Rensselaer W. Lee,1991-01-01 Powerful forces work against efforts to control the flow of illegal narcotics into the United States from the Third World The potential for conflict and recrimination is built into the situation The main consumer countries are poor and predominantly agricultural Cocaine traffic in the Western Hemisphere is a particularly serious example of how this conflict of interests plays out Producing countries and consuming countries each blame the other and depending on which side they are on advocate either demand side or supply side solutions controlling the demand of users in the United States for cocaine versus controlling the demand of users in the United States for cocaine versus controlling the supply from South America U S concerns are fairly unambiguous Cocaine imports have increased five to tenfold since 1977 and abuse of cocaine and its derivative crack has become a serious social problem in the United States The position of producing countries is also clear cut Political elites in Third World countries view antidrug crusades with hostility because they impose significant new burdens and create formidable new challenges The White Labyrinth explains why it is so difficult to take effective action against the cocaine problem It looks closely at problems faced by producing countries the economic and political pressures that make it so difficult to address the problem from a supply side perspective It analyzes the devastating pressure tactics of coca lobbies and cocaine trafficking syndicates It explores the complex relationships between the cocaine industry and leftist revolutionary movements It examines the negative consequences of actions taken by the United States The White Labyrinth is an in depth examination of a problem that is of paramount public concern It will be of interest to all those concerned with the development of effective policies from parents to public officials **The Teachings of Don B.** Donald Barthelme,2018-04-10 Barthelme happens to be one of a handful of American authors there to make us look bad who know instinctively how to stash the merchandise bamboozle the inspectors and smuggle their nocturnal contraband

right on past the checkpoints of daylight reality Thomas Pynchon from the Introduction Sixty three rare or previously uncollected works by a master of the American short story form A hypothetical episode of Batman hilariously slowed down to soap opera speed A game of baseball as played by T S Eliot and Willem Big Bull de Kooning A recipe for feeding sixty pork sotted celebrants at your daughter s wedding An outlandishly illustrated account of a scientific quest for God These astonishing tropes of the imagination could only have been generated by Donald Barthelme who until his death in 1989 seemed intent on goosing American letters into taking a quantum leap Gleeful melancholy erudite and wonderfully subversive The Teachings of Don B is a literary testament cum time bomb with the power to blast any reader into an altered state of consciousness A small education in laughter melancholy and the English language The New York Times Book Review Barthelme who died in 1989 was a distinctive master of fragments Anger wit extravagant associations and disassociations these would be less memorable if it were not for Barthelme s ability to evoke dreams and the tenderness with which he does it Los Angeles Times
