**Riding Technique in Pictures** Charles Evelyn Graham Hope, Charles Harris, 1956      **RIDING THE BLUE LINE** Scott Christopher, 2024-12-18 Screw it Let's ride How do you find a way to get past the stress of working almost thirty years as a cop You buy a Harley and hit the road In this truth telling memoir *Riding the Blue Line* you will find out what it is to explore some of the best riding in the United States while dealing with society's worst along with department politics and the emotional stress as a career officer and detective The adventure of the open road is here with stories involving fun frustrations breakdowns and challenges presented to the motorcycle rider Find out why riding and owning a motorcycle can be the best way to leave the world's problems behind Let's ride along with this Harley guy and motorcycle enthusiast as he talks about leaving the stressors of police work behind looking over the handlebars to the horizon When personal loss and tragedy show up he takes a hard look at himself and the world around him to eventually find the courage to continue riding and keep going with the police department to make it to retirement while listening to the call of the open road on two wheels

*The American Film Institute Catalog of Motion Pictures Produced in the United States* American Film Institute, 1997 After more than fifteen years this initial volume of the American Film Institute Catalog series is again in print The 1920s set covers the important filmmaking period when movies became talkies and the careers of many influential directors and actors were launched Films such as *Wings* *The Phantom of the Opera* *All Quiet on the Western Front* and *The Jazz Singer* are included in this volume

**Wild Ride** Joel H. Bernstein, 2007 *Rodeos* presents a fascinating history of this Western American institution from its rugged beginnings on the ranch to today's very lucrative professional circuits This book captures the mystique of the cowboy and his place in Western folklore from the early days when groups of cowboys from neighboring ranches met to settle arguments over who was the best at performing ranching tasks to the multi million dollar prizes and endorsements awarded to professionals today Experience first hand the energy electricity and exhilaration of the rodeo through stunning colour photography and vintage illustrations that tell the stories of these courageous and athletic rodeo characters and highlights of important moments throughout rodeo history

[Legally Correct Fairy Tales](#) David Fisher, 2025-05-01 This hilarious spoof on all the old classic fairy tales has a decidedly legal squint to it as for example when Prince Charming is prosecuted for sexual abuse after forcing several damsels to try on a glass slipper to satisfy his foot fetish

**Lewis Carroll's Photography and Modern Childhood** Diane Waggoner, 2020-05-26 Pictures and conversations photographic meaning Liddell girls Alice and her sisters Pretty boys and little men becoming a boy Theatrical transformations fancy dress In fairyland partial dress and the nude

*Understanding Pictures* Dominic Lopes, 1996-03-28 There is not one but many ways to picture the world Australian x ray pictures cubist collages Amerindian split style figures and pictures in two point perspective each draw attention to different

features of what they represent The premise of Understanding Pictures is that this diversity is the central fact with which a theory of figurative pictures must reckon Lopes argues that identifying pictures subjects is akin to recognizing objects whose appearances have changed over time He develops a schema for categorizing the different ways pictures represent the different kinds of meaning they have and he contends that depiction's epistemic value lies in its representational diversity He also offers a novel account of the phenomenology of pictorial experience comparing pictures to visual prostheses like mirrors and binoculars The book concludes with a discussion of works of art which have made pictorial meaning their theme demonstrating the importance of the issues this book raises for understanding the aesthetics of pictures
