healthcare The chapters in this book were originally published in the Journal of Feminist Family Therapy *Discovering My Life's Purpose: From Tragedy to Triumph!* Bridgid Ruden ARNP, 2016-10-19 Bridgid's presentation as a Traumatic Brain Injury TBI survivor is profound, miraculous and engaging. Her voice of expression paints the terrain of every emotion that one goes through when life presents a major shift in who you are, what you do, and how you navigate through life, one breath at a time. Bridgid threads the lively and interactive presentation with truth, tears, laughter, authenticity. One walks away from her presentation marveling with awe at how strong and amazing she is to have survived such an intense journey of healing. Perhaps we all are touched by an angel when you hear her story. Dr. Jane F. Bourgeois: Bridgid, you are a miracle. I remember as your physician telling you these words in our clinic as I reviewed your brain CT scan from your initial head injury. Although you are not alone in suffering a significant traumatic head injury, I believe that you are unique in your positive approach to your recovery, your dedication to sharing your experience, and your commitment to helping and motivating others to overcome their own life obstacles and adversity. As a physician, I deeply and sincerely admire your efforts and your positive attitude in dealing with a truly difficult and challenging personal experience. I am always pleased to hear of the many positive life changes that have occurred for you as you continue on your journey towards recovery. I also always get a kick out of your ability to share your experiences with the medical system and in our clinic when you speak publically. I wish you good luck and great success on your book *Discovering a Life's Purpose*, and I hope that your message of hope, recovery, and optimism reaches as many people as possible so that they can benefit from your experience, wisdom, and wit. Although we sometimes are witness to events that are miraculous, sometimes the real miracles are people like you. Dr. Andrew Lee *Cowboys Are Not Supposed to Cry* Mark W. Schutter, 2021-09-09 When did we come to believe the best thing you can do with death is ride off from it? In *Cowboys Are Not Supposed to Cry*, Mark W. Schutter tells his story of living a life with grief that began in his midtwenties. The death of his young wife left him alone, and although life was tough, he vowed to show the world that he was tougher. Remarrying and having a daughter, to onlookers from the outside, life seemed happy again until, in an anguished night of prayer, Mark heard the words that to be the husband and father he wanted to be, he must reconcile the past, embrace the present, redeem the future. *Cowboys Are Not Supposed to Cry* is a story that will challenge you with questions that often have no answers about death, life, love, and the way we think about grief. In this memoir of love, loss, grief, and healing, Mark shares his experiences trying to be who he thought everyone expected him to be. This account, written from the unique perspective of a man, questions what society deems acceptable behavior for grieving men and their healing. This journey is one we all must face, full of deep love, painful loss, and the healing of the soul. Mark pulls back the curtain to show how death is only the beginning. You will carry your grief; the joys and sorrows occupy the same space because healing is never perfect, and that is okay because there is always hope. Grief is not something you just get over, and even the toughest cowboys may sometimes cry. *The Chair and the Valley* Banning Lyon, 2024-06-04 Bracing, brilliant, and fury-inducing, a survival story like no other.
