Rifleman and Pistolman Leonard Bushby Escritt,1962 *American Rifleman* ,1926 **Hardware and House Furnishing Goods** ,1920 *Slocum 414* Jake Logan,2013-07-30 Slocum always comes in peace His enemies always rest in hell Slocum knew he d be turning a few heads riding into the small town of Davis Junction with a dead man slumped over his horse After a vicious ambush forces him to make a few outlaws into corpses Slocum figures there might be a bounty for his attackers and brings one in just in case But Davis Junction has other things in store for Slocum namely an unkind welcome from just about everyone in town The only exception is a young lady who has her own way of turning heads not to mention a mysterious past that has long been grist for the gossip mill And when Slocum gets mixed up with her his unfriendly welcome could turn into a deadly farewell *Battleship Commander* Paul L Stillwell,2021-10-15 This is the first ever biography of Vice Admiral Willis A Lee Jr who served a key role during World War II in the Pacific Recognizing the achievements and legacy of one of the war s top combat admirals has been long overdue until now Battleship Commander explores Lee s life from boyhood in Kentucky through his eventual service as commander of the fast battleships from 1942 to 1945 Paul Stillwell draws on more than 150 first person accounts from those who knew and served with Lee from boyhood until the time of his death Said to be down to earth modest forgiving friendly and with a wry sense of humor Lee eschewed the media and to the extent possible left administrative details to others Stillwell relates the sequential building of a successful career illustrating Admiral Lee s focus on operational tactical and strategic concerns During his service in the Navy Department from 1939 to 1942 Lee prepared the U S Navy for war at sea and was involved in inspecting designs for battleships cruisers aircraft carriers and destroyers He sent observers to Britain to report on Royal Navy operations during the war against Germany and made plans to send an action team to mainland China to observe conditions for possible later Allied landings there Putting his focus on the need to equip U S warships with radar and anti-aircraft guns Lee was one of the few flag officers of his generation who understood the tactical advantage of radar especially during night battles In 1942 Willis Lee became commander of the first division of fast battleships to operate in the Pacific During that service he commanded Task Force 64 which achieved a tide turning victory in a night battle near Guadalcanal in November 1942 Lee missed two major opportunities for surface actions against the Japanese In June 1944 in the Marianas campaign he declined to engage because his ships were not trained adequately to operate together in surface battles In October 1944 Admiral William Halsey s bungled decisions denied Lee s ships an opportunity for combat Continuing his career of service near the end of the war Lee in the summer of 1945 directed anti kamikaze research efforts in Casco Bay Maine While Lee s wartime successes and failures make for compelling reading what is here in this biography is a balanced look at the man and officer **Readings for "United States Defense Establishment."** United States.
