Pure Heart:

A Pure Heart B. Scott Sparks, 2021-07-17 This book is about the process of obtaining and maintaining a pure heart in accordance to the Sermon on the Mount **Traditional Christian Ethics** David W. T. Brattston, 2014 Traditional Christian Ethics features two exhaustive alphabetical lists of affirmative commandments and prohibitions from the earliest Christian ethics as found in writers before the mass apostasy of 249-251 AD The affirmatives or positives list consists of what Christians are were commanded or encouraged to do The other list is of negatives or prohibitions i.e. what Christians are were discouraged from doing similarly arranged The source material for the work encompasses far more than the ten volume Ante Nicene Fathers edited by Roberts and Donaldson It also draws from all writings of the period Christian Jewish and pagan available in English or French translation plus a few Latin translations Some translations have been published only in scholarly journals and some only in the twenty first century Volumes Two and Three form a single exhaustive alphabetical list of affirmative commandments or precepts including mental attitudes i.e. what Christian ethics commanded or encouraged according to writers on Christian ethics before 250 AD Using earlier drafts of this set of books Dr Brattston's articles and booklets synthesizing early and contemporary Christianity have been published by a wide variety of denominations and ministries in every major English speaking country He hopes readers will use them as a starting point for writing articles papers and sermons of their own *The Complete Works of Zacharias Tanee Fomum on Holiness* Zacharias Tanee Fomum, The Complete Works of Zacharias Tanee Fomum on Holiness contains the following books True Repentance Restitution Deliverance from Sin The Way of Sanctification You Can Receive a Pure Heart Today The School of Truth The Believer's Conscience The Sin before You Can Lead to Death Do not commit it A Vessel of Honour A Broken Vessel Holiness seems to have become an elusive theme in our day Many preachers prefer to shy away from preaching it Why Because they don't live it In this way the enemy is fighting holiness like nothing else since he knows we have all been commanded to be holy even as He is holy Leviticus 19:2 The Bible says You must distinguish between the holy and the common between the unclean and the clean and you must teach the Israelites all the decrees the Lord has given them through Moses Leviticus 10:10-11 So holiness has to do with being uncommon and extraordinary clean at heart and teaching it by example This makes holiness a subject that is related to sinlessness righteousness and godliness It begins with true repentance A person who has not known true repentance unto God and faith in the Lord Jesus cannot be holy Attempting holiness without true repentance would be wood hay and stubble ready to be burned in the fire He who repents truly will naturally and easily carry out restitution for past stolen defrauded borrowed or unpaid things Every holy person is uncommon in that he has experienced deliverance from all sin through knowing reckoning yielding entirely to God and walking in the Spirit He has entered the way of sanctification He has received a pure heart and enrolled in the School of Truth A holy man is a man with an all good conscience who shuns all sin because he cherishes his relationship with God He refrains from all sin because he would not want to court God's

judgment He has willingly offered himself to be broken and for that reason has become a vessel of honour Following the simple practical steps outlined in this anthology will carry you into the way of holiness We send this first volume on holiness out with a cry to the Lord that He should use it to bring many to the way of holiness that has become so elusive in our day
