maid and Mrs Bush the tenant down stairs By this time Mrs Cooke could speak and after sending Ella for the doctor and Miss Shaw a trained nurse she gave directions to Mrs Bush what to do When Miss Shaw came she found Mrs Cooke s injuries were far worse than they had supposed She sent out for the needed remedies and at once tried to relieve the terrible distress The doctor came as soon as possible and prescribed He feared the shock would be more than his patient in her feeble condition could survive and he watched her most closely from day to day So low was Mrs Cooke that it was feared to attempt to take any of the wet bedding off for six weeks even after that length of time the mattress was still wet through A day and a night nurse had to care for her with Miss Shaw always at hand to dress the burns as she had nursed Mrs Cooke through many illnesses and knew well *Rifted Clouds, Or, The Life Story of Bella Cooke* Bella Cooke,1886 *Rifted Clouds, Or the Life Story of Bella Cooke* Bella Cooke,2015-07-11 Excerpt from *Rifted Clouds or the Life Story of Bella Cooke A Record of Loving Kindness and Tender Mercies* Records of the dealings of God with His people form a large part of the Sacred Volume from which His children have during the ages derived instruction and comfort But in these later times the idea is extensively entertained that the divine administration is not as of old but as He sendeth His rain on the just and on the unjust we need not seek to obtain protection from ills or relief from trouble The subject of this narrative had no common experience indeed a marvelous life of physical disability and suffering mingled with peace joy and usefulness seemingly combining the extremes of human possibilities Physicians and friends among whom it has been my happiness to be numbered for thirty five years have repeatedly looked with wonder at return of vitality to the apparently lifeless frame and witnessed subsequent years of beneficent accomplishments by frail physical organism not to be accounted for by any known laws of natural causes About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works *Rifted Clouds; Or, the Life Story of Bella Cooke.
