of the jungle he stumbles into a plot to re ignite the war between humans and Ha Jiin **The New Weird** Ann VanderMeer,Jeff VanderMeer,2008 Descend into shadowy cities grotesque rituals chaotic festivals and deadly cults Plunge into terrifying domains where bodies are remade into surreal monstrosities where the desperate rage against brutal tyrants Where everything is lethal and no one is innocent where Peake began and Lovecraft left off this is where you will find the New Weird Edgy urban fiction with a visceral immediacy the New Weird has descended from classic fantasy and dime store pulp novels from horror and detective comics from thrillers and noir All grown up it emerges from the chrysalis of nostalgia as newly literate shocking and utterly innovative Here is the very best of the New Weird from some of its greatest practitioners This canonic anthology collects the original online debates first defining the New Weird and critical writings from international editors culminating in a ground breaking round robin piece Festival Lives which features some of the hottest new names in New Weird fiction *The Last Pentacle of the Sun* Brett Alexander Savory,2004 This anthology of dark fiction is published in support of Echols Misskelley and Baldwin the West Memphis 3 All proceeds will go toward legal efforts to clear the names of the three men convicted of murdering three eight year old boys in Arkansas in 1993 Tempting Disaster John Edward Lawson,2005 This anthology from the fringe examines our culture's obsession with taboos and the added temptation that forbidden pleasures bring Warnings of danger and peril only heighten

our desire for those things we have been told are bad wrong and have been warned against doing Postmodernists and surrealists come together in these pages with renegade horror and sci fiction authors to re envision what is acceptable By turns humorous and horrific then shocking and alluring the authors dissect those very impulses we deny in our everyday lives While navigating the minefield of gender relations and plotting explorations into the landscape of the other this volume is all inclusive in scope It allows for every lifestyle and viewpoint no matter how unlikely or bizarre This literary experiment on human desire opens up many possibilities including the chance that the ultimate disaster might very well prove to be the most compelling temptation      **Health Agent** Jeffrey Thomas,2009 Punktown s health agents are charged with keeping the public safe from infectious disease Between inter planetary travel super mutant strains of bacteria and criminal genetic manipulation they certainly keep busy But for health agent Montgomery Black work is about to consume his life The problem is a highly contagious and extremely deadly STD mutstav six seventy and cases are showing up everywhere While trying to prevent the spread of the disease Black could lose everything that s important to him but there s no ignoring the suspicion that something far more sinister than the impartial hand of nature is behind the spread of this epidemic      Collier's ,1915
