

she is like the sun
you feel warmth
on your cheeks
and joy
in your soul
whenever you're in her presence
but her beauty radiates
so vibrantly
staring too long
could leave you blinded
by her dazzling light
and staying too long
might just get you
burned
but it's worth the risk
for even a moment of her bliss

it always is, isn't it?

A monster of a fantasy with a twist in the tale Joanne Ross saw the chance of a summer cruise on the Caledonian Canal in Scotland as a great get away from it all after a demanding year on a teaching exchange in England so why does she find herself inviting Loz Garet along with her Has she learned nothing from sharing a house with him for the last year On Loch Ness night falls and tension rises Odd events seem to multiply around her and Joanne finds herself with two more people on her boat the obsessed Jim searching for answers in the cold dark water and the teasing buoyant young Cora who has an answer for everything As she observes the complex web of shallow interactions between her guests with some distaste Joanne finds herself ever more drawn to the deeply beautiful loch It s not long before she s forced into contemplating who the real monster is here Is it really in the water or is it right there on the boat with her *The Academy* ,1910 [Academy](#),
