Panchen Lama's Easy Path de lam written nearly four hundred years ago is like a chest of jewels that has until now been locked to English speakers. This translation with Gyumed Khensur Lobsang Jampa's commentary unlocks that chest and holds each jewel up to the sunlight to reveal its great beauty and value. A number of books in the past have explained how to meditate on the stages of the path but Geshe Lobsang Jampa's volume is unique in showing the reader how to integrate visualizations from highest yoga tantra guru yoga and the instructions of the oral tradition within the contemplations of every single stage. From the initial meditations on the precariousness and immense value of human existence through the contemplations of how we perpetuate the cycle of suffering to the highest teachings on the practice of universal compassion and the empty nature of phenomena. The Easy Path leads practitioners step by step through the journey to enlightenment.

Mind Beyond Death Dzogchen Ponlop, 2008-08-29. An indispensable guidebook through the journey of life and death. Mind Beyond Death weaves a synthesis of wisdom remarkable in its scope. With warm informality and profound understanding of the Western mind, the Dzogchen Ponlop Rinpoche makes the mysterious Tibetan teachings on the bardos, the intervals of life, death and beyond completely available to the modern reader. Drawing on a breathtaking range of material, Mind Beyond Death shows us how the bardos can be used to conquer death. Working with the bardos means taking hold of life and learning how to live with fearless abandon. Exploring all six bardos, not just the three bardos of death, Mind Beyond Death demonstrates that the secret to a good journey through and beyond death lies in how we live. Walking skillfully through the bardos of dream, meditation and daily life, the Dzogchen Ponlop Rinpoche takes us deep into the mysterious death intervals, introducing us to their dazzling mindscape. This tour de force gives us the knowledge to transform death, the greatest obstacle, into the most powerful opportunity for enlightenment. With both nuts and bolts meditation techniques and brilliant illumination, Mind Beyond Death offers a clear map and a sturdy vehicle that will safely transport the reader through the challenging transitions of this life and the perilous bardos beyond death.
