Elwyn Hartley Edwards,Candida Geddes,1991 This ambitious work proves satisfactory in every sense of the word Excellent illustrations with lots of color drawings charts and easy to see diagrams make the work an effortless pleasure to flip through Articles written by some old and new names in the horse world cover everything from the history of the horse to health and specific types of riding This type of format is always a winner with anyone interested in the horse regardless of their riding style or preference for a particular breed Of special interest is the address list at the end of the book that gives names and addresses of various national and international horse organizations The softcover edition is well bound and sturdy but with the coffee table look of an oversized hardbound book Recommended for all public libraries Anne A Salter Atlanta Historical Soc Lib Library Journal The Publishers Weekly ,1908 *Exploring Britain* Automobile Association (Great
