**Conversations with Steve Erickson** Matthew Luter, Mike Miley, 2021-06-28 Much like his novels Steve Erickson b 1950 exists on the periphery of our perception a shadow figure lurking on the margins threatening to break through but never fully emerging Despite receiving prestigious honors Erickson has remained a subterranean literary figure receiving effusive praise from his fans befuddled or cautious assessments from reviewers and scant scholarly attention Erickson's obscurity comes in part from the difficulty of categorizing his work within current trends in fiction and in part from the wide variety of concerns that populate his writing literature music film politics history time and his fascination with his home city of Los Angeles His dream fueled blend of European modernism American pulp and paranoid late century postmodernism makes him essential to an appreciation of the last forty years of American fiction but difficult to classify neatly within that same realm He is at once thoroughly of his time and distinctly outside it In these twenty four interviews Erickson clarifies how his aesthetic and political visions are inextricable from each other He diagnoses the American condition since World War II only to reveal that America's triumphs and failures have been consistent since its inception and that he presciently described decades ago certain features of our present Additionally the interviews expose the remarkable consistency of Erickson's vision over time while simultaneously capturing the new threads that appear in his later fiction as they emerge in his thought Conversations with Steve Erickson will deepen readers understanding of how Erickson's books work and why this utterly singular writer deserves greater attention

[The Story of My Purity](#) Francesco Pacifico, 2013-03-05 An exuberant tale of a man caught between faith and freedom from one of Italy's most talented young novelists Thirty years old growing flabby in a sexless marriage Piero Rosini has decided to dedicate his life to Jesus He's renounced the novels and American music that were filling his head with bullshit he's moved out of his fancy bourgeois neighborhood which was keeping him from finding spiritual purity and the Lord's truth Now that he and his wife have settled into an unfinished housing development on the far outskirts of Rome he'll be able to really concentrate on his job at an ultraconservative Catholic publishing house editing books that highlight the decadence and degradation of modern society including one claiming that Pope John Paul II was secretly Jewish But Piero is suffocating He worries that The Jewish Pope might be taking things too far He can't get his beautiful sister-in-law out of his head Temptations are breaking down his religious resolve He decides to flee to Paris which turns out not to be the best way of guarding his purity With a charismatic narrator as familiar with the finer points of Christian theology as with the floor layout of IKEA and the schedules of European budget airlines Francesco Pacifico's exuberant novel brings us Europe old and new and the inner workings of a conflicted but always compelling mind *The Story of My Purity* is fiction with great humor intelligence neuroticism and vision from a young writer at the beginning of a tremendous career
