Humorous Hits and how to Hold an Audience Grenville Kleiser, 1908 In preparing this volume the author has been guided by his own platform experience extending over twelve years During that time he has given hundreds of public recitals before audiences of almost every description and in all parts of the country It may not be considered presumptuous therefore for him to offer some practical suggestions on the art of entertaining and holding an audience and to indicate certain selections which he has found have in themselves the elements of success The encore fiend as he is sometimes called is so ubiquitous and insistent that no speaker or reader can afford to ignore him and indeed must prepare for him in advance To find material that will satisfy him in one or in a dozen of the ordinary books of selections is an almost impossible task It is only too obvious that many compilations of the kind are put together by persons who have had little or no practical platform experience In an attempt to remedy this defect this volume has been prepared *Any Similarity to Persons Living or Dead is Purely Coincidental* Drew Friedman, Josh Alan Friedman, 2012-04-30 Any Similarity is a collection of Drew Friedman's earliest comic strips and illustrations featuring his most obsessively stippled black and white panels and his most hilarious wise guy takes on the stars and demi stars and never quite stars of that swamp we like to call showbiz In these strips many of them written by his brother Josh Alan Friedman both are sons of the legendary Bruce Jay Friedman humor genes will tell the artist works out his obsession with such celebrities as Jim Nabors Frank Sinatra Jr Joe Franklin Bob Hope Andy Griffith and Ed Wood Jr film star Tor Johnson whom Friedman actually catapulted back into some sort of semi fame when these strips were first published in the 1980s *The Awesome Adventures of Invisible Simon* Raymond Stone, 2022-08-10 This book has been specially created for an audience of creative 10 to 14 year olds who love exciting adventure experiences and challenging day to day activities The author has experienced many unusual and exciting events and has created this series for those adventurous readers who will genuinely Enjoy this book **Artist and Audience Relationship in "The Artist is Present" from Marina Abramovic** Lucy-Melina Laschewski, 2020-08-10 Seminar paper from the year 2019 in the subject Art Installation Action Performance Art Modern Art grade 1.0 University of Dusseldorf Heinrich Heine Anglistik II language English abstract The paper focuses on the audience's participation in Abramovic's *The Artist is Present* It will be analysed in terms of its constitution further as to what extent the audience unknowingly plays an active role in simply being present The central part of this paper is set on the relationship between artist and viewer It will deal with how co subjectivity embodiment and presence as well as the audience's suggestibility work together to create a unique form of community during the performance An analytical basis for this closer examination will be provided through the 2012 published

documentary by the same title Marina Abramovi The Artist is Present First this paper will shortly discuss performativity embodiment and presence and will give definitions based on primarily Erika Fischer Lichte's *ästhetik des Performativen* in order to establish a general understanding of key factors regarding performance art Secondly the most important aspects of Abramovi's performance will be presented The relationship between artist and audience will be analysed and discussed according to the concerns given above As a result the unique character of the established community between artist and audience in this specific performance piece will be made clear Ultimately it will become apparent as to how the relationship between artist and audience is established through embodiment and presence
