New Christians was in reality synonymous with the Portuguese mercantile middle class which conservative Portuguese society would not tolerate. Most or nearly all of the New Christian Inquisitorial victims some 40 000 between 1540 and 1765 were unremarkable Catholics who often had minimal Jewish ancestry. The Portuguese Inquisitorial procedure was not designed to distinguish between guilt and innocence but considered any defendant once categorized a New Christian a Judaizer. First published in Portuguese in 1969 this is the only work by Ant nio Jos Saraiva available in English and the only single volume history devoted primarily to the working of the Portuguese Inquisition a most lucid and compact survey. It presents Saraiva's 1975 revised history and analysis of the Portuguese Inquisition a 1971 interview with Professor Israel Salvator R vah Saraiva's dialogues and R vah's reply of the same year both scholars letters to the Di rio de Lisboa Footnotes and introductions have been expanded. A brief survey of the Portuguese Inquisition in Goa India as well as a list of Portuguese kings and Inquisitors general and an up to date bibliography have been added.

The Policing of Transnational Protest Abby Peterson, 2016-02-24 Having long been a neglected issue the policing of protest began to attract considerable attention in the 1990s climaxing in the events in Seattle of 1999. These protests and the changing political climate since September 11 2001 mean that a new cycle of protest is challenging the concept of law and order and civil liberties. This book examines how new policing styles are developing using case studies from North America and Europe. The volume brings together researchers from a number of disciplines sociology criminology political science and mass communication who focus on new forms of political protest policing and public order.

Anti-Hero A.J. Lozier, 2022-02-25 A memoir of one man's journey into and out of the movement that foreshadowed the modern day Antifa. Between 1999 2005 as the nation convulsed with uncertainty over a contested election and the Sept 11 attacks A J Lozier attended and helped organize protests across the United States as an active participant in the anarchist black bloc predecessor to the modern day Antifa. He was charged tackled swung at shot at with rubber bullets punched and once arrested. He did his fair of shoving too all in the name of Anarchy which he believed to be the only hope for a more peaceful and equitable society in which capitalism was a thing of the past. This is no behind the mask expos but nor is it a work of unselfconscious propaganda. It is first and foremost a story but one that charts how a pure intentioned desire for peace and justice morphed into a mechanism for justifying any behavior. It is a story that foreshadows the Antifa we see today.
