Pursuing Fate:

Pursuing Fate Kiki Ess, 2002 You forget that I know your weakness Daniel taunted And what that weakness was Fate Molloy had no clue She only had to survive one little weekend at a wilderness camp to win an important wager If she succeeded she would be rid of Daniel and his constant jibes if she failed she would have to be his personal secretary for one year But was Fate really determined to win Could she trade in her day planner and designer shoes long enough to conquer her fear of nature Only love can spin a web of desire strong enough to last forever Fate is no match for a certain man who is out to entangle her in devious plans of his own

Studies in Greek Tragedy Lady Louise Ernestine Matthaei Howard, Louise E. Howard, 1918 The Living Drama Nellie Burget Miller, 1924 This study will endeavor to present in simple and concise form a survey of this continuous dramatic movement from its earliest recorded expression to contemporary moments under a single cover Since to know thoroughly the dramatic output of any one period might command the industry of a lifetime the task is a colossal one and precludes any pretense at completeness the treatment is suggestive rather than informative and should be supplemented by a study of the plays indicated under each section After all the important thing is not the painful piling of fact upon fact but gaining an intelligent working knowledge of the whole and knowing exactly where to turn for detail when it is needed The information has been gathered from many works upon the various phases to which the writer is deeply indebted all of which are indicated in the bibliographies We purpose then to take a sort of Cook's Tour over the whole domain of the drama touching the main points of interest and leaving the reader to return and explore at leisure
