Purple Sky Survivalist: Growing Up a Victim of Illusions Deborah Kinisky, The upbringing of a child should be done with tender affection because the possibilities for the future are endless Yes there will be challenges along the way but every human life must be nurtured and cherished Now imagine a little girl with a loving family perhaps one that is a little idealistic but one that we all hope for A mother who teaches her daughter that anything is possible mentors her as she transitions through life and provides her with the something old something new something blue on her wedding day A father who loves his little girl and treasures her for her curiosity to learn encourages her to challenge stereotypes and teaches his daughter about how young men should behave in the early dating scene and throughout a strong marriage Where siblings squabble and grow to appreciate one another A family who has the glue that keeps them balanced in times of instability because of their deep love for one another I wish this was Deborah's story It is not What is amazing about this story is that regardless of Deborah's horrific childhood and a lack of strong role models Deborah has learned from her own journey

The Purple Sky Peter Anthony Swiderski, 2011-02-14 PETER BARBIERIS mesmerizing Book One of his trilogy depicts the resentment suspicion and intrigue that direct the lives of one Native American family living in North America prior to the European invasion Book One begins with the birth of a son and ends with two brothers fight to the death The Purple Sky is an account of EMILY MADDINGS b 1765 d 1857 dreamvisits to a small Native American village In a manner most mysterious and uncanny Emily lives the life of PALE MOON one of the villages women Emily defines her relationship with Pale Moon in this way It is as if I am here now on the tenth of January 1806 sitting at my desk living a life as wife and mother a life with a memory history and a fancied future and yet I am vaguely aware of a ubiquitous presence hovering in an indefinable space a presence that connects me to all that has been and to all that will be In so far as the Native American woman is concerned Emily is her ubiquitous presence and she Pale Moon is to a certain extent aware of it Through Emily Pale Moon narrates the compelling story of her people's struggle to maintain a harmonious existence within a

world teetering on the brink of transfiguration BARBIERI's previous works of fiction *Tales From the Soft Underbelly of Confusion* a collection of short stories and *Tree Of Dreams* a novel were published by iuniverse in 2007 and 2009 respectively Peter Barbieri received his doctorate in Music Composition from the University of Colorado Boulder He completed his post doctoral studies with Luciano Berio in Florence Italy For the past twenty five years Barbieri has been touring the United States and Europe as pianist accompanist for the Nancy Spanier Dance Company Currently Dr Barbieri is the executive director of the ijamjazz summer jazz camp in Bonefro Italy and teaches Jazz Theory and Improvisation in Boulder Colorado

The Purple Sky Book Two Peter Anthony Barbieri, 2016-09-26 Peter Barbieri's final novel in his trilogy continues with EMILY MADDINGS' journal in it Emily documents PALE MOON's narration of life in her Pale Moon ninth century Native American village Pale Moon's connection to Emily a woman living in the nineteenth century enables the two women to dream travel to each other's time band Thus begins a celestial relationship that endures for centuries Emily frequently dream travels to the ninth century village and is present during the birth and much of the subsequent twenty year life of Pale Moon's nephew TEH GHUT SA The narration recounts the periods during which Teh Ghut Sa undertakes two vision quests the first at age thirteen the second at age twenty As events unfold an imbalance in the interstellar positive negative polarity develops Emily's ability to dream travel to time bands within the past present and future reveals several possibilities that would result if the balance tips in favor of the negative polarity If the imbalance were to progress unaltered mayhem and death would result When Teh Ghut Sa age twenty returns from his second vision quest he becomes the target of a negative polarity plot The confrontation's eventual outcome will affect the lives of all beings residing in the known universe A more immediate consequence the stream of consciousness that had given rise to the mind consciousness of many village inhabitants would be obliterated along with the lives of those connected to it **When I Dream of Purple Skies** Elrick K. McCalla, 2015-01-09

The children's book *When I dream of purple skies* is written to be a book that explores the imagination of children and the young at heart The title itself uses a little imagination showing how when we close our eyes and dream the world around us is our own and there are no boundaries to what it can be and look like in our minds the only limitations there are are the ones we put on it In the story the little girl and her teddy bear go on an adventure in the land of dreams as they fly on her magic bed they fly all over the world as she sees it when she dreams and they encounter many imaginary things such as talking eagle's smiling flowers and dolphins and bears using eating utensils all the while the world is so much more colorful and vibrant than it usually is The purpose of this child's story is to plainly help the world to continue dreaming and imagining beyond the limitations of life *The Critic : Hawthorne Number, July 1904*, 1904 *As if it Meant Something* Steve Denehan, 2023 Eventually she spoke If you don't laugh you'll cry she said as she did neither The fifth poetry collection from an award winning poet *As if it Meant Something* is a startlingly beautiful wide ranging selection that lays the tapestry of life beautifully bare Dealing with the mundane and profound everyday experiences sit alongside the devastating decay caused by
