Pursuing Justice Ken Wytsma, D. R.

Jacobsen, 2013-02-11 The ONLY way to find abundant life and happiness is to give your life away. If God designed us to experience true happiness and abundant life, why do so many Christians feel dissatisfied and purposeless? We try to make our lives better by chasing our own dreams, but that only makes the problem worse. Instead, the path to a just life that is satisfying and permeated with meaning leads us alongside the orphan, the widow, and the powerless. Using clear evangelical theology and compelling narratives drawn from two decades of global ministry and travel, Ken Wytsma, the founder of The Justice Conference, shows God's unchanging love for all His children. On the way, the author calls us back to a proper understanding of biblical justice, a redeeming glimpse into the true meaning of righteousness, and the remarkable connection between our own joy, the joy of others, and the wondrous Gospel of Jesus Christ. Pursuing Justice shows that God isn't primarily concerned with personal piety but about empowering His children to do justly, to love mercy, and to walk humbly with their creator. The message is as hopeful as it is fresh when you discover anew the meaning of the Gospel and give your life away; you will find it, and it will be the best life you can imagine. First-time author Wytsma, with assistance from Jacobsen, is one of the new breed of evangelical Christians returning to scripture to redeem justice as a central tenet of faith. Wytsma infuses his writing with fresh experiences from working with the millennial generation. Apathy tells us that it's perfectly acceptable to live with illusions of our own justice; he writes neatly linking those concerns. This accessible guide provides trustworthy scriptural analysis, examples of contemporary justice issues, and a solid philosophy for understanding the role of justice in today's society. Justice cannot be divorced from God's heart and purposes, he writes. It permeates them. Wytsma's authorial voice is engaging, encouraging, and invitational. His humor helps the reader recognize her own humanity and transformative potential within the unfolding moral arc of the universe. Publishers Weekly: Justice has become trendy. Ken Wytsma's Pursuing Justice avoids all the pitfalls of trendiness. It exhibits a deep and accurate understanding of the nature of justice. It is an eye opener. NICHOLAS WOLTERSTORFF, Noah Porter Professor Emeritus of Philosophical Theology, Yale University Senior Research Fellow, Institute for Advanced Studies in Culture, University of Virginia. Ken is a fresh voice of balance, humility, and collaboration. His enthusiasm is contagious, and his challenge to the church to not only do justice but to learn to do it well is commendable. KEITH WRIGHT, International President of Food for the Hungry. Ken Wytsma's Pursuing Justice will rattle you. Not since C. S. Lewis put down his pen have readers been so provoked to think. It will change the way you approach others. KAREN SPEARS ZACHARIAS, Author of A Silence of Mockingbirds and Will Jesus Buy Me a Double Wide. Ken Wytsma not only brings us back to a biblical understanding of justice but also humbly calls us to pursue it in practice. I was both enlightened and motivated. RANDAL ROBERTS, President of Western Seminary, Portland, OR. In Pursuing Justice, Ken is at the cutting edge of where God's heart is. This book is timely and needs to be read by everyone in the church. JOHN M. PERKINS, Civil Rights

Mercy Daniel Moloney, 2020-04-09 Series Summary The new What Every Catholic Should Know series is intended for the average faithful Catholic who wants to know more about Catholic faith and culture The authors in this series take a panoramic approach to the topic of each book aimed at a non specialist but enthusiastic readership Forthcoming titles planned for this series include the Eucharist salvation history art and philosophy Book Summary In *Mercy What Every Catholic Should Know* Fr Daniel Moloney covers a broad range of topics regarding mercy that are prevalent for our society today Beginning from an

unexpected perspective in the first half of the book Fr Moloney approaches mercy from a political point of view explaining how mercy is in fact truly and intimately interwoven with politics and power Through this lens he touches upon pertinent topics such as legal punishments the death penalty and self defense He also assesses the clergy scandals laying out why they occurred what went wrong in how they were dealt with and how the Church can improve moving forward for the greater glory of God He eloquently explains how mercy is not synonymous with leniency but is an act of responding to a privation a lack of something which ought to be there Sometimes the road to this may have to be tough love for the good of all involved Fr Moloney invites the reader to wrestle with the supposed contradiction of God saying that he is merciful yet killing and punishing his creation Moloney ultimately resolves this apparent contradiction by highlighting God s identity as the loving Father explaining how similar to good earthly fathers sometimes the most loving route to take in truly loving your children and bringing them to their ultimate good is through the course of tough love God is always good and loving and his justice and mercy go hand in hand

in Active Politics Yokoniah Mvula, 2022-09-16 Some Christians may be uncomfortable to think of Jesus as being political since the word politics or political has evolved to have negative overtones and connotations in our world today particularly in Africa where this monograph from the Department of Theology and Religious Studies of the University of Malawi has originated Christians often argue that their commission or job description does not include the political process which is the way a society conducts its public affairs However Jesus beginning with his temptation as in the gospels of Matthew and Luke showed the people who would follow him what it means to do God s will The third temptation conceived of in this study as a political temptation for power is the rational behind the arguments made in this study which begins by positing that the message of Jesus was not politically neutral and therefore Christianity as a super culture must be active in all sectors affecting social concerns if it is to truly be the change agent who Christ believes it to be It goes on to define and describe what it means to say that the message of Jesus was political and lays out the biblical theological ethical and experiential rationale for Christians active participation in the secular political arena **Crime and Its Victims** Daniel W. Thomas N. Finger,2020-03-09 This is one of the first systematic theologies written from a believer s church chiefly an Anabaptist Mennonite perspective Dr Finger develops his themes throughout the volume in careful dialogue with Reformed Lutheran Roman Catholic and other historic approaches The eschatological approach taken by Finger does not represent a fixation on future events Rather it represents a method of inquiry based on the early Christian conviction that the last things had already occurred through Jesus even though their effects were not yet fully realized Chief among these were the resurrection of the dead the outpouring of the Spirit the coming of God s kingdom and the defeat of the powers of evil After outlining this vantage point Volume I considered eschatology revelation and the work of Christ in its light Volume II begins with anthropology Jesus human work provides the norm for authentic human being Justification comes next and is considered as the eschatological revelation and actualization of God s righteousness through the faithfulness of Jesus Christ After treating the dynamics of personal sanctification Dr Finger explores the context within which it is pursued the church His ecclesiology begins with mission including its approach to non Christian religions and the sociopolitical realm Volume II ends where most systematic theologies begin with God including the humanity and deity of Jesus Christ Thomas N Finger has undertaken an important task that is rarely attempted the production of a constructive systematic theology informed by judicious dialogue with current biblical scholarship Finger s methodological decision to adopt an eschatological approach

enables him to work formally as well as materially from within a perspective shaped by the NT writers his innovative organization of the loci of Christian doctrine with its emphasis on the church as a community of believers living out the tensions between Christ's resurrection and Parousia is a direct result of taking the NT seriously Particularly noteworthy is his exposition of the doctrine of justification in the light of recent paradigm shifts in Pauline studies Finger's book is a productive and edifying work for all who care about the ongoing conversation between Scripture and systematics Richard Hays Duke Divinity School Thomas N Finger has chosen an approach to the systematic presentation of Christian Theology which I also have taken since the publication of my Theology of Hope in 1964 He begins with the goal with eschatology With that goal in mind a new light is cast on every single doctrine of Christian theology the light of redemption and the work of the theologian becomes a labor of hope This is a theology of the way With the kingdom of God kept steadily in view it becomes an invitation to walk the way of Jesus Tom Finger's theological prospectus makes a brilliant contribution to ecumenical theological dialogue from the Anabaptist tradition He offers an eschatologically oriented theology for which I can only congratulate him Jurgen Moltmann Professor of Theology University of Tübingen This volume is not only a contribution to the contemporary discussions in systematic theology It is also an important ecumenical breakthrough The Anabaptist tradition stands as an important dialogue partner in the quest for a common ground in the Christian faith Finger approaches the biblical faith from an eschatological viewpoint that is faithful to the Anabaptist tradition but in dialogue with Roman Catholic classical Protestant and contemporary scholars in both of these traditions He has begun a substantive conversation that will be important into the twenty first century Jeffrey Gros Former Director of the Commission on Faith Order National Council of Christian Churches USA

The Bible and the Public Square Hermann Mvula, 2024-02-18 For too long Africa has presented a conundrum as its profound reception of the Bible is juxtaposed with a public life that often seems devoid of biblical values In this highly original analysis Mzee Hermann Mvula boldly seeks to bridge this ugly chasm by showing what biblical teaching can mean for many different aspects of social and political life Kenneth R Ross Professor of Theology and Dean of Postgraduate Studies Zomba Theological University
