Riding with the Lion Kyriacos C. Markides,1996-01-01 Professor Markides continues his quest for the nature of reality mind self and ultimate divinity searching within diverse sources of wisdom on a journey that takes him from Maine to New York to London to Cyprus and on to ancient monasteries on the coast of Greece His revelation of a vital living mystical practice based in ancient Christian thought is a major step in linking the most esoteric traditions of the East to the largely hidden esoteric traditions of the West *Awakening the Soul* Bill Missett,2008-05-21 Awakening The Soul The Trilogy includes ATS Book One Proof of Our Spiritual Nature which itemizes more than 80 characteristics of our spiritual nature many very familiar and explains 10 of them in depth ATS Book 2 Our Suppressed Spiritual Nature which explains why we are so out of touch with our spiritual nature primarily through suppression of those traits by religions primarily Christianity and ATS Book 3 Restoring Your Spiritual Nature contains detailed channeled instructions to restore immediate awareness of your spiritual nature which has proven highly successful in doing just that The Mountain of Silence Kyriacos C. Markides,2002-03-12 An acclaimed expert in Christian mysticism travels to monasteries high in the Troodos Mountains of Cyprus and offers a fascinating look at the Greek Orthodox approach to spirituality that will appeal to modern seekers In an engaging combination of dialogues reflections conversations history and travel information Kyriacos C Markides continues the exploration of a spiritual tradition and practice he began in *Riding with the Lion* His earlier book took readers to the isolated peninsula of Mount Athos in northern Greece and into a group of ancient monasteries There in what might be called a Christian Tibet two thousand monks and hermits practice the spiritual arts to attain oneness with God In his new book Markides follows Father Maximos one of Mount Athos s monks to the troubled island of Cyprus As Father Maximos establishes churches convents and monasteries in this deeply divided land Markides is awakened anew to the magnificent spirituality of the Greek Orthodox Church Images of the land and the people of Cyprus and details of its tragic history enrich The Mountain of Silence Like the writings of the great mystics the book brilliantly evokes the confluence of an inner and outer journey The depth and richness of its spiritual message echo the thoughts and writings of Saint Francis of Assisi and other great saints of the Western Church as well The result is a remarkable work a moving profoundly human examination of the role and the power of spirituality in a complex and confusing world Awakening the Soul: Book 2 Bill Missett,2005-10-18 I am absolutely in awe of your book It is an extraordinarily important work It will I humbly suggest change many lives Joseph W Dunn Jr Editor A R E Press I believe Awakening the Soul Book 3 is the key to the 12th Step of Alcoholics Anonymous Susana K Oregon We all agree on the brilliance of this work Lisa Hagan literary agent Paraview Inc

challenges the seeker after mystical understanding and Eastern spirituality to discover Christianity Dr Elizabeth Theokritoff independent scholar and co editor of The Cambridge Companion to Orthodox Christian Theology In Inner River Kyriacos Markides scholar researcher author and pilgrim takes us on a thrilling quest into the heart of Christian spirituality and mankind s desire for a transcendent experience of God From Maine s rugged shores to a Cypriot monastery to Greece s remote Mt Athos and ultimately to an Egyptian desert Markides encounters a diverse cast of characters that allows him to explore the worlds of the natural and the supernatural of religion and spirit and of the seen and the unseen Inner River will appeal to a wide range of readers from Christians seeking insights into their religion and its various expressions to scholars interested in learning more about the mystical way of life and wisdom that have been preserved in the heart of Orthodox spirituality Perhaps most important however is the bridge it offers contemporary readers to a Christian life that is balanced between the worldly and the spiritual

Re-Introducing Christianity Amir Azarvan,2016-03-22 Faith means making a virtue out of not thinking And those who preach faith and enable and elevate it are intellectual slaveholders keeping mankind in a bondage to fantasy and nonsense that has spawned and justified so much lunacy and destruction Bill Maher Many seem unaware that contemporary critiques of Christianity are relevant mostly to its modern offshoots whose followers have to some extent earned Bill Maher s unflattering caricatures To its detriment Christianity is increasingly identified in people s minds with these more recent expressions As a result a growing number of people are turning away from Christianity and indeed religious faith altogether Drawing from an eclectic group of theologians clergy members monastics and lay scholars this edited volume re introduces Christianity to a modern audience It presents a more authentic experiential side of Christianity to the religious skeptic a side that eschews blind faith legalism and judgment a side that is rarely given a hearing in the ongoing debate with today s skeptics Re Introducing Christianity is also directed at modern Christians and refutes their most frequently expressed criticisms of what the contributors boldly but humbly call the Apostolic Faith

Cyprus under British Colonial Rule Christos P. Ioannides,2018-12-06 This is a unique book that combines a political narrative with poetry to examine the role of culture and the fusion of religion and politics during the struggle against colonialism The context is Britain s geopolitical interests in the Middle East The author utilizes a vital cultural source echoing the authentic voice of the people Cypriot folk poems which has remained virtually unknown to the English reader until now Translated into English they are interwoven into the book s narrative to reflect the yearning for social justice and the political sentiments of the vast majority of the population the peasants in a rural society Lawrence Durrell s literary masterpiece Bitter Lemons his politico cultural chronicle on British ruled Cyprus is also discussed critically The Greek Orthodox Church led the anti colonial movement revolving around union with Greece Through his intimate knowledge of Greek Orthodox practices the author elucidates how religious customs and rituals were intertwined with the nationalist ideology to lead to political mobilization In the process culture with its religious underpinnings shaped politics This dynamic has been the case from the Middle East

Turkey and North Africa to Eurasia and South East Asia Prime examples are the Iranian revolution and the more recent Arab Spring both of which caught the West by surprise In Cyprus the British with their sense of superiority remained alien to the local culture and discounted popular sentiment The two rebellions that ensued caught Britain totally by surprise This is a valuable case study on the convergence of religion and politics Academics students and non specialists will find a captivating narrative on Britain s colonial encounter in an idyllic but strategic island in the Eastern Mediterranean

The Wreckage Reconsidered P. H. Liotta,1999-01-01 The Wreckage Reconsidered examines Yugoslav disintegration in order to suggest through the Yugoslav example that a reexamination of national security strategy and foreign policy concerns for the United States in a new century is not only a wise choice but an imperative one P H Liotta examines this subject by means of the oxymoron which he defines through its specific Balkan application a force or issue so contrary in nature that it may remain problematic no matter what approach or resolution might be offered The five oxymorons Liotta considers are U S strategic perspectives as they have applied to the Balkan example the rise of the parastate as a result of recent Balkan history a strategy of chaos as it may have applied in the last Balkan war and as it may target American strategic culture in the future religion a cultural and political force in the Balkans as it may have provided the occasion though not the cause for the outbreak of conflict and finally the recognition that NATO enlargement may bring both unintended and unwelcome consequences

Markides, 2007-12-18 In Kyriacos C Markides's newest book Eastern Orthodox mysticism meets Western Christianity as the internationally renowned author takes readers on a deep journey back in time to unveil the very roots of authentic spirituality In his previous book The Mountain of Silence Markides introduced us to the essential spiritual nature of Eastern Orthodoxy in a series of lively conversations with Father Maximos the widely revered charismatic Orthodox bishop and former abbot of the isolated monastery on Mount Athos In Gifts of the Desert Markides continues his examination of Eastern Orthodox mystical teachings and practices and captures its living expression through visits to monasteries and hermitages in Greece and America and interviews with contemporary charismatic elders both male and female Markides's pursuit of a deeper understanding of Orthodoxy takes him to the deserts of Arizona and a stay at a new monastery in Sedona to the island of Cyprus and a reunion with Father Maximos on a pilgrimage to holy shrines aboard a cruise ship in the Aegean Sea and finally to the legendary Mount Athos home to more than two thousand Orthodox monks Markides relates his journey and reflections in a captivating style while providing important background material and information on historical events to give readers a highly accessible in depth portrait of a tradition little known in the West Gifts of the Desert will appeal to a wide range of people from Christians seeking insights into their religion and its various expressions to scholars interested in learning more about the mystical way of life and wisdom that have been preserved on Mount Athos since the fall of the Byzantine Empire and the Great Schism that separated the Eastern and Western Churches Perhaps most important however is the bridge it offers contemporary readers to a Christian life that is balanced between the

worldly and the spiritual **Dismembering the State** P. H. Liotta, 2001-01-01 P H Liotta's previous book *The Wreckage Reconsidered* was acclaimed as a tour de force of scholarship In *Dismembering the State* Liotta continues to challenge numerous assumptions about the disintegration of Yugoslavia His research uses an ecological or holistic perspective to address interwoven questions such as the role of military intervention as coercive diplomacy the use of chaos as a strategy against America's and NATO's technological military predominance and the influence of post Cold War European democratic and economic reforms This book considers how a host of factors from 1991 to 1999 combined to contribute significantly to both the disintegration of the nation state and to the continued instability of the present states of the former Yugoslavia Of interest to both scholars and sophisticated lay readers Liotta has fashioned a scholarly assessment of this timely and complex topic that promises to be as innovative as it is erudite Soul Theft Bill Missett, 2008-10-22 DO NOT BUY THIS BOOK IF YOU OWN THE Trilogy or ATS Book 2 its primary source This is the fifth book in the *Awakening The Soul* series is the story of the discovery of the suppression of almost all the traits of our spiritual nature by those who should have been protecting and enhancing them By the time you get to the end of this book you will understand what Western Religions have done to the world This realization grew to the point where it became obvious this most vital information needed a wider more immediate audience for greater exposure than just to those actively seeking spiritual awakening These historically documented truths many presented here for the first time are something every contemporary Christian Jew and Muslim should know Journey of the Star Children Through Time Sonja Christiansen KRMT, Ed Webber RMT, 2022-02-03 Author Sonja A Christiansen was born in Frankfurt Germany just after World War II After coming to the United States as a child and growing up in Montville Maine she understood she had abilities that were different from others She could handle wild animals for example picking up wild raccoons and moving them out of the cellar or feeding wild bears by hand Author Harvard Ed Webber was also born right after the war in the small town of Rumford Maine As fate would have it he also found he had unusual gifts for healing and flight His first experience in the world of spirit was spontaneously leaving his body when he was in danger or extremely stressed Who would have ever guessed that these two would meet fall in love be separated by others and nearly fifty years later find each other again By that time both had many life experiences and had studied with many teachers who showed them how to use these abilities for good They both learned early how to leave their bodies at will and experience a whole new world This personal narrative tells the story of two children who believed they came from the stars and then built amazing lives together while exploring time travel clairvoyance and healing energy Language for Those Who Have Nothing Peter Good, 2006-04-11 The aim of *Language for those who have Nothing* is to think psychiatry through the writings of Mikhail Bakhtin Using the concepts of Dialogism and Polyphony the Carnival and the Chronotope a novel means of navigating the clinical landscape is developed Bakhtin offers language as a social phenomenon and one that is fully embodied Utterances are shown to be alive and enfolded and their meanings realised in the context of given social dimensions The organisation of

this book corresponds with carnival practices of taking the high down to the low before replenishing its meaning anew Thus early discussions of official language and the chronotope become exposed to descending levels of analysis and emphasis Patients and practitioners are shown to occupy an entirely different spatio temporal topography These chronotopes have powerful borders and it is necessary to use the Carnival powers of cunning and deception in order to enter and to leave them The book provides an overview of practitioners who have attempted such transgression and the author records his own unnerving experience as a pseudopatient By exploring the context of psychiatry s unofficial voices its terminology jokes parodies and everyday narratives the clinical landscape is shown to rely heavily on unofficial dialogues in order to safeguard an official identity
