linear march through grammar one structure at a time students are able to begin using language in a way that is creative and allows for natural language production Ultimately students will move easily from simple sentence level discourse to paragraph length discourse The title itself makes reference to this progression since it is the Spanish expression for the beginning of a new paragraph punto y aparte The British National Bibliography Arthur James Wells,2004 Looseleaf for Punto y aparte Anne Lambright,Sharon W. Foerster,2014-01-14 Punto y aparte Spanish in Review Moving Toward Fluency places communicative goals at the forefront of the intermediate Spanish course so students don t just learn about the language they learn how to use the language in an authentic and natural way that allows students to express themselves with increasing fluency and accuracy in real world settings The proven qualities of Punto y aparte include a focus on seven core communicative functions called out with icons throughout the program and the grammatical structures that support them These functions are constantly recycled throughout the program to reflect the real life use of language meaningful communicative practice through writing and speaking activities presented in a real world context In Connect our composition and peer editing tools along with our Blackboard IM and VoiceBoard tools allow students the opportunity to have communicative practice with their peers outside the classroom as well Connect is the only integrated learning system that empowers students by continuously adapting to deliver precisely what they need when they need it and how they need it so that your class time is more engaging and effective constant recycling of grammar and vocabulary throughout the program using the seven communicative functions Para repasar boxes Pruebas diagn sticas and the LearnSmart suite of tools cultural content in the form of new Cu ntennos videos and the Viaje conmigo a videos as well as readings on art music and history serve to recycle grammar and vocabulary and to enrich students experience of language learning and provide a window into Spanish speaking cultures These features support the core goals of the intermediate Spanish course and put students on a successful path from simple utterances to more extensive discourse from sentence level to paragraph length expression Connect Spanish including but not limited to the workbook lab manual LearnSmart the video program and chat tools is sold separately and does not come automatically with the purchase of the textbook Puntos de partida: an Invitation to Spanish Knorre,2001-01-01 Puntos de partida offers the most teacher and student friendly textbook on the market as well as a host of exciting new features most notably a state of the art Instructor Edition This Instructor Edition offers more teaching apparatus than any other introductory Spanish book on the market An enlarged trim size extensive annotations and other special features sets Puntos de partida apart from every book on the market both physically and because of the breadth and quality of the marginal annotations **Instructor's Manual and Resource Kit to Accompany Puntos de Partida** Knorre,2004-02 Punto y aparte: Expanded Edition Sharon Foerster,Anne Lambright,2010-08-12 Punto y aparte Expanded Edition moves your students beyond learning about the Spanish language to actually using their Spanish in natural meaningful contexts With Punto y aparte Expanded Edition students develop more confidence for communication and begin
