John Mackay Michael J. Makley,2015-10-01 From the early 1870s until his death in 1902 John Mackay was among the richest men in the world and was without a doubt the wealthiest man to emerge from Nevada s fabulous Comstock Lode Author Michael J Makley explores how from his beginnings as a poor Irish immigrant John Mackay developed a strong work ethic that distinguished him for the rest of his life He came west to seek his fortune in the California Gold Rush and then moved on to Virginia City Nevada where he dealt in mining stocks and operated silver mines After making a fortune in mining he transferred his energies to banking and communications John Mackay offers new insight into the life and achievements of this remarkable man It also places Mackay in the broader context of his time an era of robber barons and rampant corruption rapidly advancing technology national and international capitalism and flagrant displays of newfound wealth Even in this context he stood out not only for his contributions to Nevada and mining history but also for his reputation as an important business leader fighting the consolidation and venality of corporate power in the Gilded Age His actions freed the Comstock from a financial monopoly

resulting in moderated rates for the milling timber shipping transportation and water that made mining possible and precipitated the discovery and development of the ore field known as the Big Bonanza Makley's book recounts the life and career of one of the most successful men of his age a capitalist of immense wealth who generously helped those around him and worked diligently in the public interest This engaging biography will appeal to readers interested in the Comstock Lode and mining in the West during the latter part of the nineteenth century as well as general western history enthusiasts
