Riding East Mark C. Yerger, 1996 *Riding East* details the history of the previously unexamined SS Cavalry Brigade Beginning with a background of the General SS mounted units from which personnel formed part of the Brigade's cadre the author details the organizations units and commanders of these pre war formations A detailed biography of Hermann Fegelein commander of the Brigade is followed by a chapter devoted to the SS command in Poland where the Brigade operated during 1939 40 as an occupational force The units themselves are next examined from first creation in 1939 until they divided into two regiments in 1941 including all duties and operations in Poland Assigned to the Headquarters Staff Reichsfuhrer SS at the start of the invasion of Russia the regiments the combined with other units to form the SS Cavalry Brigade and conducted anti partisan warfare operations for most of the remainder of 1941 All the summer 1941 operations are examined in depth including the massive Pripet marshes actions using original documents from American and European archive sources Subordinated on 1942 to Army Group Center the SS Cavalry Brigade fought at the front during the massive Russian offensive in 1942 and was almost completely annihilated in the Rshv area before finally being withdrawn and used as cadre for the new SS Kavallerie Division Heavily documented the detailed text is supplemented by 109 photographs most of which are previously unpublished In addition six maps six Order of Battle charts complete officer rosters 1939 142 feldpost numbers details of primary commanders within the Brigade as well information on the units and commanders it was subordinated to complete a comprehensive history of first combat mounted unit of the SS *Fegelein's Horsemen and Genocidal Warfare* H. Pieper, 2014-10-20 The SS Cavalry Brigade was a unit of the Waffen SS that differed from other German military formations as it developed a dual role SS cavalrymen both helped to initiate the Holocaust in the Soviet Union and experienced combat at the front **The SS Cavalry Brigade and Its Operations in the Soviet Union, 1941-1942** Henning Herbert Pieper, 2012 This dissertation analyses a unit of the Waffen SS during a period that was crucial to the Second World War and the destruction of the European Jews The SS Cavalry Brigade differed from other German military formations as it fulfilled a special function Although its origins lay in sportsmanship this unit was quickly formed into an auxiliary police formation in Poland during the first two years of the war and developed a dual role after the German invasion of the Soviet Union This role arose from the fact that the SS cavalrymen both helped to initiate the Holocaust in newly occupied territories and experienced combat at the front Acting on direct orders from Heinrich Himmler the head of the SS the soldiers for the most part were quickly radicalised in the Pripet Marshes they not only killed Jews and communists but were the first to destroy entire Jewish communities By the end of 1941 they enforced a brutal occupation policy in Belorussia and Russia which aimed at eliminating all possible racial political and military enemies of the German forces This brutal war of annihilation also included the combat against real or suspected partisans Between December 1941 and June 1942 the SS Cavalry Brigade fought against the Red Army and suffered high losses which necessitated replenishment after

its withdrawal from the front From late 1942 onwards the unit lost its dual role as it was involved in more conventional warfare and the story of its development from this point is beyond the scope of this dissertation which concentrates on the years of 1941 1942 A special focus lies on the role and behaviour of the personnel of the brigade and places it in perpetrator history *Invincible Black Brigade* Jerzy Majka,2010 The story of the first Polish Armored unit from its inception to the end of the Polish Campaign in September 1939 when 10th Cavalry Brigade left Poland with all its armored vehicles A thorough and detailed study of a much maligned and little known fighting unit which faced the might of the Wehrmacht with courage and determination Albert Schwenn's Memories of the Waffen-SS Albert Schwenn,Rolf Michaelis,2025-06-06 A firsthand account from a member of the SS Cavalry Division and SS Cavalry Training and Replacement Battalion **Fegelein's Horsemen and Genocidal Warfare** Nicholas Chare,Simo Muir,Dominic Paul Williams,Hana Worthen,2013 Steadfast Hussars Richard Landwehr,1997-09 This book is concerned with the development formation and history of the late war cavalry formations of the Waffen SS excluding the 8th SS Cavalry Division Florian Geyer which was formed and activated earlier in World War II Most of the material is derived from articles that appeared in now out of print issues of Siegrunen magazine Foreword
