Aaron, JR., 2021-02-15 In the book of Acts the apostles began to preach after Jesus ascension the gospel of the Kingdom This is the same gospel Jesus preached and great miracles were written with this type of preaching One could speculate and it is obvious we are not seeing the mighty works of Jesus or the apostles today because we have deviated from preaching the gospel of the Kingdom Today there are all types of preaching the gospel of grace the gospel of prosperity the gospel of healing but no obvious power Acts 17:6 says these men the apostles have turned this world upside down Why because they preached the gospel of the Kingdom If we return to preaching and teaching the Kingdom message we will turn this world right side up The power will return the anointing will return the glory of God will return and we will see mighty works of God happening in all nations We will witness in this day the apostles and prophets band together Jews and Gentiles band together spiritual gifts in operation like never seen before This is the day that the army of the Lord is seen marching forth shattering the spiritual walls of religion and apostasy God is saying to those that have ears to hear take another look into the spirit realm take another look into the supernatural and great and mysterious things will be revealed Finding Right-Side Up When You're Upside Down Gale Davis, 2017-03-22 When Maddie realizes she's not quite like the others sitting on her front door stoop she decides to do something totally different from what's expected She leaps from her step and begins an adventure that leads to friendship teamwork learning how to get the job done and a whole lotta laughter

Upside Down Verses Right Side Up Steven Allen, 2018-08-07 This is a book written out of an observation of the great need for God's full truth to be proclaimed as never before The word of God the Bible His truth is not matching the lifestyles of many proclaiming Christians today as we see the end draw near to that promised land The Lord God has opened my mind up to so many pertinent issues of today Not in judgment but in need of checking our short accounts before the Lord God Almighty God has a schedule and though Satan does not know the hour or the day just as we do not he knows the seasons and is in full attack mode to deceive and destroy As this world seems to be spinning out of control with everything it seems running at warp speed God has never been out of control and never will be We need like never before to fix our eyes on Him and His word of truth if we are to survive in the chaos of today Record number of young adults are today leaving the church

and it s easy to see why when you look at all the hypocrisy that they are seeing in reference to God s truth In how we are living our lives as if this world is our hope And to all the compromise of today It s important that we don t take observation as judgment but that we examine our lives unto the full word of God Not to just live in a form of legalism and rules but living in the grace of God and living that grace out not taking advantage of that grace It should never be about judgment but encouragement to running the race as to win the prize This is my motivation Complacency in living in half truth is not truth at all
