**Sam Peckinpah's Feature Films** Bernard F. Dukore, 1999 One of the greatest film directors America has produced Sam Peckinpah revolutionized the way movies were made In this detailed and insightful study Bernard F. Dukore examines Peckinpah's fourteen feature films as a coherent body of work He investigates the director's virtuosic editing techniques thematic preoccupations that persist from his earliest to his last films and the structure of his dramatic depiction of violence He also addresses Peckinpah's cognizance of existentialism and the substantial traces this interest has left in the films At the heart of Dukore's study is an extensive and detailed examination of Peckinpah's distinctive editing techniques Focusing on representative sequences including the breakout from the bank and the final battle in The Wild Bunch the half hour siege that concludes Straw Dogs the killing of the title characters of Pat Garrett and Billy the Kid and

combat sequences in Cross of Iron Dukore provides a shot by shot analysis that illuminates Peckinpah s mastery of pacing and mood Sam Peckinpah s Feature Films demonstrates that Peckinpah s genius as a director and editor marks not only The Wild Bunch Straw Dogs and other classics but also his lesser known feature films even those that suffered substantial cuts at the hands of studio producers Dukore s organic approach to the feature films reveals a highly unified body of work that remains a pointed commentary on power violence affection and moral values

**Riding the Line** Rex Taylor,2012-10 Riding dirt bikes solo in remote areas is not conducive to safety The two most basic rules of safety are don t go out alone and always tell someone your itinerary But most of the time Rex Taylor rode alone That greatly increased the danger but simplified his logistics And it was just not possible to tell anyone his plans because he rarely had more than a general idea himself of his route or destination The risks were worth the thrill of riding a high powered machine across landscapes of unsurpassed natural beauty in total isolation He could rely on nothing but pluck and a lot of luck And his luck held to an unlikely degree A flat tire a broken bike part a broken body part or running out of gas could have meant disaster or death But he tried not to think about that too much

Riding the Skyline Martin Grainger,Peter Murray,1994 Grainger had a gentle humorous talent for describing his friends his much loved horses and the simple joys of life in the open air He regularly escaped from his

reflexive nature of filmmaking itself Bliss shows that like John Ford Peckinpah moved from optimism to pessimism The films of the director s early period from *The Deadly Companions* to *Cable Hogue* support the romantic ideals of adventure and camaraderie and affirm a potential for goodness in America In his second group of films which begins with *Straw Dogs* and ends with *Bring Me the Head of Alfredo Garcia* both heroes and hope have vanished It is only in *The Osterman Weekend* that Peckinpah appears finally to have renewed his capacity for hope allowing his career to close in a positive way Explorer's Guide Salt Lake City, Park City, Provo & Utah's High Country Resorts: A Great Destination (Second Edition) (Explorer's Great Destinations) Christine Balaz,2010-11-01 An updated edition of the most comprehensive guide to the area full of spectacular scenery and ripe for outdoor adventure In this definitive guide to Utah s Wasatch Region entertainment abounds from the ski slopes of Park City to the theaters of Salt Lake Set against the stunning backdrop of the Rockies impressive peaks this region offers the perfect pairing of outdoor escapes and urban options with convenience accessibility and affordability The Rough Guide to New Zealand Paul Whitfield,2010-09-01 The Rough Guide to New Zealand is the essential guide to this spectacular country with lively coverage of its coolest caf s most vibrant nightlife best sights and hotels and tastiest restaurants and bars Everyone from the country rambler to the fearless adventurer wine buffs to Lord of the Rings fanatics are catered for in this comprehensive guide with colour sections providing a guide to New Zealand s highlights whether exploring Maori culture getting stuck into adventure sports or keying into the country s unique ecology There s thorough coverage of New Zealand s magnificent scenery craggy coastlines sweeping beaches primeval forests snow capped mountains and bubbling volcanic mud pools You ll also find historical and cultural information even teaching you how to do the world famous haka The Rough Guide to New Zealand is rounded off with detailed town maps to help you get around and stunning photography that brings this extraordinary country to life Make the most of your time on earth with The Rough Guide to New Zealand **The Psychology of the Western** William Indick,2014-11-21 Western films are often considered sprawling reflections of the American spirit This book analyzes the archetypes themes and figures within the mythology of the western frontier Western themes are interpreted as expressions of cultural needs that perform specific psychological functions for the audience Chapters are devoted to the frontier hero character the roles of women and Native Americans and the work of the genre s most prolific directors Anthony Mann and John Ford The book includes a filmography and movie stills Instructors considering this book for use in a course may request an examination copy here *Rawhide Rawlins Stories* Charles Marion Russell,1921 **Basics of Western Riding** Charlene Strickland,2025-05-01 Get in the saddle and experience the thrills challenges and fun of Western riding In this comprehensive introductory guide veteran trainer Charlene Strickland covers everything from safe horse handling procedures and basic Western riding techniques to stylish competition outfits With plenty of encouragement and a contagious passion Strickland provides easy to follow riding instructions along with expert advice on evaluating horses and appropriate tack You ll soon be enjoying pleasurable rides
