

PURE DAUGHTER

Poems by Debra Bruce

Pure Daughter

Jianjun Gao

Pure Daughter:

Burning Down The House Rosemary Marangoly George, 2019-04-09 This book views domesticity through multiple frames and surveys the rhetoric and practices of domestication in contemporary cultures It also examines the consequences and costs of homemaking in various geographic and textual locations

Daimonic Imagination Patrick Curry, William Rowlandson, 2013-07-16 From the artistic genius to the tarot reader a sense of communication with another order of reality is commonly affirmed this other may be termed god angel spirit muse daimon or alien or it may be seen as an aspect of the human imagination or the unconscious in a psychological sense This volume of essays celebrates the daimonic presence in a diversity of manifestations presenting new insights into inspired creativity and human beings relationship with mysterious and numinous dimensions of reality In art and literature many visual and poetic forms have been given to the daimonic intelligence and in the realm of new age practices encounters with spirit beings are facilitated through an increasing variety of methods including shamanism hypnotherapy mediumship and psychedelics The contributors to this book are not concerned with proving or disproving the existence of such beings Rather they paint a broad canvas with many colours evoking the daimon through the perspectives of history literature encounter and performance and showing how it informs and has always informed human experience

The Meshalim in the Mekhiltot Lieve M. Teugels, 2019-04-09 This edition of rabbinic parables meshalim in the two Mekhiltot the tannaitic Midrashim to the book of Exodus 3rd century CE has a double scholarly purpose It offers a critical synoptic presentation and study of the textual witnesses of the parables and a commentary on their meaning and function in their literary and historical context Moreover a new English translation of every parable will make the edition a useful tool for interested readers with less knowledge of Hebrew or those merely looking for a quick reference This edition which intends to be the first in a series of editions of parables in all the tannaitic works is an indispensable tool not only for scholars of Jewish texts but also for students of the New Testament and early Christian literature historians of religion in late Antiquity and those interested in similar literary genres such as fables

Reciting America Christopher Douglas, 2001 He explores how these novels and other texts confront national discourse and strive though with inconclusive results to open America up to new subject positions by offering alternatives to the dominant ideology Douglas finds contemporary intellectual and political life against the backdrop of a mythology enshrined in proclamations pledges and public documents to be impoverished by the pervasive use of cliches which he identifies as figures of speech that stimulate emotion or action while shortcircuiting reflection In its extreme cliched form the American Dream consists of nothing more than advertising slogans and popular culture images yet these pronouncements retain a powerful hold on the will and imagination of U S citizens

Women of Color Diane Long Hoeveler, Janet K. Boles, 2001-08-30 Beginning in the late 1960s women s studies scholars worked to introduce courses on the history literature and philosophies of women While these initial efforts were rather general women s studies programs have started to give increasing amounts

of attention to the special concerns of women of color The topic itself is politically charged and there is growing awareness that the issues facing women of color are diverse and complex Expert contributors offer chapters on the major concerns facing women of color in the modern world particularly in the United States and Latin America Each chapter treats one or more groups of women who have been underrepresented in women s studies scholarship or have had their experiences misinterpreted including African Americans Latina Americans Asian Americans and Native Americans Women of Color includes chapters on theories related to race gender and identity One section provides discussions of literature by women of color including works by such authors as Toni Morrison and Maxine Hong Kingston The book also focuses on the place of women of color in higher education including chapters on women of color and the women s studies curriculum and the role of librarians in shaping women s studies programs

The Cult of Divine Birth in Ancient Greece M. Rigoglioso,2009-04-26 Greek religion is filled with strange sexual artifacts stories of mortal women s couplings with gods rituals like the basilinna s marriage to Dionysus beliefs in the impregnating power of snakes and deities the unusual birth stories of Pythagoras Plato and Alexander and more In this provocative study Marguerite Rigoglioso suggests such details are remnants of an early Greek cult of divine birth not unlike that of Egypt Scouring myth legend and history from a female oriented perspective she argues that many in the highest echelons of Greek civilization believed non ordinary conception was the only means possible of bringing forth individuals who could serve as leaders and that special cadres of virgin priestesses were dedicated to this practice Her book adds a unique perspective to our understanding of antiquity and has significant implications for the study of Christianity and other religions in which divine birth claims are central The book s stunning insights provide fascinating reading for those interested in female inclusive approaches to ancient religion

Women and Literature Jolanda Cornish,2008-05 Essays exploring women s worlds using literary works diaries or travel narratives **Proposals for Printing by Subscription, a New Edition of The Description of Leicestershire** William Burton,1777 **Their Fathers' Daughters** Elizabeth Kowaleski-Wallace,1991-10-03 Current feminist theory has developed powerful explanations for some women writers rebellion against patriarchy But other women writers did not rebel rather they supported and celebrated patriarchy Examining the lives and selected works of two late eighteenth century writers Hannah More and Maria Edgeworth this book explores what it means for a woman writer to identify with her father and the patriarchal tradition he represents Kowaleski Wallace exposes the psychological social and historical factors that motivated such an identification and reveals the consequences that result from being a daddy s girl **TID.** ,1960 [The One Year Father-Daughter Devotions](#) Jesse Florea,Leon C. Wirth,Bob Smithouser,2012-09-21 As girls enter their tween and teen years it s especially important for them to have an open and growing relationship with their father Unfortunately this is often the time when parental relationships are strained The One Year Father Daughter Devotions can foster communication and understanding and it s a wonderful way for a father to bond with his daughter during a crucial point in her life Each of the 365 devotions begins with an introductory

story then daddy daughter time provides discussion questions activities or other practical applications of the daily lesson A What s the Word section gives a related Bible verse to help bring God s Word alive as father and daughter apply the Scripture to their lives Written by three fathers the devotions have a tone that is conversational and relatable the authors use everything from flavored potato chips to the Etch A Sketch game to share truths about God s Word and to help fathers and daughters relate to each other Israeli Folk Narratives Haya Bar-Itzhak,2005-09-19 Anyone interested in folk stories and Israeli culture will be enlightened by this sensitive thought provoking book *Understanding Hamlet* Richard Corum,1998-10-28 Shakespeare s Hamlet regarded by many as the world s most famous play by the world s most famous writer is one of the most complex demanding discussed and influential literary texts in English As a means of access to this play this unique collection of primary materials and commentary will help student and teacher explore historical literary theatrical social and cultural issues related to the play In an approach unique for this series Corum guides the reader through a literary analysis of Hamlet s options He examines the popular theatres of the day in which Shakespeare and his company first produced Hamlet and discusses the genre of tragedy in which it is written Through judicious selection of primary historical documents the work provides contexts for understanding Hamlet s melancholy the ghost of Hamlet s father the theme of revenge and Hamlet s feigned madness Chapters on Gertrude and Ophelia illuminate these characters in the context of the play and early modern English culture Each chapter contains a variety of materials many of which are not readily available elsewhere essays poems histories treatises official documents stories religious tracts homilies memoirs engravings village records and fifteen illustrations An explanatory introduction precedes each document Each chapter concludes with study questions topics for written and oral exploration and a list of suggested readings This casebook will enrich the reader s understanding of the play and the context in which it was written **Annual Report of the Department of Agriculture, for the Province of Ontario** Ontario. Department of Agriculture,1916 Consists of separately paged reports of bodies related to the Dept *8 Great Dates for Moms and Daughters* Dannah Gresh,2014-08-01 With all the pressures and influences of today s world Christian moms worry about their little girls and how they will grow up Quality time between a mom and a daughter can be the greatest protection against the world s pressures to make a girl mature too quickly Knowing this Dannah Gresh popular speaker and founder of the Secret Keeper Girl conferences has developed a host of dating ideas to help moms invest the time needed to deeply connect with their daughters 8 Great Dates includes fun mother daughter get togethers perfect one on one or for a small group of moms and their energetic 8 12 year old daughters Each date focuses on one topic surrounding beauty and modesty and is full of fun while at the same time imparting a life and faith enhancing message The book provides a mom with everything she needs to plan and carry out the activities and includes topics such as The power of true beauty what makes a girl beautiful Truth or bare fashions how to balance fashion and godly modesty Hair makeup and clothes who should be your model Here s the secret to bringing up healthy grounded

and spiritually rich girls The Portland Magazine ,1835 **The Portland Magazine** Ann Sophia Stephens,1835

Fundamentals of Nuclear Science - Application in Agriculture H. Chandrasekharan,Navindu Gupta,2006 This book is based on the compilation of lecture notes on nuclear techniques in agriculture and biology prepared and updated for students of PG School IARI New Delhi during the past 16 years The book contains three parts namely Fundamentals of Nuclear Science covering the basic features Applications comprising essential application with focus on agriculture and Appendices consisting of bibliography nuclear terms radioactive decay charts select constants and abbreviations used Salient Features Language is lucid and informal Unique in terms of its contents and 88 illustrations and 11 photographs that simplify and encourage the readers in understanding the approach and theory Recent developments in Nuclear Magnetic Resonance have been discussed Provides a comprehensive view of the potentialities of nuclear science and its application Contains clarity and high level of precision in presenting the subject matter A detailed bibliography for further reading Detail contents at the begining facilitate quick revision Can be used either as a textbook or for supplementary reading in colleges universities and research institutions dealing with applications of nuclear techniques Would be of immense help to the academic community at large In short the flawless presentation on various aspects of nuclear applications is expected to enrich biologists and agricultural scientists to easily understand not only the basic concepts but also essentials on the application of the nuclear energy in a variety of ways for research and in agriculture *Precious Records* Susan Mann,1997 Most analyses of gender in High Qing times have focused on literature and on the writings of the elite this book broadens the scope of inquiry to include women s work in the farm household courtesan entertainment and women s participation in ritual observances and religion In dealing with literature it shows how women s poetry can serve the historian as well as the literary critic drawing on one of the first anthologies of women s writing compiled by a woman to examine not only literary sensibilities and intimate emotions but also political judgments moral values and social relations **On the value and the utility of the freedom of the Hanse-Towns ... Translated from the German manuscript by B. Crusen** Jonas Ludwig von HESS,1814
