Leibniz Reinterpreted tackles head on the central idea in Leibniz s philosophy namely that we live in the best of all possible worlds Strickland argues that Leibniz s theory has been consistently misunderstood by previous commentators In the process Strickland provides both an elucidation and reinterpretation of a number of concepts central to Leibniz s work such as richness simplicity harmony and impossibility and shows where previous attempts to explain these concepts have failed This clear and concise study is tightly focussed and assumes no prior acquaintance with Leibniz or optimism It thus serves as an ideal entry point into Leibniz s philosophy

Confessions of a Father George Gutshall, 2019-02-25 Confessions of a Father subtitled Living Biblically Balanced in a Cultural World Sanity in Insanity This book and the stories I share with you have a meaning and purpose As the pages unfold as you see my life my heart my journey with Christ you will see what the Holy Spirit has taught me You will read how God has worked through my misunderstanding my false doctrines and false beliefs You will read how the Lord has worked through my family my home my relationships and circumstance to lead me into a deeper love of and for Him You will read how God s Word and His working in my life has led me into an intimate personal relationship with Christ and how God has used His Word to correct my false doctrines my false beliefs and my life To put it very simply you will read what I have learned I am a child of God The One true living God I am a servant of the Lord and disciple of Jesus Christ I am empowered by the Holy Spirit to seek out and bring God s meaning and purpose into my life and to bring glory to the One who created me I am called to strive to live according to God s Word while trying to live in a world powered by false doctrine and false beliefs He is my sanity in this world of insanity I want to state that this book is in no way an attempt to authenticate the Scripture That has already been done many times over by individuals who are far more

knowledgeable than I am and who are true Bible theologians In these pages I make reference to the Bible and books of the Bible but generally not direct citations I hope and I pray that will encourage you to read the Bible for yourself not just parts but the whole Bible I say this I hope this and I pray this because I know that if you do you will find what I have found If we take the cultural glasses off and try to see the world through Christ and live according to God s Word then we will know sanity in insanity we will know Christ Jesus In the beginning was the Word and the Word was with God and the Word was God He was with God in the beginning Through him all things were made without him nothing was made that has been made In him was life and that life was the light of all mankind The light shines in the darkness and the darkness has not overcome it John 1 1 5
