Riders Up Louis F Hildebrandt Jockey His Life On The Racing Circuit Years 1936 1947:

Riders Up Louis F. Hildebrandt, 2011-05-24 Rider's Up Louis F. Hildebrandt, 2003-10-01 An historical non fiction autobiography about one man's life as a jockey on the horseracing circuit years 1936 1947 *Jockey* Scott A. Gruender, 2006-12-20 Being a jockey is more than a career it's a way of life The glitz and glamour of the show may belie all the time and effort that goes into it but the life of a jockey entails a great deal of risk personal sacrifice and hardship Often viewed as second rate athletes partly because of their small size these riders are in actuality some of the toughest men in the athletic world Pound for pound they are unmatched in physical prowess Controlling and guiding large thoroughbreds requires a great deal of strength and skill In addition there is little room for error during the close run high speed races where the necessity of implementing a winning strategy makes the sport mentally as well as physically taxing This volume provides an in depth look at the self employed independent contractor known as the jockey and the all encompassing culture of the race track he calls home The book details the qualities and abilities of the successful jockey the transitory nature of horse racing the jockey's constant battle regarding weight the financial motivation of the sport and the close knit nature of the profession Interviews with over 100 jockeys including Hall of Famers Pat Day Earlie Fires and Russell Baze add a personal focus and give the reader an inside glimpse into the world of horse racing The last chapter includes brief biographical sketches of the most influential riders from the last 50 years Against the Odds Jerry Bailey, Tom Pedulla, 2005 In a memoir of failure and redemption the renowned jockey describes his professional racing career and his long and difficult battle with the help of his wife Suzee against alcoholism Black Maestro Joe Drape, 2006-04-25 The life of Jimmy Winkfield is an exuberant epic the seventeenth child of Kentucky sharecroppers he was the last black jockey to win the Kentucky Derby and survived the Ku Klux Klan the Bolshevik Revolution in Russia and the Nazis and died a wealthy landowner in a French chateau Jimmy Winkfield is surely the oddest and most invisible witness to some of the greatest historical events of the 20th century His life is one of adventure and history of travels around the world Winkfield a black jockey won the Kentucky Derby in 1901 and 1902 He was the last African American to win that race and actually closed out an era in which black jockeys dominated the event The legacy had its roots in slavery when plantation owners left the care training and racing of horses to their slaves In the first Kentucky Derby in 1875 13 of the 15 riders were African Americans So was the winning jockey And over the first 28 years the Derby was run 15 of the winning riders were African American Jimmy Winkfield went from being the youngest of 17 in a family of sharecroppers to racing for 8 a month and eventually 1000 per race But in 1903 Winkfield lost his third attempt and his racing life faltered He found himself under tremendous economic pressure and racial pressure at the same time from the KKK Anxious about racial riots and protests Winkfield accepted an offer to race in Russia where he found refuge from the KKK and became a star again A few years later he became the Tsar's rider until the Bolsheviks chased him out along with 200 of the Tsar's horses In order to save them

Winkfield drove the horses through a nasty Eastern European winter eating some of them along the way to stave off starvation. He arrived in France with these beloved horses, became a gentleman, married, rode, and made a lot of money. Then came the Nazis who drove him and his family back to Aitken S C where he resumed a humble life as a 15 a day horse groomer. After the War he returned to France and resumed his position, farm, and estate. He came for a visit to Louisville in 1961 as a guest of Sports Illustrated and ironically was not allowed in the door of the Brown Hotel.

Embark on a transformative journey with is captivating work, Discover the Magic in **Riders Up Louis F Hildebrandt Jockey His Life On The Racing Circuit Years 19361947** .
